DEPARTMENT OF COMMERCE**Foreign-Trade Zones Board****[B-43-2018]****Foreign-Trade Zone (FTZ) 21—
Charleston, South Carolina;
Notification of Proposed Production
Activity; AGRU America Charleston,
LLC (Polyethylene Fittings and
Floaters); North Charleston, South
Carolina**

AGRU America Charleston, LLC (AGRU America) submitted a notification of proposed production activity to the FTZ Board for its facility in North Charleston, South Carolina. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on June 27, 2018.

AGRU America already has authority to produce high density polyethylene pipe within Site 38 of FTZ 21. The current request would add two finished

products and two foreign status materials/components to the scope of authority. Pursuant to 15 CFR 400.14(b), additional FTZ authority would be limited to the specific foreign-status materials/components and specific finished products described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt AGRU America from customs duty payments on the foreign-status materials/components used in export production. On its domestic sales, for the foreign-status materials/components noted below and in the existing scope of authority, AGRU America would be able to choose the duty rates during customs entry procedures that apply to polyethylene fittings, and polyethylene floaters (duty rate 5.3%). AGRU America would be able to avoid duty on foreign-status components which become scrap/waste. Customs duties also could possibly be deferred or reduced on foreign-status production equipment.

The materials/components sourced from abroad include rigid polyethylene pipes and ethylene propylene diene monomers (EPDM) (duty rate ranges from 2.5% to 3.1%).

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is August 20, 2018.

A copy of the notification will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230-0002, and in the "Reading Room" section of the Board's website, which is accessible via www.trade.gov/ftz.

Disclosure and Public Comment

Commerce intends to disclose to the parties to the proceeding any calculations performed in connection with these preliminary results within five days of the date of publication of this notice.⁴ Interested parties may submit case briefs to Commerce in response to these preliminary results no later than 30 days after the publication of this notice.⁵ Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than five days after the

time limit for filing case briefs.⁶ Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.⁷ Case and rebuttal briefs should be filed using ACCESS.⁸ In order to be properly filed, ACCESS must successfully receive an electronically-filed document in its entirety by 5 p.m. Eastern Time on the established deadline.

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS, within 30 days after the date of publication of this notice. Requests should contain: (1) The party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case and rebuttal briefs. If a request for a hearing is made, Commerce intends to hold the hearing at the U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230, at a date and time to be determined.

Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of this notice, unless extended, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h).

Assessment Rates

Upon issuance of the final results in this administrative review, Commerce shall determine, and Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries in accordance with 19 CFR 351.212(b)(1). If Ercro's weighted-average dumping margin is not zero or *de minimis* (i.e., less than 0.5 percent) in the final results of this review, we will calculate importer- or customer-specific *ad valorem* assessment rates based on the ratio of the total amount of dumping calculated for the importer/customer's examined sales and the total entered value of the sales in accordance with 19 CFR 351.212(b)(1). We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate calculated in the final results of this review is above

de minimis. Where the respondent's weighted-average dumping margin is zero or *de minimis*, or an importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.

For entries of subject merchandise during the POR produced by the respondent for which it did not know that its merchandise was destined for the United States, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.

We intend to issue instructions to CBP 15 days after the date of publication of the final results of this review.

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review, as provided for by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for the company under review will be the rate established in the final results of this review, except, if the rate is zero or *de minimis* (i.e., less than 0.5 percent), no cash deposit will be required; (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair-value investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters is 24.83 percent, the all-others rate established in the investigation.⁹ These cash deposit requirements, when imposed, shall remain in effect until further notice.

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) is rescinding the administrative review of the antidumping duty (AD) order on certain frozen warmwater shrimp (shrimp) from the People's Republic of China (China) for the period of review (POR) February 1, 2017, through January 31, 2018.

SUPPLEMENTARY INFORMATION:

Background

On February 1, 2018, Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of the AD order on shrimp from China for the period February 1, 2017, through January 31, 2018.¹ On February 22, 2018, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(b), the Ad Hoc Shrimp Trade Action Committee (the petitioner) timely requested a review of the AD order with respect to 55 companies.² On February 27, 2018, the American Shrimp Processors Association (Domestic Processors) requested a review of the AD order with respect to 93 companies.³ On April 16, 2018, in accordance with section 751(a) of the Act and 19 CFR 351.221(c)(1)(i), Commerce initiated an administrative review of the AD order on shrimp from China with respect to these companies.⁴ On June 4, 2018, the petitioner timely withdrew its request for an administrative review of 55 companies listed in the *Initiation Notice*.⁵ On June 5, 2018, Domestic Processors partially withdrew their request for an administrative review with respect to Fuqing Dongwei Aquatic Products Ind.⁶ On June 15, 2018, Domestic Processors timely withdrew their request for an administrative review with respect to all of the remaining companies listed in the *Initiation Notice*.⁷ No other party requested a review.

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the party that requested the review withdraws its request within 90 days of the publication date of the notice of initiation of the requested review. The petitioner and Domestic Processors withdrew their requests for review within the 90-day deadline. Because Commerce received no other requests for review of the above-referenced companies, and no other requests were made for a review of the AD order on shrimp from China with respect to other companies, we are rescinding the administrative review covering the period February 1, 2017, through January 31, 2018, in full, in accordance with 19 CFR 351.213(d)(1).

Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries of shrimp from China during the POR at rates equal to the cash deposit rate for estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after publication of this notice in the **Federal Register**.

Notification to Importers

This notice serves as the only reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as the only reminder to parties subject to administrative protective orders (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business
