

requirements is available from each FTA regional office.

c. Buy America

The FTA requires that all capital procurements meet FTA's Buy America requirements, which require that all iron, steel, or manufactured products be produced in the U.S. These requirements help create and protect manufacturing jobs in the U.S. The Bus Infrastructure Program will have a significant economic impact toward meeting the objectives of the Buy America law. The FAST Act amended the Buy America requirements to provide for a phased increase in the domestic content for rolling stock. For FY 2018 and FY 2019, the cost of components and subcomponents produced in the United States must be more than 65 percent of the cost of all components. For FY 2020 and beyond, the cost of components and subcomponents produced in the United States must be more than 70 percent of the cost of all components. There is no change to the requirement that final assembly of rolling stock must occur in the United States. FTA issued final guidance on the implementation of the phased increase in domestic content on September 1, 2016. Any proposal that will require a waiver must identify the items for which a waiver will be sought in the application.

d. Disadvantaged Business Enterprise

FTA requires that its recipients receiving planning, capital and/or operating assistance that will award prime contracts exceeding \$250,000 in FTA funds in a Federal fiscal year comply with the Disadvantaged Business Enterprise (DBE) program regulations at 49 CFR part 26. Applicants should expect to include any funds awarded, excluding those to be used for vehicle procurements, in setting their overall DBE goal. Note, however, that projects including vehicle procurements remain subject to the DBE program regulations. The rule requires that, prior to bidding on any FTA-assisted vehicle procurement, entities that manufacture vehicles, perform post-production alterations or retrofitting must submit a DBE Program plan and goal methodology to FTA. Further, to the extent that a vehicle remanufacturer is responding to a solicitation for new or remanufactured vehicles with a vehicle to which the remanufacturer has provided post-production alterations or retro-fitting (e.g., replacing major components such as engine to provide a "like new" vehicle), the vehicle remanufacturer is considered a transit

vehicle manufacturer and must also comply with the DBE regulations.

FTA will then issue a transit vehicle manufacturer (TVM) concurrence/certification letter. Grant recipients must verify each entity's compliance with these requirements before accepting its bid. A list of compliant, certified TVMs is posted on FTA's web page at <https://www.fta.dot.gov/regulations-and-guidance/civil-rights-ada/eligible-tvms-list>. Please note, that this list is nonexclusive and recipients must contact FTA before accepting bids from entities not listed on this web-posting. Recipients may also establish project specific DBE goals for vehicle procurements. The FTA will provide additional guidance as grants are awarded. For more information on DBE requirements, please contact Janelle Hinton, Office of Civil Rights, 202-366-9259, email: janelle.hinton@dot.gov.

e. Planning

FTA encourages proposers to notify the appropriate State Departments of Transportation and MPOs in areas likely to be served by the project funds made available under this program. Selected projects must be incorporated into the long-range plans and transportation improvement programs of states and metropolitan areas before they are eligible for FTA funding.

f. Standard Assurances

By submitting a grant application, the applicant assures that it will comply with all applicable federal statutes, regulations, executive orders, directives, FTA circulars, and other federal administrative requirements in carrying out any project supported by the FTA grant. Further, the applicant acknowledges that it is under a continuing obligation to comply with the terms and conditions of the grant agreement issued for its project with FTA. The applicant understands that Federal laws, regulations, policies, and administrative practices might be modified from time to time and may affect the implementation of the project. The applicant agrees that the most recent Federal requirements will apply to the project, unless FTA issues a written determination otherwise. The applicant must submit the Certifications and Assurances before receiving a grant if it does not have current certifications on file.

g. Reporting

Post-award reporting requirements include the electronic submission of Federal Financial Reports and Milestone Progress Reports in FTA's electronic grants management system.

H. Technical Assistance and Other Program Information

This program is not subject to Executive Order 12372, "Intergovernmental Review of Federal Programs." FTA will consider applications for funding only from eligible recipients for eligible projects listed in Section C. Complete applications must be submitted through GRANTS.GOV by 11:59 p.m. eastern time on August 6, 2018. For assistance with GRANTS.GOV please contact GRANTS.GOV by phone at 1-800-518-4726 or by email at support@grants.gov. Contact information for FTA's regional offices can be found on FTA's website at <https://www.transit.dot.gov/about/regional-offices/regional-offices>.

I. Federal Awarding Agency Contacts

A TDD is available for individuals who are deaf or hard of hearing at 800-877-8339. In addition, FTA will post answers to questions and requests for clarifications on FTA's website at <http://transit.dot.gov/busprogram>. FTA staff will also conduct a webinar for potential applicants to learn more about the program and submittal process. To ensure applicants receive accurate information about eligibility or the program, applicants are encouraged to contact FTA directly, rather than through intermediaries or third parties, with questions.
