SUPPLEMENTARY INFORMATION:

I. Background and Purpose of the Proposed New Routine Uses

Social Security’s representative payee program provides financial management for Social Security beneficiaries and Supplemental Security Income (SSI) recipients who are incapable of managing their benefits or payments. The representative payee’s primary responsibility is to use the beneficiary’s benefits or recipient’s payments for current and foreseeable needs. Historically, representative payees have submitted annual accounting forms to account for the Social Security benefits or SSI payments received. In addition to the annual accounting form, we select some representative payees for additional review. This type of oversight provides a more in depth review to ensure that the representative payee is meeting his or her representative payee

obligations and managing the benefits or payments in the best interest of the beneficiary or recipient that he or she is serving.

The Strengthening Protections for Social Security Beneficiaries Act of 2018 (H.R. 4547, Pub. L. 115–165, hereafter referred to as Pub. L. 115–165) directs SSA to make annual grants to the protection and advocacy (P&A) system serving each of the States and the American Indian Consortium, for the purpose of conducting representative payee reviews for SSA. In addition, SSA will make annual grants to an eligible national association for the provision of training and technical assistance, administrative support, and data collection services to those P&A systems. Prior to the enactment of Public Law 115–165, SSA conducted

representative payee oversight and monitoring activities with the support of contractors. We are proposing two new routine uses, which will permit SSA to disclose information from the systems of records listed below to additional entities, including the grantees discussed above, for the purpose of conducting representative payee reviews and providing training, administrative oversight, technical assistance, and other support for the representative payee review program.

II. Proposed New Routine Uses

The Privacy Act requires that agencies publish a notice in the **Federal Register** of “each routine use of the records contained in the system, including the categories of users and the purpose of such use.” 5 U.S.C. 552a(e)(4)(D). We

have developed the following new routine uses that will allow us to disclose information to additional entities in support of our representative payee program:

- To agencies or entities who have a written agreement with SSA, to perform representative payee reviews for SSA and to provide training, administrative oversight, technical assistance, and other support for those reviews; and
- To state protection and advocacy systems, that have a written agreement with SSA to conduct reviews of representative payees, for the purpose of conducting additional reviews that the protection and advocacy systems have reason to believe are warranted.

We will include the new routine uses in the following systems of records:

System No. and name	New routine use	Federal Register citation No./publication date
60–0058—Master Files of Social Security Number Holders and SSN Applications	No. 47 & 48 ...	75 FR 82121, 12/29/10. 78 FR 40542, 07/05/13. 79 FR 78780, 02/13/14.

We are not republishing in their entirety the SORNs to which we are adding the proposed new routine uses. Instead, we are republishing only the identification number, name of the SORN, the numbers of the new routine uses, and the issue of the **Federal Register** in which the SORN was last published, including the publication date and number.

In accordance with 5 U.S.C. 552a(r), we have provided a report to OMB and Congress on these modified systems of records.
