DEPARTMENT OF VETERANS AFFAIRS

Programmatic Consideration of Historic Properties in Transfer of Property Rights of Vacant and Underutilized Buildings, Structures and Land

AGENCY: Department of Veterans Affairs.

ACTION: Notice of availability and request for comment.

SUMMARY: The Department of Veterans Affairs (VA) is reviewing its capital asset inventory and identifying vacant and underutilized buildings, structures and land. VA may consider sales, public benefit conveyances, demolition and deconstruction to reduce its unneeded real property. Additionally, VA may consider leases and exchanges to non-Federal entities for potential reuse of vacant and underutilized buildings and structures. This announcement pertains to an alternative process VA may utilize to comply with the requirements of the National Historic Preservation Act (NHPA).

The Advisory Council on Historic Preservation (ACHP) is a Federal agency tasked with review of other Federal agencies' compliance with NHPA and the implementing regulations. VA intends to request ACHP to consider a Program Comment for the entire program of reduction of vacant and underutilized properties. ACHP may agree or decline to consider VA's Program Comment request. If ACHP does issue a Program Comment in lieu of case-by-case review, this alternative will conserve VA's time, budget and staff resources. It will enable VA to transfer real property rights of the vacant and underutilized properties more quickly while still giving consideration to historic properties as required by NHPA.

This Notice of Availability announces and invites public involvement in the process of development of the Program Comment for consideration of historic properties that are vacant and underutilized buildings, structures and land that may be historic properties. Historic properties are those listed on the National Register of Historic Places or eligible for such listing.

DATES: Comments should be submitted within 30 days from when this announcement is published in the **Federal Register**.

ADDRESSES: Written comments may be submitted by email through <http://www.regulations.gov>. Comments should indicate that they are submitted in response to "Notice of availability and request for comments—Programmatic Consideration of Historic Properties in Transfer of Property Rights of Vacant and Underutilized Buildings, Structures and Land." During the comment period, comments may be viewed online through the Federal Docket Management System at <http://www.regulations.gov>.

FOR FURTHER INFORMATION CONTACT: Douglas Pulak, Federal Preservation Officer (003C2), Department of Veterans Affairs, 810 Vermont Avenue NW, Washington, DC 20420.

SUPPLEMENTARY INFORMATION: Section 106 of the National Historic Preservation Act (54 U.S.C. 306108) requires Federal agencies to take into account the effects of their undertakings on historic properties and provide ACHP a reasonable opportunity to comment with regard to such undertakings. ACHP regulations, codified at 36 CFR part 800, set forth the process by which Federal agencies comply with NHPA requirements.

Under Section 800.14(e), Federal agencies may request ACHP to provide a Program Comment on a particular program and category of undertakings in lieu of conducting individual reviews of each individual undertaking as set forth in 36 CFR Sections 800.4 through 800.6. A Federal agency can meet its Section 106 responsibilities for a category of undertakings by taking into account ACHP's Program Comment and by following the steps set forth in those comments.

To initiate this process, VA intends to request ACHP to consider a Program Comment for its program to reduce its real property inventory of vacant and underutilized properties at VA Medical Centers and National Cemeteries nationwide. VA intends the program comment to ACHP will encompass a variety of real estate actions such as leases (including both Enhanced-Use Leases under VA's authority at 38 U.S.C. 8161–8169, and NHPA Section 111 leases authorized under 16 U.S.C. 470h–3), exchanges, sales, transfers, deconstruction and demolition of buildings and structures. ACHP will decide whether to issue a Program Comment to VA or decline. If ACHP decides to issue the Program Comment, they will publish a draft in the **Federal Register** for public review and
