

DEPARTMENT OF HOMELAND SECURITY**Coast Guard****33 CFR Part 165**

[Docket Number USCG–2018–0157]

RIN 1625–AA00

Safety Zone for Fireworks Display; Severn River, Sherwood Forest, MD

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for certain waters of the Severn River. This action is necessary to provide for the safety of life on the navigable waters of the Severn River at Sherwood Forest, MD, during a fireworks display on July 3, 2018 (with alternate date of July 6, 2018). This action will prohibit persons and vessels from entering the safety zone unless authorized by the Captain of the Port Maryland-National Capital Region or a designated representative.

DATES: This rule is effective from 8:30 p.m. on July 3, 2018, through 10 p.m. on July 6, 2018.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type USCG–2018–0157 in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this rule.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email Mr. Ronald Houck, Sector Maryland-National Capital Region Waterways Management Division, U.S. Coast Guard; telephone 410–576–2674, email Ronald.L.Houck@uscg.mil.

SUPPLEMENTARY INFORMATION:**I. Table of Abbreviations**

CFR Code of Federal Regulations
 DHS Department of Homeland Security
 FR Federal Register
 NPRM Notice of proposed rulemaking
 § Section
 U.S.C. United States Code

II. Background Information and Regulatory History

On January 16, 2018, the Sherwood Forest Club, Inc. of Sherwood Forest, MD, notified the Coast Guard that from 9:20 p.m. to 9:50 p.m. on July 3, 2018, it will be conducting a fireworks display launched from the end of the Sherwood Forest Club main pier, located adjacent to the Severn River, approximately 200 yards east of Brewer Pond in Sherwood Forest, MD. In response, on April 4,

2018, the Coast Guard published a notice of proposed rulemaking (NPRM) entitled “Safety Zone for Fireworks Display; Severn River, Sherwood Forest, MD” (83 FR 14384). There we stated why we were issuing the NPRM, and invited comments on our proposed regulatory action related to this fireworks display. During the comment period that ended May 4, 2018, we received 2 comments.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 33 U.S.C. 1231. The Captain of the Port Baltimore (COTP) has determined that potential hazards associated with the fireworks to be used in the July 3, 2018, display will be a safety concern for anyone in the Severn River near the fireworks discharge site. The purpose of this rule is to ensure safety of vessels and the navigable waters in the safety zone before, during, and after the scheduled event.

IV. Discussion of Comments, Changes, and the Rule

As noted above, we received two comments on our NPRM published April 4, 2018. Both comments provided support of this rulemaking. There are no substantive changes in the regulatory text of this rule from the proposed rule in the NPRM.

This rule establishes a safety zone that will be enforced from 8:30 p.m. until 10:30 p.m. on July 3, 2018, and if necessary due to inclement weather, from 8:30 p.m. until 10:30 p.m. on July 6, 2018. The safety zone will cover all navigable waters of the Severn River, within 150 yards of a fireworks discharge site located at the end of Sherwood Forest Club main pier in approximate position latitude 39°01′54.0″ N, longitude 076°32′41.8″ W, located at Sherwood Forest, MD. The duration of the zone is intended to ensure the safety of life on these navigable waters before, during, and after the scheduled 9:20 p.m. fireworks display. While the zone is being enforced, no vessel or person will be permitted to enter the safety zone without obtaining permission from the COTP or a designated representative. To request permission to transit the area, the Captain of the Port Maryland-National Capital Region and or designated representatives can be contacted at telephone number 410–576–2693 or on marine band radio VHF–FM channel 16 (156.8 MHz). The Coast Guard vessels enforcing this section can be contacted on marine band radio VHF–FM channel 16 (156.8 MHz). Upon being hailed by a U.S. Coast Guard vessel, or other Federal,

State, or local agency vessel, by siren, radio, flashing light, or other means, the operator of a vessel must proceed as directed. If permission is granted to enter the safety zone, all persons and vessels must comply with the instructions of the Captain of the Port Maryland-National Capital Region or designated representative and proceed as directed while within the zone.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13771 directs agencies to control regulatory costs through a budgeting process. This rule has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB), and pursuant to OMB guidance it is exempt from the requirements of Executive Order 13771.

This regulatory action determination is based on the size, location, duration, and time-of-day of the safety zone. Vessel traffic will be able to safely transit around this safety zone, which would impact a small designated area of the Severn River for 2 hours during the evening when vessel traffic is normally low. The Coast Guard will issue a Broadcast Notice to Mariners via VHF–FM marine band radio channel 16 to provide information about the safety zone.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard received no comments from the Small Business Administration on this rulemaking. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant

economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes,

or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a safety zone lasting 2 hours that would prohibit vessel movement within a portion of the Severn River. It is categorically excluded from further review under paragraph L60(a) of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 01. A Record of Environmental Consideration supporting this determination is available in the docket where indicated under **ADDRESSES**.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 50 U.S.C. 191; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Department of Homeland Security Delegation No. 0170.1.

■ 2. Add § 165.T05–0157 to read as follows:

§ 165.T05–0157 Safety Zone for Fireworks Display; Severn River, Sherwood Forest, MD.

(a) *Location.* The following area is a safety zone: All waters of the Severn River, within 150 yards of a fireworks discharge site located at the end of Sherwood Forest Club main pier in approximate position latitude 39°01'54.0" N, longitude 076°32'41.8" W, located at Sherwood Forest, MD. All coordinates refer to datum NAD 1983.

(b) *Definitions.* As used in this section:

(1) *Captain of the Port Maryland-National Capital Region* means the Commander, U.S. Coast Guard Sector Maryland-National Capital Region.

(2) *Designated representative* means any Coast Guard commissioned, warrant, or petty officer who has been authorized by the Captain of the Port Maryland-National Capital Region to assist in enforcement of the safety zone described in paragraph (a) of this section.

(c) *Regulations.* The general safety zone regulations found in 33 CFR part 165, subpart C apply to the safety zone created by this section.

(1) All persons are required to comply with the general regulations governing safety zones found in 33 CFR 165.23.

(2) Entry into or remaining in this safety zone is prohibited unless authorized by the Coast Guard Captain of the Port Maryland-National Capital Region. All vessels underway within this safety zone at the time it is implemented are to depart the zone.

(3) Persons desiring to transit the area of the safety zone shall obtain authorization from the Captain of the Port Maryland-National Capital Region or designated representative. To request permission to transit the area, the Captain of the Port Maryland-National Capital Region and or designated representatives can be contacted at telephone number 410–576–2693 or on marine band radio VHF–FM channel 16 (156.8 MHz). The Coast Guard vessels enforcing this section can be contacted on marine band radio VHF–FM channel 16 (156.8 MHz). Upon being hailed by a U.S. Coast Guard vessel, or other Federal, State, or local agency vessel, by

siren, radio, flashing light, or other means, the operator of a vessel shall proceed as directed. If permission is granted to enter the safety zone, all persons and vessels shall comply with the instructions of the Captain of the Port Maryland-National Capital Region or designated representative and proceed as directed while within the zone.

(4) *Enforcement officials.* The U.S. Coast Guard may be assisted in the patrol and enforcement of the zone by Federal, State, and local agencies.

(d) *Enforcement period.* This section will be enforced from 8:30 p.m. to 10:30 p.m. on July 3, 2018, and if necessary due to inclement weather, from 8:30 p.m. to 10:30 p.m. on July 6, 2018.

Dated: May 25, 2018.

Joseph B. Loring,

Captain, U.S. Coast Guard, Captain of the Port Maryland-National Capital Region.

[Docket No. USCG-2018-0469]

RIN 1625-AA00

Safety Zone; Thunder Over Toledo Fireworks, Maumee River, Toledo, OH

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone in the Captain of the Port Detroit Zone on the Maumee River in the vicinity of Toledo, Ohio. This Zone is intended to restrict vessels from portions of the Maumee River for the Thunder over Toledo Fireworks Display. Persons and vessels are prohibited from entering into, transiting through, or anchoring within this safety zone unless authorized by the Captain of the Port Detroit, or his designated representative. This temporary safety zone is necessary to protect spectators and vessels from the hazards associated with fireworks displays.

DATES: This regulation is effective from 9 p.m. on July 4, 2018 until 10:30 p.m. on July 5, 2018.

ADDRESSES: Documents mentioned in this preamble are part of docket USCG-2018-0469. To view documents mentioned in this preamble as being available in the docket, go to [http://](http://www.regulations.gov)

www.regulations.gov, type the docket number in the "SEARCH" box and click "SEARCH." Click on Open Docket Folder on the line associated with this rulemaking.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary rule, call or email MST1 Ryan Erpelding, Waterways Department, Marine Safety Unit Toledo, Coast Guard; telephone (419) 418-6037, email Ryan.G.Erpelding@uscg.mil.

SUPPLEMENTARY INFORMATION:

I. Table of Acronyms

CFR Code of Federal Regulations
DHS Department of Homeland Security
FR Federal Register
NPRM Notice of proposed rulemaking
§ Section
U.S.C. United States Code

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule. The event sponsor notified the Coast Guard with insufficient time to accommodate the comment period. Thus, delaying the effective date of this rule to wait for the comment period to run would be impracticable and contrary to the public interest because it would prevent the Captain of the Port Detroit from keeping the public safe from the hazards associated with a maritime fireworks displays.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Waiting for a 30-day effective period to run is impracticable and contrary to the public interest for the reasons discussed in the preceding paragraph.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 33 U.S.C. 1231. The Captain of the Port Detroit (COTP) has determined that potential hazards associated with fireworks displays starting after 9:45 p.m. on July 4, 2018 will be a safety concern for anyone

within an 800 foot radius of the launch site. The likely combination of recreational vessels, darkness punctuated by bright flashes of light, and fireworks debris falling into the water presents risks of collisions which could result in serious injuries or fatalities. This rule is needed to protect personnel, vessels, and the marine environment in the navigable waters within the safety zone during the fireworks display.

IV. Discussion of the Rule

This rule establishes a safety zone that will be enforced from 9 p.m. until 10:30 p.m. on July 4, 2018 with a rain date of July 5, 2018 from 9 p.m. until 10:30 p.m. The safety zone will encompass all U.S. navigable waters of the Maumee River within an 800 foot radius of the fireworks launch site located at position 41°38'44.5" N, 083°31'50.6" W. All geographic coordinates are North American Datum of 1983 (NAD 83).

The duration of the zone is intended to protect personnel, vessels, and the marine environment in these navigable waters during the fireworks display. Entry into, transiting, or anchoring within the safety zone is prohibited unless authorized by the Captain of the Port Detroit or his designated representative. The Captain of the Port, Sector Detroit or his designated representative may be contacted via VHF Channel 16.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 ("Regulatory Planning and Review") and 13563 ("Improving Regulation and Regulatory Review") direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits including potential economic, environmental, public health and safety effects, distributive impacts, and equity. Executive Order 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. Executive Order 13771 ("Reducing Regulation and Controlling Regulatory Costs"), directs agencies to reduce regulation and control regulatory costs and provides that "for every one new regulation issued, at least two prior
