1. Statement of Employer—20 CFR 404.801–404.803—0960–0030. When workers report they were paid wages but cannot provide proof of those earnings, and the wages do not appear in SSA’s records of earnings, SSA uses Form SSA–7011–F4 to document the alleged wages. Specifically, the agency uses the form to resolve discrepancies in the individual’s Social Security earnings record and to process claims for Social Security benefits. We only send Form SSA–7011–F4 to employers if we are unable able to locate the earnings information within our own records. The respondents are employers who can verify wage allegations made by wage earners.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
