

performance of the functions of the Commission, including whether the information will have a practical use;

- The accuracy of the Commission's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- Ways to enhance the quality, usefulness, and clarity of the information to be collected; and

- Ways to minimize the burden of collection of information on those who are to respond, including through the use of appropriate automated electronic, mechanical, or other technological collection techniques or other forms of information technology; *e.g.*, permitting electronic submission of responses.

Burden Statement: Registered entities must comply with certification and approval requirements which include an explanation and analysis when seeking to implement new products, rules, and rule amendments, including changes to product terms and conditions. The Commission's regulations §§ 40.2, 40.3, 40.5, 40.6 and 40.10 provide procedures for the submission of rules and rule amendments by designated contract markets, swap execution facilities, derivatives clearing organizations, and swap data repositories. They establish the procedures for submitting the "written certification" required by Section 5c of the Act. In connection with a product or rule certification, the registered entity must provide a concise explanation and analysis of the submission and its compliance with statutory provisions of the Act. Accordingly, new rules or rule amendments must be accompanied by concise explanations and analyses of the purposes, operations, and effects of the submissions. This information may be submitted as part of the same submission containing the required "written certification." The Commission estimates the average burden of this collection of information as follows:

- Rules 40.2, 40.3, 40.5, and 40.6

Estimated Number of Respondents: 70.

Annual Responses by each Respondent: 100.

Estimated Hours per Response: 2.

Estimated Total Hours per Year: 14,000.

- Rule 40.10

Estimated Number of Respondents: 3.
Annual Responses by each Respondent: 2.

Estimated Hours per Response: 5.

Estimated Total Hours per Year: 30.

SUPPLEMENTARY INFORMATION: Under the PRA, 44 U.S.C. 3501 *et seq.*, Federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. "Collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA, 44 U.S.C. 3506(c)(2)(A), requires Federal agencies to provide a 60-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, the CFTC is publishing notice of the proposed collection of information listed below. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control numbers for the Commission's regulations were published on December 30, 1981.²

Title: Rules Relating to Regulation of Domestic Exchange-Traded Options, OMB Control Number 3038-0007—Extension.

Abstract: The rules require futures commission merchants and introducing

² 46 FR 63035 (dec. 30, 1981).

brokers: (1) To provide their customers with standard risk disclosure statements concerning the risk of trading commodity interests; and (2) to retain all promotional material and the source of authority for information contained therein. The purpose of these rules is to ensure that customers are advised of the risks of trading commodity interests and to avoid fraud and misrepresentation. This information collection contains the recordkeeping and reporting requirements needed to ensure regulatory compliance with Commission rules relating to this issue. The disclosure and recordkeeping

requirements are necessary to monitor and to verify compliance by futures commission merchants (FCMs) and introducing brokers (IBs) with their obligations concerning disclosure and promotional material.

With respect to the above collection of information, the CFTC invites comments on:

- Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information will have a practical use;
- The accuracy of the Commission's estimate of the burden of the proposed collection of information, including the

validity of the methodology and assumptions used;

- Ways to enhance the quality, usefulness, and clarity of the information to be collected; and
- Ways to minimize the burden of collection of information on those who are to respond, including through the use of appropriate automated electronic, mechanical, or other technological collection techniques or other forms of information technology; e.g., permitting electronic submission of responses.

Burden Statement: The Commission estimates the burden of this collection of information as follows:

ESTIMATED ANNUAL REPORTING BURDEN

Regulation	Estimated number of respondents or record-keepers per year	Reports annually by each respondent	Total annual responses	Estimated average number of hours per response	Estimated total number of hours of annual burden in fiscal year

SUPPLEMENTARY INFORMATION:

I. Funding Opportunity Description

Purpose of Program: The GEAR UP program is a discretionary grant program that encourages eligible entities to provide support, and maintain a commitment, to eligible low-income students, including students with disabilities, to assist the students in obtaining a secondary school diploma (or its recognized equivalent) and to prepare for and succeed in postsecondary education. Under the GEAR UP program, the Department

awards grants to two types of entities: (1) States and (2) partnerships consisting of at least one institution of higher education (IHE) and at least one local educational agency (LEA).

In this notice, the Department invites applications for partnership grants only. We will invite applications for State grants in another notice published in the **Federal Register**. Required services under the GEAR UP program are specified in sections 404D(a) of the Higher Education Act of 1965, as amended (HEA) (20 U.S.C. 1070a-24(a)), and permissible services under the GEAR UP program are specified in section 404D(b) of the HEA (20 U.S.C. 1070a-24(b)). For partnership grantees, activities must include providing financial aid information for postsecondary education, encouraging enrollment in rigorous and challenging coursework in order to reduce the need for remediation at the postsecondary level, implementing activities to improve the number of participating students who obtain a secondary school diploma and who complete applications for and enroll in a program of postsecondary education. Activities may also include mentoring, tutoring, supporting dual or concurrent enrollment programs that support participating students in science, technology, engineering, or mathematics (STEM), academic and career counseling, financial and economic
