SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-83059; File No. SR-BX-2018-013]

Self-Regulatory Organizations; Nasdaq BX, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Delete Duplicative Rules Related to the Consolidated Audit Trail From Its Rulebook

April 17, 2018.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on April 5, 2018, Nasdaq BX, Inc. (“BX” or

“Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to delete the rules related to the Consolidated Audit Trail (“CAT Rules”) currently under Chapter IX, Sections 8 and 9 of BX's Options Rules, as further described below.

The text of the proposed rule change is available on the Exchange's website at <http://nasdaqbx.cchwallstreet.com/>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to delete the CAT Rules currently under BX's Options Rules, Chapter IX, Sections 8 and 9 because these rules are already located in General 7, entitled “Consolidated Audit Trail Compliance,” under the “General Equity and Options Rules” in the Exchange's rulebook's shell structure.³ Given that the CAT Rules contained in General 7 are non-product specific and are identical to the CAT Rules in BX's

Options Rules,⁴ the Exchange proposes to delete the duplicative rules in BX's Options Rules as market participants transacting on the Exchange's equity and options markets are already governed by the CAT Rules in General 7.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁵ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁶ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest by removing the duplicative CAT Rules from BX's Options Rules. As discussed above, Exchange members are already governed by the CAT Rules in General 7 of the rulebook's shell structure. The Exchange believes that the proposed changes will make the Exchange's rulebook easier to read and eliminate any potential confusion to the benefit of its members and investors.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The proposed changes as discussed above do not impose a burden on competition because they are non-substantive and are intended to clarify the Exchange's rulebook in order to eliminate any potential confusion.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant

⁴ As part of its continued effort to promote efficiency and conformity of its rules with those of the Affiliated Exchanges, the Exchange recently relocated the CAT Rules previously under the 6800 Series of BX's Equity Rules to General 7 because the CAT Rules apply across all markets and to all products. See Securities Exchange Act Release No. 82597 (January 30, 2018), 83 FR 4942 (February 2, 2018) (SR-BX-2018-007).

⁵ 15 U.S.C. 78f(b).

⁶ 15 U.S.C. 78f(b)(5).

³ The Exchange added a shell structure to its rulebook with the purpose of improving efficiency and readability and to align its rules closer to those of its five sister exchanges: The Nasdaq Stock Market LLC; Nasdaq PHLX LLC; Nasdaq ISE, LLC; Nasdaq GEMX, LLC; and Nasdaq MRX, LLC (“Affiliated Exchanges”). See Securities Exchange Act Release No. 82174 (November 29, 2017), 82 FR 57492 (December 5, 2017) (SR-BX-2017-054).

burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act⁷ and subparagraph (f)(6) of Rule 19b-4 thereunder.⁸

A proposed rule change filed under Rule 19b-4(f)(6)⁹ normally does not become operative prior to 30 days after the date of the filing. However, Rule 19b-4(f)(6)(iii)¹⁰ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested that the Commission to waive the 30-day operative delay so that the proposal will become operative upon filing. The Exchange stated that removing the duplicative CAT Rules, as discussed above, will bring greater clarity to its rulebook and will eliminate any potential confusion to the benefit of its members and investors. Therefore, the Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest. Accordingly, the Commission hereby waives the operative delay and designates the proposed rule change as operative upon filing.¹¹

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) Necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Extension:

Rule 23c-1, SEC File No. 270-253, OMB Control No. 3235-0260

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520), the Securities and Exchange Commission (the "Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Rule 23c-1(a) under the Investment Company Act (17 CFR 270.23c-1(a)) permits a closed-end fund to repurchase its securities for cash if, in addition to the other requirements set forth in the rule, the following conditions are met: (i) Payment of the purchase price is accompanied or preceded by a written confirmation of the purchase ("written confirmation"); (ii) the asset coverage per unit of the security to be purchased is disclosed to the seller or his agent ("asset coverage disclosure"); and (iii) if the security is a stock, the fund has, within the preceding six months, informed stockholders of its intention to purchase stock ("six month notice"). Commission staff estimates that 91 closed-end funds undertake a total of 364 repurchases annually under rule 23c-1.¹ Staff estimates further that, with respect to each repurchase, each fund spends 2.5 hours to comply with the rule's written confirmation, asset coverage disclosure and six month notice requirements. Thus, Commission staff estimates the total annual respondent reporting burden is 910

¹ The number of closed-end funds that undertake repurchases annually under rule 23c-1 is based on information provided in response to Item 9 of Form N-CSR from January 1, 2017 through December 31, 2017. Although 136 closed-end funds made disclosures regarding "publicly announced" repurchase plans in response to Item 9, not all repurchases are made pursuant to rule 23c-1. We estimate that approximately 30% of such closed-end funds have not made repurchases pursuant to rule 23c-1. Therefore, our estimate does not include all 136 funds that made disclosures of publicly announced repurchases under Item 9, but only a subset thereof (91 funds). We also estimate that each of the 91 funds undertook an average of 4 repurchases annually (91 funds × 4 repurchases = 364 repurchases annually).

⁷ 15 U.S.C. 78s(b)(3)(A)(iii).

⁸ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires the Exchange to give the Commission written notice of the Exchange's intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

⁹ 17 CFR 240.19b-4(f)(6).

¹⁰ 17 CFR 240.19b-4(f)(6)(iii).

¹¹ For purposes only of waiving the 30-day operative delay, the Commission has also considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).
