

(3) Definitions: For purposes of paragraphs (b)(2)(i) and (ii) of this section—

(i) A breach determination is administratively final when the time to file an appeal with the Administrative Appeals Office (AAO) has expired or when the appeal is dismissed or rejected.

(ii) An invoice is past due if it is delinquent, meaning either that it has not been paid or disputed in writing within 30 days of issuance of the invoice; or, if it is a debt upon which the surety has submitted a written dispute within 30 days of issuance of the invoice, ICE has issued a written explanation to the surety of the agency's determination that the debt is valid, and the debt has not been paid within 30 days of issuance of such written explanation that the debt is valid.

(4) When one or more of the for cause standards provided in paragraph (b)(2) of this section applies to a Treasury-certified surety, ICE may, in its discretion, initiate the process to notify the surety that it will decline future bonds. To initiate this process, ICE will issue written notice to the surety stating ICE's intention to decline bonds underwritten by the surety and the reasons for the proposed non-acceptance of the bonds. This notice will inform the surety of its opportunity to rebut the stated reasons set forth in the notice, and its opportunity to cure the stated reasons, *i.e.*, deficient performance.

(5) The Treasury-certified surety must send any response to ICE's notice in writing to the office that sent the notice. The surety's response must be received by the designated office on or before the 30th calendar day following the date the notice was issued. If the surety or agent fails to submit a timely response, the surety will have waived the right to respond, and ICE will decline any future bonds submitted for approval that are underwritten by the surety.

(6) After considering any timely response submitted by the Treasury-certified surety to the written notice issued by ICE, ICE will issue a written determination stating whether future bonds issued by the surety will be accepted or declined. This written determination constitutes final agency action. If the written determination concludes that future bonds will be declined from the surety, ICE will decline any future bonds submitted for approval that are underwritten by the surety.

* * * * *

(f) *Appeals of breached bonds issued by Treasury-certified sureties.* (1)

Consistent with section 10(c) of the Administrative Procedure Act, 5 U.S.C. 704, the AAO's decision on appeal of a breach determination constitutes final agency action. The initial breach determination remains inoperative during the administrative appeal period and while an administrative appeal is pending. Dismissal of an appeal is effective upon the date of the AAO decision. Only the granting of a motion to reopen or reconsider makes the decision no longer final.

(2) The failure by a Treasury-certified surety or its bonding agent to exhaust administrative appellate review before the AAO, or the lapse of time to file an appeal to the AAO without filing an appeal to the AAO, constitutes waiver and forfeiture of all claims, defenses, and arguments involving the bond breach determination. A Treasury-certified surety's or its agent's failure to move to reconsider or to reopen a breach decision does not constitute failure to exhaust administrative remedies.

(3) A Treasury-certified surety or its bonding agent must raise all issues and present all facts relied upon in the appeal to the AAO. A Treasury-certified surety's or its agent's failure to timely raise any claim, defense, or argument before the AAO in support of reversal or remand of a breach decision waives and forfeits that claim, defense, or argument.

(4) If a Treasury-certified surety or its bonding agent does not timely file an appeal with the AAO upon receipt of a breach notice, a claim in favor of ICE is created on the bond breach determination, and ICE may seek to collect the amount due on the breached bond.

Claire M. Grady,

Acting Deputy Secretary.

BILLING CODE 9111-28-P

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

14 CFR Part 71

[Docket No. FAA-2018-0322; Airspace Docket No. 18-AEA-12]

RIN 2120-AA66

Proposed Amendment of Class D Airspace and Class E Airspace; Williamsport, PA

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of proposed rulemaking (NPRM).

SUMMARY: This action proposes to amend Class D airspace, Class E surface airspace, Class E airspace designated as an extension to a Class D surface area, and Class E airspace area extending upward from 700 feet or more above the surface at Williamsport Regional Airport (formerly Williamsport-Lycoming County Airport), Williamsport, PA. Airspace reconfiguration is necessary due to the decommissioning of Picture Rocks non-directional radio beacon (NDB), and cancellation of the NDB approaches. This action also removes the Notice to Airmen (NOTAM) part-time language from the legal description of the Class E airspace area designated as an extension at this airport. Controlled airspace is necessary for the safety and management of instrument flight rules (IFR) operations at this airport. This action also would recognize the airport's name change and update the geographic coordinates of the airport and Williamsport Hospital, and would replace the outdated term Airport/Facility Directory with the term Chart Supplement in the legal descriptions of associated Class D and E airspace.

DATES: Comments must be received on or before July 20, 2018.

ADDRESSES: Send comments on this proposal to: U.S. Department of Transportation, Docket Operations, 1200 New Jersey Avenue SE, West Building Ground Floor, Room W12-140, Washington, DC 20590; Telephone: (800) 647-5527, or (202) 366-9826. You must identify the Docket No. FAA-2018-0322; Airspace Docket No. 18-AEA-12, at the beginning of your comments. You may also submit comments through the internet at <http://www.regulations.gov>.

FAA Order 7400.11B, Airspace Designations and Reporting Points, and subsequent amendments can be viewed on line at http://www.faa.gov/air_traffic/publications/. For further information, you can contact the Airspace Policy Group, Federal Aviation Administration, 800 Independence Avenue SW, Washington, DC 20591; telephone: (202) 267-8783. The Order is also available for inspection at the National Archives and Records Administration (NARA). For information on the availability of FAA Order 7400.11B at NARA, call (202) 741-6030, or go to <https://www.archives.gov/federal-register/cfr/ibr-locations.html>.

FAA Order 7400.11, Airspace Designations and Reporting Points, is published yearly and effective on September 15.

SUPPLEMENTARY INFORMATION:

Authority for This Rulemaking

The FAA's authority to issue rules regarding aviation safety is found in Title 49 of the United States Code. Subtitle I, Section 106 describes the authority of the FAA Administrator. Subtitle VII, Aviation Programs, describes in more detail the scope of the agency's authority. This rulemaking is promulgated under the authority described in Subtitle VII, Part A, Subpart I, Section 40103. Under that section, the FAA is charged with prescribing regulations to assign the use of airspace necessary to ensure the safety of aircraft and the efficient use of airspace. This regulation is within the scope of that authority as it would amend Class D and Class E airspace at Williamsport Regional Airport, Williamsport, PA, to support standard instrument approach procedures for IFR operations at this airport.

Comments Invited

Interested persons are invited to comment on this proposed rulemaking by submitting such written data, views, or arguments, as they may desire. Comments that provide the factual basis supporting the views and suggestions presented are particularly helpful in developing reasoned regulatory decisions on the proposal. Comments are specifically invited on the overall regulatory, aeronautical, economic, environmental, and energy-related aspects of the proposal.

Communications should identify both docket numbers (Docket No. FAA-2018-0322 and Airspace Docket No. 18-AEA-12) and be submitted in triplicate to DOT Docket Operations (see **ADDRESSES** section for the address and phone number.) You may also submit comments through the internet at <http://www.regulations.gov>.

Persons wishing the FAA to acknowledge receipt of their comments on this action must submit with those comments a self-addressed stamped postcard on which the following statement is made: "Comments to FAA Docket No. FAA-2018-0322; Airspace Docket No. 18-AEA-12." The postcard will be date/time stamped and returned to the commenter.

All communications received before the specified closing date for comments will be considered before taking action on the proposed rule. The proposal

contained in this document may be changed in light of the comments received. All comments submitted will be available for examination in the public docket both before and after the comment closing date. A report summarizing each substantive public contact with FAA personnel concerned with this rulemaking will be filed in the docket.

Availability of NPRMs

An electronic copy of this document may be downloaded through the internet at <http://www.regulations.gov>. Recently published rulemaking documents can also be accessed through the FAA's web page at http://www.faa.gov/air_traffic/publications/airspace_amendments/.

You may review the public docket containing the proposal, any comments received and any final disposition in person in the Dockets Office (see the **ADDRESSES** section for address and phone number) between 9:00 a.m. and 5:00 p.m., Monday through Friday, except federal holidays. An informal docket may also be examined between 8:00 a.m. and 4:30 p.m., Monday through Friday, except federal holidays at the office of the Eastern Service Center, Federal Aviation Administration, room 350, 1701 Columbia Avenue, College Park, GA 30337.

Availability and Summary of Documents for Incorporation by Reference

This document proposes to amend FAA Order 7400.11B, Airspace Designations and Reporting Points, dated August 3, 2017, and effective September 15, 2017. FAA Order 7400.11B is publicly available as listed in the **ADDRESSES** section of this document. FAA Order 7400.11B lists Class A, B, C, D, and E airspace areas, air traffic service routes, and reporting points.

The Proposal

The FAA is considering an amendment to Title 14, Code of Federal Regulations (14 CFR) part 71 by:

Amending Class D airspace and Class E surface area airspace at Williamsport, PA, by recognizing the airport name change from Williamsport-Lycoming County Airport to Williamsport Regional Airport, and adjusting the geographic coordinates of the airport to be in concert with the FAA's aeronautical database. Also, this action would make an editorial change to the legal descriptions of the airspace areas above replacing "Airport/Facility Directory" with "Chart Supplement";

Amending Class E airspace extending upward from the surface at Williamsport Regional Airport by removing the NOTAM part-time language from the legal description, and adjusting the geographic coordinates and noting the airport name change;

Amending Class E airspace extending upward from 700 feet or more above the surface at Williamsport Regional Airport to within a 12.6-mile radius of the airport, due to the decommissioning of the Picture Rocks NDB, and cancellation of the NDB approach. Also, the geographic coordinates of the airport (as well as the airport name change) and the Williamsport Hospital point in space coordinates would be adjusted to be in concert with the FAA's aeronautical database.

Class D and Class E airspace designations are published in Paragraphs 5000, 6002, 6004, and 6005, respectively, of FAA Order 7400.11B, dated August 3, 2017, and effective September 15, 2017, which is incorporated by reference in 14 CFR 71.1. The Class D and E airspace designations listed in this document will be published subsequently in the Order.

Regulatory Notices and Analyses

The FAA has determined that this proposed regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore: (1) Is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a Regulatory Evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this proposed rule, when promulgated, will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

Environmental Review

This proposal will be subject to an environmental analysis in accordance with FAA Order 1050.1F, "Environmental Impacts: Policies and Procedures" prior to any FAA final regulatory action.

Lists of Subjects in 14 CFR Part 71

Airspace, Incorporation by reference, Navigation (air).

The Proposed Amendment

In consideration of the foregoing, the Federal Aviation Administration proposes to amend 14 CFR part 71 as follows:

PART 71—DESIGNATION OF CLASS A, B, C, D, AND E AIRSPACE AREAS; AIR TRAFFIC SERVICE ROUTES; AND REPORTING POINTS

■ 1. The authority citation for part 71 continues to read as follows:

Authority: 49 U.S.C. 106(f), 106(g); 40103, 40113, 40120; E.O. 10854, 24 FR 9565, 3 CFR, 1959–1963 Comp., p. 389.

§ 71.1 [Amended]

■ 2. The incorporation by reference in 14 CFR 71.1 of Federal Aviation Administration Order 7400.11B, Airspace Designations and Reporting Points, dated August 3, 2017, and effective September 15, 2017, is amended as follows:

Paragraph 5000. Class D Airspace.

* * * * *

AEA PA D Williamsport, PA [Amended]

Williamsport Regional Airport, PA
(Lat. 41°14'30" N, long. 76°55'19" W)

That airspace extending upward from the surface to and including 3,000 feet MSL within a 4.2-mile radius of Williamsport Regional Airport. This Class D airspace area is effective during the specific dates and times established in advance by a Notice to Airmen. The effective date and time will thereafter be continuously published in the Chart Supplement.

Paragraph 6002. Class E Surface Area Airspace.

* * * * *

AEA PA E2 Williamsport, PA [Amended]

Williamsport Regional Airport, PA
(Lat. 41°14'30" N, long. 76°55'19" W)

That airspace extending upward from the surface within a 4.2-mile radius of Williamsport Regional Airport. This Class E airspace area is effective during the specific dates and times established in advance by a Notice to Airmen. The effective date and time will thereafter be continuously published in the Chart Supplement.

Paragraph 6004. Class E Airspace Designated as an Extension to a Class D Surface Area.

* * * * *

AEA PA E4 Williamsport, PA [Amended]

Williamsport Regional Airport, PA
(Lat. 41°14'30" N, long. 76°55'19" W)

That airspace extending upward from the surface from the 4.2-mile radius of Williamsport Regional Airport to a 7-mile radius of the airport extending clockwise from the 270° bearing to the 312° bearing from the airport and within an 11.3-mile radius of the airport, extending clockwise

from the 312° bearing to the 350° bearing from the airport and within an 11.3-mile radius of the airport extending clockwise from the 004° bearing to the 099° bearing from the airport and within 3.5 miles south of the airport east localizer course extending from the 4.2-mile radius of the airport east to the 099° bearing from the airport.

Paragraph 6005. Class E Airspace Areas Extending Upward from 700 feet or More Above the Surface of the Earth.

* * * * *

AEA PA E5 Williamsport, PA [Amended]

Williamsport Regional Airport, PA
(Lat. 41°14'30" N, long. 76°55'19" W)
Williamsport Hospital, Point In Space
Coordinates
(Lat. 41°14'51" N, long. 77°00'55" W)

That airspace extending upward from 700 feet above the surface within a 12.6-mile radius of Williamsport Regional Airport, and that airspace within a 6-mile radius of the point in space (Lat. 41°14'51" N, long. 77°00'55" W) serving Williamsport Hospital.

Issued in College Park, Georgia, on May 24, 2018.

Ryan W. Almasy,

Manager, Operations Support Group, Eastern Service Center, Air Traffic Organization.

[Docket No. FAA–2018–0236; Airspace Docket No. 18–AGL–8]

RIN 2120–AA66

Proposed Amendment of Class D and E Airspace; Eau Claire, WI

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of proposed rulemaking (NPRM).

SUMMARY: This action proposes to amend Class D airspace, Class E airspace designated as a surface area, and Class E airspace extending upward from 700 feet above the surface at Chippewa Valley Regional Airport, Eau Claire, WI. The FAA is proposing this action as a result of an airspace review caused by the decommissioning of the Eau Claire nondirectional radio beacon (NDB)/outer compass locator (LOM). The name and geographic coordinates of the Chippewa Valley Regional Airport and the name of the May Clinic Health System-Eau Claire Heliport would also be updated to coincide with the FAA's aeronautical database.

DATES: Comments must be received on or before July 20, 2018.

ADDRESSES: Send comments on this proposal to the U.S. Department of Transportation, Docket Operations, West Building Ground Floor, Room W12–140, 1200 New Jersey Avenue SE, Washington, DC 20590; telephone (202) 366–9826, or (800) 647–5527. You must identify FAA Docket No. FAA–2018–0236; Airspace Docket No. 18–AGL–8, at the beginning of your comments. You may also submit comments through the internet at <http://www.regulations.gov>. You may review the public docket containing the proposal, any comments received, and any final disposition in person in the Dockets Office between 9:00 a.m. and 5:00 p.m., Monday through Friday, except Federal holidays.

FAA Order 7400.11B, Airspace Designations and Reporting Points, and subsequent amendments can be viewed online at http://www.faa.gov/air_traffic/publications/. For further information, you can contact the Airspace Policy Group, Federal Aviation Administration, 800 Independence Avenue SW, Washington, DC 20591; telephone: (202) 267–8783. The Order is also available for inspection at the National Archives and Records Administration (NARA). For information on the availability of FAA Order 7400.11B at NARA, call (202) 741–6030, or go to <http://www.archives.gov/federal-register/cfr/ibr-locations.html>.

FAA Order 7400.11, Airspace Designations and Reporting Points, is published yearly and effective on September 15.

FOR FURTHER INFORMATION CONTACT: Jeffrey Claypool, Federal Aviation Administration, Operations Support Group, Central Service Center, 10101 Hillwood Parkway, Fort Worth, TX 76177; telephone (817) 222–5711.

SUPPLEMENTARY INFORMATION:

Authority for This Rulemaking

The FAA's authority to issue rules regarding aviation safety is found in Title 49 of the United States Code. Subtitle I, Section 106 describes the authority of the FAA Administrator. Subtitle VII, Aviation Programs, describes in more detail the scope of the agency's authority. This rulemaking is promulgated under the authority described in Subtitle VII, Part A, Subpart I, Section 40103. Under that section, the FAA is charged with prescribing regulations to assign the use of airspace necessary to ensure the safety of aircraft and the efficient use of airspace. This regulation is within the scope of that authority as it would amend amend Class D airspace, Class E airspace designated as a surface area,
