

*C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

Written comments were neither solicited nor received.

**III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>10</sup> and Rule 19b-4(f)(6) thereunder.<sup>11</sup>

A proposed rule change filed under Rule 19b-4(f)(6)<sup>12</sup> normally does not become operative for 30 days after the date of filing. However, pursuant to Rule 19b-4(f)(6)(iii),<sup>13</sup> the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. FINRA has asked the Commission to waive the 30-day operative delay so that the proposal may become operative upon filing. FINRA has stated that the purpose of the proposed rule change is to allow FINRA additional time to consider potential revisions to the requirements pursuant to SR-FINRA-2015-036 and to consult with industry participants and other regulators whether any revisions are appropriate, in the interest of avoiding unnecessary disruption to the Covered Agency Transaction market. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because the proposal to extend the implementation date of certain amendments to FINRA Rule 4210 does not raise any new or novel issues and will help to facilitate the implementation of the margin requirements for Covered Agency Transactions. Furthermore, the Commission understands that market participants have expressed support for the extension of the implementation date in order to give FINRA time to

determine, in consultation with market participants and other interested parties, whether changes to the amendments are appropriate, and if so, what those changes should be.<sup>14</sup> Therefore, the Commission hereby waives the 30-day operative delay requirement and designates the proposed rule change as operative upon filing.<sup>15</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

**IV. Solicitation of Comments**
