44 CFR Part 64

[Docket ID FEMA–2018–0002: Internal
 Agency Docket No. FEMA–8539]

Suspension of Community Eligibility

AGENCY: Federal Emergency
 Management Agency, DHS.

ACTION: Final rule.

SUMMARY: This rule identifies
 communities where the sale of flood
 insurance has been authorized under
 the National Flood Insurance Program
 (NFIP) that are scheduled for
 suspension on the effective dates listed
 within this rule because of
 noncompliance with the floodplain
 management requirements of the
 program. If the Federal Emergency
 Management Agency (FEMA) receives
 documentation that the community has
 adopted the required floodplain
 management measures prior to the
 effective suspension date given in this
 rule, the suspension will not occur and
 a notice of this will be provided by
 publication in the **Federal Register** on a
 subsequent date. Also, information
 identifying the current participation
 status of a community can be obtained
 from FEMA’s Community Status Book
 (CSB). The CSB is available at [https://
 www.fema.gov/national-flood-
 insurance-program-community-status-
 book](https://www.fema.gov/national-flood-insurance-program-community-status-book).

DATES: The effective date of each
 community’s scheduled suspension is
 the third date (“Susp.”) listed in the
 third column of the following tables.

FOR FURTHER INFORMATION CONTACT: If
 you want to determine whether a
 particular community was suspended
 on the suspension date or for further
 information, contact Adrienne L.
 Sheldon, PE, CFM, Federal Insurance
 and Mitigation Administration, Federal
 Emergency Management Agency, 400 C
 Street SW, Washington, DC 20472, (202)
 212–3966.

SUPPLEMENTARY INFORMATION: The NFIP
 enables property owners to purchase
 Federal flood insurance that is not
 otherwise generally available from
 private insurers. In return, communities
 agree to adopt and administer local
 floodplain management measures aimed
 at protecting lives and new construction
 from future flooding. Section 1315 of
 the National Flood Insurance Act of
 1968, as amended, 42 U.S.C. 4022,
 prohibits the sale of NFIP flood
 insurance unless an appropriate public
 body adopts adequate floodplain
 management measures with effective
 enforcement measures. The
 communities listed in this document no
 longer meet that statutory requirement
 for compliance with program
 regulations, 44 CFR part 59.
 Accordingly, the communities will be
 suspended on the effective date in the
 third column. As of that date, flood
 insurance will no longer be available in
 the community. We recognize that some
 of these communities may adopt and
 submit the required documentation of
 legally enforceable floodplain

management measures after this rule is
 published but prior to the actual
 suspension date. These communities
 will not be suspended and will continue
 to be eligible for the sale of NFIP flood
 insurance. A notice withdrawing the
 suspension of such communities will be
 published in the **Federal Register**.

In addition, FEMA publishes a Flood
 Insurance Rate Map (FIRM) that
 identifies the Special Flood Hazard
 Areas (SFHAs) in these communities.
 The date of the FIRM, if one has been
 published, is indicated in the fourth
 column of the table. No direct Federal
 financial assistance (except assistance
 pursuant to the Robert T. Stafford
 Disaster Relief and Emergency
 Assistance Act not in connection with a
 flood) may be provided for construction
 or acquisition of buildings in identified
 SFHAs for communities not
 participating in the NFIP and identified
 for more than a year on FEMA’s initial
 FIRM for the community as having
 flood-prone areas (section 202(a) of the
 Flood Disaster Protection Act of 1973,
 42 U.S.C. 4106(a), as amended). This
 prohibition against certain types of
 Federal assistance becomes effective for
 the communities listed on the date
 shown in the last column. The
 Administrator finds that notice and
 public comment procedures under 5
 U.S.C. 553(b), are impracticable and
 unnecessary because communities listed
 in this final rule have been adequately
 notified.

Each community receives 6-month,
 90-day, and 30-day notification letters
 addressed to the Chief Executive Officer
 stating that the community will be
 suspended unless the required
 floodplain management measures are
 met prior to the effective suspension
 date. Since these notifications were
 made, this final rule may take effect
 within less than 30 days.

National Environmental Policy Act.
 FEMA has determined that the
 community suspension(s) included in
 this rule is a non-discretionary action
 and therefore the National
 Environmental Policy Act of 1969 (42
 U.S.C. 4321 *et seq.*) does not apply.

Regulatory Flexibility Act. The
 Administrator has determined that this
 rule is exempt from the requirements of
 the Regulatory Flexibility Act because
 the National Flood Insurance Act of
 1968, as amended, Section 1315, 42
 U.S.C. 4022, prohibits flood insurance
 coverage unless an appropriate public
 body adopts adequate floodplain
 management measures with effective
 enforcement measures. The
 communities listed no longer comply
 with the statutory requirements, and
 after the effective date, flood insurance

will no longer be available in the communities unless remedial action takes place.

Regulatory Classification. This final rule is not a significant regulatory action under the criteria of section 3(f) of Executive Order 12866 of September 30, 1993, Regulatory Planning and Review, 58 FR 51735.

Executive Order 13132, Federalism. This rule involves no policies that have federalism implications under Executive Order 13132.

Executive Order 12988, Civil Justice Reform. This rule meets the applicable standards of Executive Order 12988.

Paperwork Reduction Act. This rule does not involve any collection of information for purposes of the Paperwork Reduction Act, 44 U.S.C. 3501 *et seq.*
