FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary deviation, call or email Jeffrey Stieb; Bridge Management Specialist, First Coast Guard District, telephone 617–223–8364, email Jeffrey.D.Stieb@uscg.mil.

SUPPLEMENTARY INFORMATION: The bridge owner, Vermont Agency of Transportation, requested a temporary deviation from the normal operating schedule of the US2 Bridge, mile 91.8, across Lake Champlain at North Hero Island, Vermont. The drawbridge navigation span has a vertical clearance of 18 feet at ordinary low water in the closed position. The existing bridge operating regulations are found at 33 CFR 117.993(b).

Under this temporary deviation, the US2 Bridge shall open daily on signal only on the hour from 8 a.m. to 8 p.m. from May 15, 2018 through October 15, 2018.

The waterway is transited by seasonal recreational vessels of various sizes. Several marina facilities are in the area of the bridge. Vessels that are able to pass under the bridge in the closed position may do so at any time. The bridge will be able to open for emergencies, and for vessels unable to pass through the bridge in the closed position there is an alternate route to the north under the Alburg Passage US2 fixed bridge. The Alburg Passage US2 Bridge has a vertical clearance of 25 feet at ordinary low water. The Coast Guard will inform the users of the waterway through our Local and Broadcast Notices to Mariners of the change in operating schedule for the bridge so that vessel operators can arrange their transits to minimize any impact caused by the temporary deviation.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the effective period of this deviation. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: May 7, 2018.

Christopher J. Bisignano,

*Supervisory Bridge Management Specialist,
First Coast Guard District.*

33 CFR Part 117

[Docket No. USCG–2018–0432]

Drawbridge Operation Regulation; Sacramento River, Walnut Grove, CA

AGENCY: Coast Guard, DHS.

ACTION: Notice of deviation from drawbridge regulation.

SUMMARY: The Coast Guard has issued a temporary deviation from the operating schedule that governs the Walnut Grove Drawbridge across the Sacramento River, mile 26.7, at Walnut Grove, CA. The deviation is necessary to allow participants in the AMGEN Tour of California bicycle race to cross the drawspan safely and without interruption. This deviation allows the bridge to remain in the closed-to-navigation position during the deviation period.

DATES: This deviation is effective from 11 a.m. through 3 p.m. on May 17, 2018.

ADDRESSES: The docket for this deviation, USCG–2018–0432, is available at <http://www.regulations.gov>. Type the docket number in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this deviation.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary deviation, call or email Carl T. Hausner, Chief, Bridge Section, Eleventh Coast Guard District; telephone 510–437–3516, email Carl.T.Hausner@uscg.mil.

SUPPLEMENTARY INFORMATION: Sacramento County has requested a temporary change to the operation of the Walnut Grove Drawbridge, mile 26.7, over the Sacramento River, at Walnut Grove, CA. The drawbridge navigation span provides a vertical clearance of 21 feet above Mean High Water in the closed-to-navigation position. The draw operates as required by 33 CFR 117.189(a). Navigation on the waterway is commercial and recreational.

The drawspan will be secured in the closed-to-navigation position from 11 a.m. through 3 p.m. on May 17, 2018, to allow the participants in the AMGEN Tour of California bicycle race to cross the drawspan safely and without interruption. This temporary deviation has been coordinated with the waterway users. No objections to the proposed temporary deviation were raised.

Vessels able to pass through the bridge in the closed position may do so at any time. The bridge will be able to

open for emergencies and there is no immediate alternate route for vessels to pass. The Coast Guard will also inform the users of the waterway through our Local and Broadcast Notices to Mariners of the change in operating schedule for the bridge so that vessel operators can arrange their transits to minimize any impact caused by the temporary deviation.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the effective period of this temporary deviation. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: May 15, 2018.

C.T. Hausner,

District Bridge Chief, Eleventh Coast Guard District.

33 CFR Part 117

[Docket No. USCG–2018–0431]

Drawbridge Operation Regulation; Sacramento River, Freeport, CA

AGENCY: Coast Guard, DHS.

ACTION: Notice of deviation from drawbridge regulation.

SUMMARY: The Coast Guard has issued a temporary deviation from the operating schedule that governs the Sacramento County highway bridge across the Sacramento River, mile 46.0, at Freeport, CA. The deviation is necessary to allow participants in the AMGEN Tour of California bicycle race to cross the drawspan safely and without interruption. This deviation allows the bridge to remain in the closed-to-navigation position during the deviation period.

DATES: This deviation is effective from 11 a.m. through 3 p.m. on May 17, 2018.

ADDRESSES: The docket for this deviation, USCG–2018–0431, is available at <http://www.regulations.gov>. Type the docket number in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this deviation.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary deviation, call or email Carl T. Hausner, Chief, Bridge Section, Eleventh Coast Guard District; telephone 510–437–3516, email Carl.T.Hausner@uscg.mil.

SUPPLEMENTARY INFORMATION:

Sacramento County has requested a temporary change to the operation of the Sacramento County highway bridge, mile 46.0, over the Sacramento River, at Freeport, CA. The drawbridge navigation span provides a vertical clearance of 29 feet above Mean High Water in the closed-to-navigation position. The draw operates as required by 33 CFR 117.189(b). Navigation on the waterway is commercial and recreational.

The drawspan will be secured in the closed-to-navigation position from 11 a.m. through 3 p.m. on May 17, 2018, to allow the participants in the AMGEN Tour of California bicycle race to cross the drawspan safely and without interruption. This temporary deviation has been coordinated with the waterway users. No objections to the proposed temporary deviation were raised.

Vessels able to pass through the bridge in the closed position may do so at any time. The bridge will be able to open for emergencies and there is no immediate alternate route for vessels to pass. The Coast Guard will also inform the users of the waterway through our Local and Broadcast Notices to Mariners of the change in operating schedule for the bridge so that vessel operators can arrange their transits to minimize any impact caused by the temporary deviation.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the effective period of this temporary deviation. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: May 9, 2018.

Carl T. Hausner,

District Bridge Chief, Eleventh Coast Guard District.

[Docket Number USCG-2017-1066]

RIN 1625-AA00

Safety Zone; Ohio Street Beach Swim Course, Lake Michigan, Chicago Harbor, Chicago, IL

AGENCY: Coast Guard, DHS.

ACTION: Final rule.

SUMMARY: The Coast Guard is establishing a safety zone on Lake Michigan in Chicago Harbor, near the Ohio Street Beach in Chicago, IL. This action is necessary and intended to ensure safety of life on the navigable waters of the United States during swim events that occur throughout each calendar year. Entry of vessels or persons into this zone is prohibited unless specifically authorized by the Captain of the Port, Lake Michigan.

DATES: This rule is effective June 18, 2018.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type USCG-2017-1066 in the "SEARCH" box and click "SEARCH." Click on Open Docket Folder on the line associated with this rule.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email if you have questions about this rule, call or email LT John Ramos, Marine Safety Unit (MSU) Chicago, U.S. Coast Guard; telephone (630) 986-2155, email D09-DG-MSUChicago-Waterways@uscg.mil.

CFR Code of Federal Regulations
 DHS Department of Homeland Security
 FR Federal Register
 NPRM Notice of proposed rulemaking
 § Section
 U.S.C. United States Code

II. Background Information and Regulatory History

Each year, many swim events occur on Lake Michigan in Chicago Harbor, near the Ohio Street Beach in Chicago, IL. These events take place more frequently in the summer months. The Captain of the Port, Lake Michigan has determined that the size and nature of these events will pose a significant risk to public safety and property. The potential hazards associated with these events would be a safety concern for participants as well as recreational and commercial traffic in or around the course where the events take place. In response, on February 6, 2018, the Coast Guard published a notice of proposed rulemaking (NPRM) titled Safety Zone; Ohio Street Beach Swim Course, Lake Michigan, Chicago Harbor, Chicago, IL (USCG-2017-1066). The NPRM addressed the need for the safety zone and invited the public to comment on the proposed regulatory action. During the comment period that ended March 8, 2018, the Coast Guard received four comments.

III. Legal Authority and Need for Rule

The purpose of the rulemaking is to ensure the safety of vessels, persons and the navigable waters before, during, and after a scheduled event. The specific hazards include collisions among event participants, recreational traffic, and commercial traffic that may cause injury or marine casualties. The Coast Guard is issuing this rulemaking under authority in 33 U.S.C. 1231; 50 U.S.C. 191; 33 CFR 1.05-1, 6.04-1, 6.04-6, and 160.5; Department of Homeland Security Delegation No. 0170.1.

IV. Discussion of Comments, Changes, and the Rule

As noted above, four comments were received the NPRM published February 6, 2018. All four comments had mixed concerns with the duration of the safety zone. For clarification, the safety zone will be in effect no longer than the time necessary to ensure the safety of the participants during each specific swim event. Another comment questioned how the safety zone will be marked and what repercussions there are for entering the safety zone. Safety zones are not typically marked by physical markers or buoys. The safety zone's specific enforcement period will be disseminated by the Captain of the Port, Lake Michigan or a designated on-scene representative, broadcasted via Local Notice to Mariners, Broadcast Notice to Mariners, and/or shared via the Coast Guard's web page and social media platforms. Pursuant to 33 U.S.C. 1232 and 33 CFR 27.3, any person who operates a vessel in this safety zone without permission from the Coast Guard Captain of the Port, Lake Michigan or designated representative may be subject to applicable civil or criminal penalties. The last comment regarded the definition of large-scale event. After review, the Coast Guard amended this final rule by removing the verbiage "large-scale" event.

The Captain of the Port, Lake Michigan has determined that this safety zone is necessary to ensure the safety of the public during swim events that take place on Lake Michigan in Chicago Harbor, near the Ohio Street Beach in Chicago, IL. The Captain of the Port will notify the public when the safety zone in this rule will be enforced by all appropriate means to the affected segments of the public, including publication in the **Federal Register**, as practicable, in accordance with 33 CFR 165.7(a). Such means of notification will include, but are not limited to, Broadcast Notice to Mariners or Local Notice to Mariners.
