Food Safety and Inspection Service

Title: Public Health Inspection System.

OMB Control Number: 0583-0153.

Summary of Collection: The Food Safety and Inspection Service (FSIS) has been delegated the authority to exercise the functions of the Secretary as provided in the Federal Meat Inspection Act (FMIA) (21 U.S.C. 601 *et. seq.*), the Poultry Products Inspection Act (PPIA) (21 U.S.C. 451, *et. seq.*), and the Egg Products Inspection Act (EPIA) (21 U.S.C. 1031). These statutes mandate that FSIS protect the public by ensuring that meat, poultry, and egg products are safe, wholesome, unadulterated, and properly labeled and packaged.

Need and Use of the Information: FSIS uses a Web-based system that supports FSIS inspection operations and facilitates industry members' application for inspection, export, and import of meat, poultry, and egg products. Industry members use FSIS forms in the Public Health Information System (PHIS). Industry is able to submit some of these forms through a series of screens in PHIS; other forms are available in PHIS only as electronic forms. Paper forms will also be available to firms that do not wish to use PHIS. To submit information through PHIS, firms' employees will need to register for a USDA eAuthentication account with Level 2 access.

Description of Respondents: Business or other for-profit.

Number of Respondents: 6,242.

Frequency of Responses: Reporting: On occasion.

Total Burden Hours: 115,117.

DEPARTMENT OF AGRICULTURE

Notice of Continued Suspension of Supervision Fee Assessment Under the United States Grain Standards Act

AGENCY: Agricultural Marketing Service, USDA.

ACTION: Notice

SUMMARY: The Department of Agriculture (USDA), Agricultural Marketing Service (AMS) has determined that the suspension of the assessment of fees for supervision of official inspection and weighing services performed by delegated States and/or designated agencies under the United States Grain Standards Act (USGSA) will continue through June 30, 2019.

DATES: This notice is applicable beginning July 1, 2018, and remains applicable for one year.

FOR FURTHER INFORMATION CONTACT: Denise Ruggles, USDA-AMS-FGIS-ODA; Telephone: (816) 659-8406; Email: Denise.M.Ruggles@ams.usda.gov.

Persons with disabilities who require alternative means for communication (Braille, large print, audio tape, etc.) should contact the USDA Target Center at (202) 720-2600 (voice and TDD).

SUPPLEMENTARY INFORMATION: The Agriculture Reauthorizations Act of 2015, Public Law 114-54, amended the USGSA (7 U.S.C. 71-87k) to require AMS to adjust fees for the supervision of official grain inspection and weighing in order to maintain an operating reserve of not less than 3 and not more than 6 months (7 U.S.C. 79(j)(4)).

The Grain Inspection, Packers and Stockyard Administration (GIPSA) published a notification of the suspension of supervision fee assessment on June 12, 2017, which became effective on July 1, 2017 (82 FR 26843). The realignment of offices within the U.S. Department of Agriculture authorized by the Secretary's Memorandum dated November 14, 2017, eliminates GIPSA as a standalone agency. The grain inspection activities formerly part of GIPSA are now organized under AMS.

In order to maintain an operating reserve not less than 3 and not more than 6 months, AMS reviewed the operating reserve at the end of fiscal year 2017. The supervision of official inspection and weighing program-

operating reserve at the end of fiscal year 2017 was \$6,950,142, which continues to exceed 6 months by a significant margin.

Accordingly, AMS is issuing this notice to announce the suspension of the fee for supervision of official inspection and weighing services of domestic grain and land carriers to Canada and Mexico performed by delegated States and/or designated agencies. According to the regulations under the USGSA, AMS may suspend any provision of the regulations in emergencies or other circumstances, which would not impair the objectives of the USGSA (7 CFR 800.2). AMS has determined that suspending supervision fees will not impair the objectives of the USGSA because the operating reserve for supervision services is sufficient to maintain the service without additional funds.

AMS will continue the suspension of the assessment fee of \$0.011 per metric ton on domestic shipments officially inspected and/or weighed, including land carrier shipments to Canada and Mexico, performed by delegated States and/or designated agencies on or after July 1, 2018 (7 CFR 800.71 Schedule B). These fees will remain suspended for one year, at which time AMS will reassess the operating reserve for supervision of official agency inspection and weighing.

Dated: May 18, 2018.

Greg Ibach,

Under Secretary, Marketing and Regulatory Programs.
