

review of these producers and/or exporters of subject merchandise.

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the party that requested the review withdraws its request within 90 days of the publication of the notice of initiation of the requested review. In this case, the petitioner timely withdrew its request by the 90-day deadline, and no other party requested an administrative review of the CVD order. As a result, pursuant to 19 CFR 351.213(d)(1), we are rescinding the administrative review of the CVD order on steel wire garment hangers from Vietnam for the period January 1, 2017, through December 31, 2017, in its entirety.

Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess CVDs on all appropriate entries. Because Commerce is rescinding this administrative review in its entirety, the entries to which this administrative review pertained shall be assessed CVDs at rates equal to the cash deposit of estimated CVDs required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after the publication of this notice in the **Federal Register**.

Notification Regarding Administrative Protective Orders

This notice also serves as a final reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: June 7, 2018.

Preliminary Determination of No Shipments

On July 21, 2017, Yieh Hsing reported that it made no shipments of subject merchandise to the United States during the POR.⁸ To confirm Yieh Hsing's claim of no shipments, Commerce issued an inquiry to CBP, requesting that it review Yieh Hsing's no-shipment claim.⁹ CBP did not report that it had any information to contradict Yieh Hsing's claim of no shipments during the POR.

Given that Yieh Hsing certified that it made no shipments of subject merchandise to the United States during the POR, and there is no information calling its claim into question, we preliminarily determine that Yieh Hsing did not have any reviewable transactions during the POR. Consistent with Commerce's practice, we will not rescind the review with respect to Yieh Hsing but, rather, will complete the review and issue instructions to CBP based on the final results.¹⁰

Preliminary Results of the Review

As a result of this review, we preliminarily determine that the following weighted-average dumping margin exists for the period May 1, 2016, through April 30, 2017:

Producer/exporter	Dumping margin (percent)
Shin Yang Steel Co., Ltd	6.26

Disclosure and Public Comment

Commerce intends to disclose to interested parties the calculations performed in connection with these preliminary results within five days of the date of publication of this notice.¹¹ Interested parties may submit cases briefs no later than 30 days after the date of publication of this notice.¹² Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the due date for filing case briefs.¹³ Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.¹⁴ Case and rebuttal briefs should be filed using ACCESS.¹⁵ In order to be properly filed, ACCESS must successfully receive an electronically filed document in its entirety by 5 p.m. Eastern Time.

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS, within 30 days after the date of publication of this notice.¹⁶ Requests should contain: (1) The party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case and rebuttal briefs.

Unless otherwise extended, Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act.

Assessment Rates

Upon completion of the administrative review, Commerce shall determine, and CBP shall assess, antidumping duties on all appropriate entries in accordance with 19 CFR 351.212(b)(1). We intend to issue instructions to CBP 15 days after the date of publication of the final results of this review.

If the weighted-average dumping margin for Shin Yang is not zero or *de minimis* in the final results, then Commerce will calculate importer-specific assessment rates. Because Shin Yang did not report the entered value of its sales, we will calculate importer-specific per-unit duty assessment rates by aggregating the total amount of dumping calculated for the examined sales of each importer and dividing each of these amounts by the total quantity (*i.e.*, weight) associated with those sales. To determine whether the importer-specific per-unit assessment rates are *de minimis*, in accordance with the requirement set forth in 19 CFR 351.106(c)(2), we will calculate importer-specific *ad valorem* rates based on estimated entered values. Pursuant to 19 CFR 351.106(c)(2), we will instruct CBP to liquidate without regard to antidumping duties all entries for which the importer-specific *ad valorem* rate is zero or *de minimis*.

With respect to Yieh Hsing, if we continue to find that Yieh Hsing had no shipments of subject merchandise in the final results, we will instruct CBP to liquidate any existing entries of merchandise produced by Yieh Hsing, but exported by other parties, at the rate for the intermediate reseller, if available, or at the all-others rate.¹⁷

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for Shin Yang will be equal to the weighted-average dumping margin established in the final results of this review, except if the rate is zero or *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for other manufacturers and

exporters covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which that manufacturer or exporter participated; (3) if the exporter is not a firm covered in this review, a prior review, or the original less-than-fair-value (LTFV) investigation, but the manufacturer is, then the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the manufacturer of subject merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 9.70 percent, the all-others rate in the LTFV investigation.¹⁸ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notifications

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: June 4, 2018.

Gary Taverman,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.
