47 CFR Part 1

[WT Docket No. 17–79; Report No. 3099]

Petitions for Reconsideration of Action in Rulemaking Proceeding

AGENCY: Federal Communications Commission.

ACTION: Petitions for reconsideration.

SUMMARY: The National Association of Telecommunications Officers and Advisors (NATOA) requests reconsideration of the Order's finding that deployments of small wireless facilities, as defined in the Order, are not subject to review under the National Historic Preservation Act ("NHPA") and the National Environmental Policy Act of 1969 ("NEPA"). PTA–FLA, Inc. requests that the Commission also determine that structures between 50 feet and 199 feet are not subject to review under NEPA and NHPA. PTA–FLA also requests changes to Commission's procedures for notifying tribal governments of proposed structures. Various petitioners seek reconsideration of the Order because they assert that small cell facilities must complete review under the NHPA and NEPA.

DATES: Oppositions to the Petition must be filed on or before September 6, 2018. Replies to an opposition must be filed on or before September 17, 2018.

ADDRESSES: Federal Communications Commission, 445 12th Street SW, Washington, DC 20554.
