**Title 3—****Executive Order 13829 of April 12, 2018****The President****Task Force on the United States Postal System**

By the authority vested in me as President by the Constitution and the laws of the United States of America, I hereby order the following:

**Section 1. Policy.** (a) The United States Postal Service (USPS) accounts for almost half of global mail volume and is regularly cited as the Federal agency with the highest public approval rating. However, a number of factors, including the steep decline in First-Class Mail volume, coupled with legal mandates that compel the USPS to incur substantial and inflexible costs, have resulted in a structural deficit where revenues are no longer sufficient to fund the pension liabilities and retiree health obligations owed to current employees. The USPS is on an unsustainable financial path and must be restructured to prevent a taxpayer-funded bailout. This finding is supported by the following considerations, among others:

(i) the USPS has incurred \$65 billion of cumulative losses since the 2007–2009 recession;

(ii) the USPS has been unable to make payments required by law for its retiree health benefit obligations, which totaled more than \$38 billion at the end of fiscal year 2017; and

(iii) the Government Accountability Office has had the USPS on its high-risk list since 2009 because of a serious financial situation that puts the USPS mission of providing prompt, reliable, and efficient universal mail services at risk.

(b) It shall be the policy of my Administration that the United States postal system operate under a sustainable business model to provide necessary mail services to citizens and businesses, and to compete fairly in commercial markets.

**Sec. 2. Establishment.** (a) There is hereby established a Task Force on the United States Postal Service (Task Force), to be chaired by the Secretary of the Treasury, as Secretary and as Chairman of the Federal Financing Bank, or his designee, to evaluate the operations and finances of the USPS. In addition to the Chair of the Task Force (Chair), the Task Force shall be composed of the following department and agency heads, or their designees:

(i) the Director of the Office of Management and Budget;

(ii) the Director of the Office of Personnel Management; and

(iii) any other department and agency head the Chair may designate.

(b) The Task Force shall consult with the Postmaster General and the Chairman of the Postal Regulatory Commission.

(c) The Task Force shall also engage:

(i) the Attorney General, on issues relating to government monopolies operating in the commercial marketplace;

(ii) the Secretary of Labor, on issues related to workers compensation programs; and

(iii) State, local, and tribal officials as determined by the Chair of the Task Force with input from the Task Force members.

(d) The Task Force shall meet as required by the Chair and, unless extended by the Chair, shall be dissolved once it has accomplished the objectives

set forth in sections 3 and 4, as determined by the Chair, and completed the report described in section 5 of this order.

**Sec. 3. *Evaluation.*** The Task Force shall conduct a thorough evaluation of the operations and finances of the USPS, including:

- (i) the expansion and pricing of the package delivery market and the USPS's role in competitive markets;
- (ii) the decline in mail volume and its implications for USPS self-financing and the USPS monopoly over letter delivery and mailboxes;
- (iii) the definition of the "universal service obligation" in light of changes in technology, e-commerce, marketing practices, and customer needs;
- (iv) the USPS role in the U.S. economy and in rural areas, communities, and small towns; and
- (v) the state of the USPS business model, workforce, operations, costs, and pricing.

**Sec. 4. *Recommendations for Reform.*** The Task Force shall develop recommendations for administrative and legislative reforms to the United States postal system.

(a) Such recommendations shall promote our Nation's commerce and communication without shifting additional costs to taxpayers. The recommendations shall be developed in a manner that is consistent with the proposed plan to reorganize the executive branch as required by Executive Order 13781 of March 13, 2017.

(b) Such recommendations shall also consider the views of the USPS workforce; commercial, non-profit, and residential users of the USPS services; and competitors in the marketplace.

**Sec. 5. *Report.*** The Task Force, acting through the Chair and the Director of the Office of Management and Budget, shall submit a report to the President, in coordination with the Directors of the Domestic Policy and National Economic Councils, not later than 120 days after the date of this order. In its report, the Task Force shall summarize its findings and recommendations under sections 3 and 4 of this order.

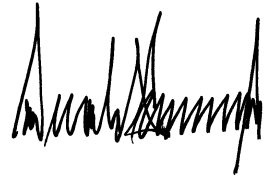

**Sec. 6. *Administration.*** The Federal Financing Bank shall provide administrative support and funding for the Task Force.

**Sec. 7. *General Provisions.*** (a) Nothing in this order shall be construed to impair or otherwise affect:

- (i) the authority granted by law to an executive department or agency, or the head thereof; or
- (ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.
