Selection of Lessee

Reclamation will evaluate proposals received in response to this published notice. Proposals will be ranked according to response to the factors described in Fundamental Considerations and Requirements and Proposal Content Guidelines sections of this notice. In general, Reclamation will give more favorable consideration to proposals that (1) are well adapted to

developing, conserving, and utilizing the water resource and protecting natural resources; (2) clearly demonstrate that the offeror is qualified to develop the hydropower facility and provide for long-term operation and maintenance; and (3) best share the economic benefits of the hydropower development among parties to the LOPP. A proposal will be deemed unacceptable if it is inconsistent with Deschutes Project purposes, as determined by Reclamation.

Reclamation will give preference to those entities that qualify as preference entities (as defined under Proposal Content Guidelines, item (a), of this notice) provided that the preference entity is well qualified and their proposal is at least as well adapted to developing, conserving, and utilizing the water and natural resources as other submitted proposals. Preference entities will be allowed 30 days to improve their proposals, if necessary, to be made at least equal to a proposal(s) that may have been submitted by a non-preference entity.

Notice and Time Period To Enter Into LOPP

Reclamation will notify, in writing, all entities submitting proposals of Reclamation's decision regarding selection of the potential lessee. The selected potential lessee will have 15 months from the date of selection of the lessee to sign the preliminary lease, complete the requirements set forth in the preliminary lease, and to sign the LOPP. The lessee will then have up to 3 years from the date of the preliminary lease agreement to the beginning of construction. Maximum timeframes for construction will be determined by the Regional Director. Such timeframes may be adjusted for just cause resulting from actions and/or circumstances that are beyond the control of the lessee.

Dated: March 22, 2018.
