SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

A. Overview of Information Collection

Title of Information Collection: Voucher Management System (VMS), Section 8 Budget and Financial Forms.

OMB Approval Number: 2577-0282.
Type of Request: Reinstatement, without change, of a previously approved collection.

Form Number: Financial Forms: HUD-52672, 52681, 52681-B, 52663 and 52673. Originally, the HCV Financials were included in OMB Collection 2577-0169. Regulatory References 982.157 and 982.158. PHAs that administer the HCV program are required to maintain financial reports in accordance with accepted accounting standards in order to permit timely and effective audits. The HUD-52672 (Supporting Data for Annual Contributions Estimates Section 8 Housing Assistance Payments Program) and 52681 (Voucher for Payment of Annual Contributions and Operating Statement Housing Assistance Payments Program) financial records identify the amount of annual contributions that are received and disbursed by the PHA and are used by PHAs that administer the five-year Mainstream Program, MOD Rehab, and Single Room Occupancy.

Form HUD-52663 (Suggested Format for Requisition for Partial Payment of Annual Contributions Section 8 Housing Assistance Payments Program) provides for PHAs to indicate requested funds and monthly amounts. Form HUD-52673 (Estimate of Total Required Annual Contributions Section 8 Housing Assistance Payments Program) allows PHAs to estimate their total required annual contributions. The required financial statements are similar to those prepared by any responsible business or organization.

The automated form HUD-52681-B (Voucher for Payment of Annual Contributions and Operating Statement Housing Assistance Payments Program Supplemental Reporting Form) is entered by the PHA into the Voucher Management System (VMS) on a monthly basis during each calendar year to track leasing and HAP expenses by voucher category, as well as data concerning fraud recovery, Family Self-Sufficiency escrow accounts, PHA-held equity, etc. The inclusion, change, and deletion of the fields mentioned below will improve the allocation of funds and allow the PHAs and the Department to realize a more complete picture of the PHAs' resources and program activities, promote financial accountability, and improve the PHAs' ability to provide assistance to as many households as possible while maximizing budgets. In addition, the fields will be crucial to the identification of actual or incipient financial problems that will ultimately affect funding for program participants.

The automated form HUD-52681-B is also utilized by the same programs as the manual forms.

Description of the need for the information and proposed use: The Voucher Management System (VMS) supports the information management needs of the Housing Choice Voucher (HCV) Program and management functions performed by the Financial Management Center (FMC) and the Financial Management Division (FMD) of the Office of Public and Indian Housing and the Real Estate Assessment Center (PIH-REAC). This system's primary purpose is to provide a central system to monitor and manage the Public Housing Agency (PHAs) use of vouchers and expenditure of program funds, and is the base for budget formulation and budget implementation. The VMS collects PHAs' actual cost data that enables HUD to perform and control cash management activities; the costs reported are the base for quarterly HAP and Fee obligations and advance disbursements in a timely manner, and reconciliations for overages and shortages on a quarterly basis.

Respondents (i.e., affected public): Public Housing Authorities.

Estimated Number of Respondents: 3,110.

Estimated Number of Responses: 28,960.
