selection of respondents for individual examination.⁴

On November 20, 2017, Commerce determined to limit the number of companies subject to individual examination in this administrative review, and selected Jindal Poly Films Ltd. (India) (Jindal) and SRF Limited of India (SRF) as mandatory respondents.⁵

We issued our initial questionnaires to Jindal and SRF on November 24, 2017, and November 27, 2017, respectively. The deadline for withdrawal requests was December 12, 2017.⁶ All review requests were timely withdrawn for two companies, MTZ and Uflex.

On January 23, 2018, Commerce issued a memorandum tolling all deadlines for this investigation by three days due to the shutdown of the federal government.⁷ On March 22, 2018, in accordance with section 751(a)(3)(A) of the Act, and 19 CFR 351.213(h)(2), Commerce extended the due date for the preliminary results by an additional 60 days, from April 5, 2018, to June 4, 2018.⁸ On June 1, 2018, in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2), Commerce extended the due date for the preliminary results by an additional 60 days. The current deadline is August 3, 2018.⁹

Scope of the Order

The products covered by this order are all gauges of raw, pretreated, or primed polyethylene terephthalate film, sheet and strip, whether extruded or

coextruded. Excluded are metallized films and other finished films that have had at least one of their surfaces modified by the application of a performance-enhancing resinous or inorganic layer of more than 0.00001 inches thick. Imports of PET film are classifiable in the Harmonized Tariff Schedule of the United States (HTSUS) under item number 3920.62.00.90. HTSUS subheadings are provided for convenience and customs purposes. The written description of the scope of the order is dispositive.

Partial Rescission of Administrative Review

Commerce initiated a review of ten companies in this proceeding.¹⁰ We are rescinding this administrative review with respect to MTZ and Uflex, pursuant to 19 CFR 351.213(d)(1), because all review request of these companies were timely withdrawn.¹¹ Accordingly, the companies that remain subject to the instant review are: Chiripal; Ester; Garware; Jindal; Polyplex, SRF; and Vacmet India Limited.

Methodology

Commerce is conducting this review in accordance with section 751(a)(2) of the Act. Export price is calculated in accordance with section 772 of the Act. Normal value is calculated in accordance with section 773 of the Act.

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. A list of topics included in the Preliminary Decision Memorandum is included as an Appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov> and is available to all parties in the Central Records Unit in room B8024 of the main Commerce building. Companies Not Selected for Individual Review

In accordance with section 735(c)(5) of the Tariff Act of 1930, as amended (the Act), we preliminarily assign to those companies not selected for individual review the rate calculated for Jindal in this review, because SRF's rate is *de minimis*.¹²

Preliminary Results of Review

As a result of this review, we preliminarily determine the following weighted-average dumping margins for the period July 1, 2016, through June 30, 2017.

Manufacturer/exporter	Weighted-average margin (percent)
Jindal Poly Films Ltd. (India) ¹³	5.50
SRF Limited of India	0.00
Garware Polyester Ltd	5.50
Chiripal Poly Films Limited ...	5.50
Polyplex Corporation Ltd	5.50
Ester Industries Limited	5.50
Vacmet India Limited	5.50

to the Acting Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. An electronically filed document must be received successfully in its entirety by Commerce's electronic records system, ACCESS, by 5 p.m. Eastern Time within 30 days after the date of publication of this notice. Requests should contain: (1) The party's name, address and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case briefs. Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of this notice, unless extended, pursuant to section 751(a)(3)(A) of the Act.

Assessment Rates

Upon completion of this administrative review, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries. If a respondent's weighted-average dumping margin is not zero or *de minimis* (i.e., less than 0.5 percent) in the final results of this review, we will calculate importer-specific *ad valorem* assessment rates on the basis of the ratio of the total amount of dumping calculated for an importer's examined sales and the total entered value of such sales in accordance with 19 CFR 351.212(b)(1). Where either the respondent's weighted-average dumping margin is zero or *de minimis* within the meaning of 19 CFR 351.106(c), or an importer-specific rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

Commerce clarified its "automatic assessment" regulation on May 6, 2003.¹⁶ This clarification applies to entries of subject merchandise during the POR produced by a respondent for which it did not know its merchandise was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.

We intend to issue instructions to CBP 15 days after publication of the final results of this review.

¹⁶ For a full discussion of this clarification, see *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003) (*Assessment Policy Notice*).

Assessment and Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of PET film from India entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review, as provided for by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for the company under review will be the rate established in the final results of this review (except, if the rate is zero or *de minimis*, no cash deposit will be required); (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair-value investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters is 5.71 percent.¹⁷ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Interested Parties

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213(h)(1).

Dated: August 3, 2018.

Christian Marsh,

Deputy Assistant Secretary for Enforcement and Compliance.
