webinar hour. No charge for webinar participation will be assessed by ITA when the purpose is to promote/recruit for an ITA or other USG agency hosted event or when serving only as a guest speaker for a webinar organized by a third party.

Conclusion

Based on the information provided above, ITA believes its revised fee schedules are more consistent with the mission to promote ''exports of goods and services from the United States, particularly by small businesses and medium businesses,'' and better achieve the objective of OMB Circular A–25 to ''promote efficient allocation of the nation's resources by establishing charges for special benefits provided to the recipient that are at least as great as the cost to the U.S. Government of providing the special benefits.'' ITA will reassess this fee schedule after its first year of implementation and, in accordance with OMB Circular A–25, at least every two years thereafter.
