II. Contractor Requirements

The Contractor shall perform activities in the PWS that are organized into four (4) main categories: Task Activity 1 is related to overall project management; Task Activity 2 is related to information about pesticide products, including the receipt of applications for regulatory action, the results of EPA registration decisions affecting individual products and pesticide uses and reports of incidents involving the use of pesticide products; Task Activity 3 is related to information about pesticide studies, position papers, analyses and the administrative records resulting from the decision processes themselves; and Task Activity 4 is related to updating OPP's PRISM Label Use Information System (LUIS) which is an automated pesticide information system that contains a summary of the legal uses of registered pesticide products.

The contractor shall:

- Capture data that supports regulatory applications, decisions, incident reports, and Personally Identifiable Information (PII), etc.;
- Provide processing, indexing support and shredding/destruction of studies and other technical documents of archival significance; and
- Make every effort to adopt to changing environments in technology, Office of Management and Budget (OMB), Homeland Security, Presidential Directives, and EPA Management Directives, of which, changes could be in the areas of technology, regulations, information systems, process adaptations, coordination with other agencies, coordination with other Agency contractors. Government furnished equipment and/or software, facilities and security requirements, shall remain within the tasks activities herein.

These contracts involve no subcontractors.

OPP has determined that the contracts described in this document involve work that is being conducted in connection with FIFRA, in that pesticide chemicals will be the subject of certain evaluations to be made under this contract. These evaluations may be

used in subsequent regulatory decisions under FIFRA.

Some of this information may be entitled to confidential treatment. The information has been submitted to EPA under FIFRA sections 3, 4, 6, and 7 and under FFDC sections 408 and 409.

In accordance with the requirements of 40 CFR 2.307(h)(3), the contracts with MERP Systems, Inc., prohibits use of the information for any purpose not specified in these contracts; prohibits disclosure of the information to a third party without prior written approval from the Agency; and requires that each official and employee of the contractor sign an agreement to protect the information from unauthorized release and to handle it in accordance with the *FIFRA Information Security Manual*. In addition, MERP Systems, Inc. is required to submit for EPA approval a security plan under which any CBI will be secured and protected against unauthorized release or compromise. No information will be provided to MERP Systems, Inc. until the requirements in this document have been fully satisfied. Records of information provided to MERP Systems, Inc. will be maintained by EPA Project Officers for these contracts. All information supplied to MERP Systems, Inc. by EPA for use in connection with these contracts will be returned to EPA when MERP Systems, Inc. has completed its work.
