II. Background Information and Regulatory History

On June 26, 2018 the Coast Guard published a Notice of Proposed Rulemaking (NPRM) titled USA Triathlon Age Group National Championships; Lake Erie, Cleveland, OH (83 FR 29721). There we stated why we issued the NPRM, and invited comments on our proposed regulatory action related to this swim event. During the comment period that ended July 26, 2018 we received no comments.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register** because doing so would be impracticable and contrary to the public interest. Delaying the effective date would be contrary to the rule's objectives of ensuring safety of life on the navigable waters and protection of persons and vessels near the event.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 33 U.S.C. 1231. The Captain of the Port Buffalo (COTP) has determined that a large-scale swim event on a navigable waterway will pose a significant risk to participants and the boating public. This rule is necessary to protect participants and spectators during the USA Triathlon Age Group National Championships.

IV. Discussion of Comments, Changes, and The Rule

As noted above, we received no comments on our NPRM published June 26, 2018. There are no changes in the regulatory text of this rule from the proposed rule in the NPRM.

This rule establishes a safety zone from 10:00 a.m. to 1:30 p.m. on August 10, 2018, from 5:00 a.m. to 5:30 p.m. on August 11, 2018, and from 5:00 a.m. to 12:00 p.m. on August 12, 2018. The safety zone will cover all navigable waters of Lake Erie, off of Edgewater Park, Cleveland OH, inside an area starting on shore at position 41°29'16" N, 081°44'49" W then Northwest to 41°29'34" N, 081°45'02" W then Northeast to 41°29'43" N, 081°44'31" W then Southeast back to shore at position 41°29'28" N, 081°44'22" (NAD 83). The duration of the zone is intended to enhance the safety of vessels and swimmers on these navigable waters before, during, and after the scheduled events over the course of the three days.

No vessel or person will be permitted to enter the safety zone without obtaining permission from the COTP or a designated representative. The Captain
