

submissions and access the E-Filing system for any proceeding in which it is participating; and (2) advise the Secretary that the participant will be submitting a petition or other adjudicatory document (even in instances in which the participant, or its counsel or representative, already holds an NRC-issued digital ID certificate). Based upon this information, the Secretary will establish an electronic docket for the hearing in this proceeding if the Secretary has not already established an electronic docket.

Information about applying for a digital ID certificate is available on the NRC's public website at <http://www.nrc.gov/site-help/e-submittals/getting-started.html>. Once a participant has obtained a digital ID certificate and a docket has been created, the participant can then submit adjudicatory documents. Submissions must be in Portable Document Format (PDF). Additional guidance on PDF submissions is available on the NRC's public website at <http://www.nrc.gov/site-help/electronic-sub-ref-mat.html>. A filing is considered complete at the time the document is submitted through the NRC's E-Filing system. To be timely, an electronic filing must be submitted to the E-Filing system no later than 11:59 p.m. Eastern Time on the due date. Upon receipt of a transmission, the E-Filing system time-stamps the document and sends the submitter an email notice confirming receipt of the document. The E-Filing system also distributes an email notice that provides access to the document to the NRC's Office of the General Counsel and any others who have advised the Office of the Secretary that they wish to participate in the proceeding, so that the filer need not serve the document on those participants separately. Therefore, applicants and other participants (or their counsel or representative) must apply for and receive a digital ID certificate before adjudicatory documents are filed so that they can obtain access to the documents via the E-Filing system.

A person filing electronically using the NRC's adjudicatory E-Filing system may seek assistance by contacting the NRC's Electronic Filing Help Desk through the "Contact Us" link located on the NRC's public website at <http://www.nrc.gov/site-help/e-submittals.html>, by email to MSHD.Resource@nrc.gov, or by a toll-free call at 1-866-672-7640. The NRC Electronic Filing Help Desk is available between 9 a.m. and 6 p.m., Eastern Time, Monday through Friday, excluding government holidays.

Participants who believe that they have a good cause for not submitting documents electronically must file an exemption request, in accordance with 10 CFR 2.302(g), with their initial paper filing stating why there is good cause for not filing electronically and requesting authorization to continue to submit documents in paper format. Such filings must be submitted by: (1) First class mail addressed to the Office of the Secretary of the Commission, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001, Attention: Rulemaking and Adjudications Staff; or (2) courier, express mail, or expedited delivery service to the Office of the Secretary, 11555 Rockville Pike, Rockville, Maryland 20852, Attention: Rulemaking and Adjudications Staff. Participants filing adjudicatory documents in this manner are responsible for serving the document on all other participants. Filing is considered complete by first-class mail as of the time of deposit in the mail, or by courier, express mail, or expedited delivery service upon depositing the document with the provider of the service. A presiding officer, having granted an exemption request from using E-Filing, may require a participant or party to use E-Filing if the presiding officer subsequently determines that the reason for granting the exemption from use of E-Filing no longer exists.

Documents submitted in adjudicatory proceedings will appear in the NRC's electronic hearing docket which is available to the public at <https://adams.nrc.gov/ehd>, unless excluded pursuant to an order of the Commission or the presiding officer. If you do not have an NRC-issued digital ID certificate as described above, click cancel when the link requests certificates and you will be automatically directed to the NRC's electronic hearing dockets where you will be able to access any publicly available documents in a particular hearing docket. Participants are requested not to include personal privacy information, such as social security numbers, home addresses, or personal phone numbers in their filings, unless an NRC regulation or other law requires submission of such information. For example, in some instances, individuals provide home addresses in order to demonstrate proximity to a facility or site. With respect to copyrighted works, except for limited excerpts that serve the purpose of the adjudicatory filings and would constitute a Fair Use application, participants are requested not to include copyrighted materials in their submission.

[Release No. 34-83618; File No. SR-NASDAQ-2018-050]

Self-Regulatory Organizations; The Nasdaq Stock Market LLC; Notice of Filing of Proposed Rule Change Relating to the First Trust Senior Loan Fund of First Trust Exchange Traded Fund IV

July 11, 2018.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on June 27, 2018, The Nasdaq Stock Market LLC

(“Nasdaq” or “Exchange”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

[sic] Exchange’s proposed rule change relating to the First Trust Senior Loan Fund (the “Fund”) of First Trust Exchange-Traded Fund IV (the “Trust”), the shares of which have been approved by the Commission for listing and trading under Nasdaq Rule 5735 (“Managed Fund Shares”). The shares of the Fund are collectively referred to herein as the “Shares.”

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Commission has approved the listing and trading of Shares under Nasdaq Rule 5735, which governs the listing and trading of Managed Fund Shares on the Exchange.³ The Exchange believes the proposed rule change reflects no significant issues not previously addressed in the Prior Release.

The Fund is an actively-managed exchange-traded fund (“ETF”). The Shares are offered by the Trust, which was established as a Massachusetts

business trust on September 15, 2010. The Trust, which is registered with the Commission as an investment company under the Investment Company Act of 1940 (the “1940 Act”), has filed a registration statement on Form N-1A (“Registration Statement”) relating to the Fund with the Commission.⁴ The Fund is a series of the Trust. The Adviser is the investment adviser to the Fund. First Trust Portfolios L.P. is the principal underwriter and distributor of the Fund’s Shares. The Bank of New York Mellon acts as the administrator, custodian and fund accounting and transfer agent to the Fund.

(1) Introduction

The purpose of this proposed rule change is to modify certain provisions set forth in the Prior Notice pertaining to (1) the meaning of the term “under normal market conditions”; (2) the Fund’s investments in Senior Loans⁵ and other debt, including, in particular, its investments in Senior Loans and other floating rate loans that are in default; and (3) the Fund’s ability to retain various instruments that, although not specifically selected by the Adviser, may be received by the Fund under certain circumstances.

It is important to note that notwithstanding the proposed changes, consistent with the Prior Notice, it is anticipated that the Fund, in accordance with its principal investment strategy, would continue to invest approximately 50% to 75% of its net assets in Senior Loans that are eligible for inclusion in and meet the liquidity thresholds of the S&P/LSTA U.S. Leveraged Loan 100 Index (the “Primary Index”) and/or the Markit iBoxx USD Liquid Leveraged Loan Index (the “Secondary Index”⁶). Brief descriptions of the eligibility criteria (including those relating to

⁴ See Post-Effective Amendment No. 150 to Registration Statement on Form N-1A for the Trust, dated February 28, 2018 (File Nos. 333-174332 and 811-22559). The descriptions of the Fund and the Shares contained herein are based, in part, on information in the Registration Statement, as amended. First Trust Advisors L.P. (the “Adviser”) represents that the Adviser will not implement the changes described herein until the instant proposed rule change is operative.

⁵ For purposes of this filing, consistent with the description included in the Prior Notice, the Adviser considers “Senior Loans” to be first lien senior secured floating rate bank loans.

⁶ As a conforming change, the reference to the index that was defined as the Secondary Index in the Prior Notice has been updated to include “Liquid” in the name, which is consistent with footnote 9 (and accompanying text) of this filing and footnote 34 (and accompanying text) of the Prior Notice.
