SUPPLEMENTARY INFORMATION: This notice informs the public that the FirstNet Authority Board and Board Committees will convene a combined meeting open to the public via teleconference and WebEx only on August 13, 2018.

Background: The Middle Class Tax Relief and Job Creation Act of 2012 (47 U.S.C. 1401 *et seq.*) ("the Act") established the FirstNet Authority as an independent authority within the National Telecommunications and Information Administration that is headed by a Board. The Act directs the FirstNet Authority to ensure the building, deployment, and operation of a nationwide, interoperable public safety broadband network. The FirstNet Authority Board is responsible for making strategic decisions regarding the FirstNet Authority's operations. The FirstNet Authority Board held its first public meeting on September 25, 2012.

Matters to be Considered: The FirstNet Authority will post a detailed agenda for the combined meeting of the Board Committees and FirstNet Authority Board meeting on its website, <http://www.firstnet.gov>, prior to the meetings. The agenda topics are subject to change. Please note that the subjects that will be discussed by the Board Committees and the FirstNet Authority Board may involve commercial or financial information that is privileged or confidential or other legal matters affecting the FirstNet Authority. As such, the Board Committee Chairs and

Board Chair may call for a vote to close the meetings only for the time necessary to preserve the confidentiality of such information, pursuant to 47 U.S.C. 1424(e)(2).

Times and Dates of Meeting: A combined meeting of the FirstNet Authority Board and Board Committees will be held on August 13, 2018, between 11:00 a.m. and 12:00 p.m., Eastern Daylight Time (EDT). The meeting of the FirstNet Authority Board and Board Committees will be open to the public via teleconference and WebEx from 11:00 a.m. to 12:00 p.m. EDT. The times listed above are subject to change. Please refer to FirstNet's website at www.firstnet.gov for the most up-to-date information.

Place: The combined meeting of the FirstNet Authority Board and Board Committees will be conducted via teleconference and WebEx.

Other Information: The combined meeting of the FirstNet Authority Board and Board Committees is open to the public via teleconference and WebEx only. Emerging Technology Technical Advisory Committee (ETTAC); Notice of Recruitment of Private-Sector Members

The Bureau of Industry and Security (BIS) is announcing a recruitment for new candidates to serve on the Emerging Technology Technical Advisory Committee (ETTAC) to advise the Department of Commerce and other agency officials on emerging technologies with potential dual-use applications. This advice will include: (a) The identification of such technologies as early as possible in their developmental stages both within the United States and abroad; (b) assessing and providing information on emerging technologies, potential "chokepoint technologies" (for example, technologies that, if developed by an adversary prior to development by the United States, could present grave threats to United States national and/or economic security) and trends in technologies of particular interest to BIS; (c) assessing the potential impact of the Export Administration Regulations (EAR) on research activities, including technical and policy issues relating to controls under the EAR, revisions of the Commerce Control List, including proposed revisions of multilateral controls in which the United States participates, and the issuance of regulations; and (d) any other matters relating to actions designed to carry out the policy set forth in Section 3(2)(A) of the Export Administration Act of 1979 as well as the directives contained in Section 1758 of H.R. 5515, the John S. McCain National Defense Authorization Act for Fiscal Year 2019. In its work, the Committee will be forward leaning—focusing both on the current state of emerging technologies and projecting their likely effects five to ten years in the future on national security, the U.S. defense industrial base, and the overall health and competitiveness of the U.S. economy.

The ETTAC will consist of experts drawn from academia, industry, federal laboratories, and pertinent U.S. Government departments and agencies who are engaged in developing and

producing cutting edge technology in areas key to maintaining a U.S. forward leaning presence in the world economy. ETTAC members are appointed by the Secretary of Commerce and serve terms of two years, and may not serve more than four consecutive years. The membership term limit reflects the Department's commitment to attaining balance and diversity. As a general rule members will be highly ranked, accomplished and recognized leaders, engineers, and scientists working in their disciplines as researchers and/or program managers. All members must be able to qualify for a Secret security clearance or a security clearance at a level sufficient to perform their work for the committee. The ETTAC will also reach out to other government and non-government experts to ensure a broad and thorough review of the issues. The ETTAC meets approximately four times per year. Members of the Committee will not be compensated for their services.

To respond to this recruitment notice, please send a copy of your resume to Ms. Yvette Springer at Yvette.Springer@bis.doc.gov.

Deadline: This Notice of Recruitment will close 30 days from its date of publication in the **Federal Register**.

Yvette Springer,

Committee Liaison Officer.
