

actions. It should be noted that the 1997 policy statement was created at a time when electronic communication was much less common than it is today and no longer reflects the current practices of the federal banking agencies in coordinating formal enforcement actions. Importantly, the formal enforcement actions taken by the federal banking agencies are now published on the individual agencies' public websites, making it no longer necessary for the agencies to provide written notice of all such actions to each other. Moreover, the FRB, FDIC, and OCC have adopted a new policy that encourages notification to other interested federal banking agencies at the earliest practicable date and promotes coordination among the FBAs related to formal enforcement actions as appropriate. For the above reasons, the 1997 Policy Statement is being rescinded.

Dated at Washington, DC, this 22nd day of May 2018.

Federal Financial Institutions Examination Council.

Executive Secretary.
