

hour × 48 hours (*i.e.*, two fully supported FTEs × ((2 travel days × 8 hours) + (1 day onsite × 8 hours))) = \$13,536. The estimated average cost of the work FDA performs in total for reviewing an initial application for direct accreditation of a certification body based on these figures would be \$24,675 + \$13,536 = \$38,211. Therefore, the application fee for certification bodies applying for direct accreditation from FDA in FY 2019 will be \$38,211.

**IV. Estimated Fees for Accreditation Bodies and Certification Bodies in Other Fee Categories for FY 2019**

Section 1.705(a) also establishes application fees for recognized accreditation bodies submitting renewal applications and certification bodies applying for renewal of direct accreditation. Section 1.705(b) also establishes annual fees for certification bodies directly accredited by FDA.

Although we will not be collecting these other fees in FY 2019, for transparency and planning purposes, we have provided an estimate of what these fees would be for FY 2019 based on the fully supported FTE hourly rates for FY 2019 and estimates of the number of hours it would take FDA to perform relevant activities as outlined in the Final Regulatory Impact Analysis for the Third-Party Certification Regulation. Table 4 provides an overview of the estimated fees for other fee categories.

**TABLE 4—ESTIMATED FEE RATES FOR OTHER FEE CATEGORIES UNDER THE FSMA THIRD-PARTY CERTIFICATION PROGRAM**

Fee category	Estimated fee rates for FY 2019
Renewal application fee for recognized accreditation body ...	\$21,350
Renewal application fee for directly accredited certification body .....	28,999
Annual fee for certification body directly accredited by FDA ....	21,056

**V. How must the fee be paid?**

Accreditation bodies seeking initial recognition must submit the application fee with the application.

For recognized accreditation bodies and accredited certification bodies, an invoice will be sent annually. Payment must be made within 30 days of the invoice date. Detailed payment information will be included with the invoice when it is issued.

**VI. What are the consequences of not paying this fee?**

The consequences of not paying these fees are outlined in 21 CFR 1.725. If FDA does not receive an application fee with an application for recognition, the application will be considered incomplete and FDA will not review the application. If a recognized accreditation body fails to submit its annual user fee within 30 days of the due date, we will suspend its recognition. If the recognized accreditation body fails to submit its annual user fee within 90 days of the due date, we will revoke its recognition. If an accredited certification body fails to pay its annual fee within 30 days of the due date, we will suspend its accreditation. If the accredited certification body fails to pay its annual fee within 90 days of the due date, we will withdraw its accreditation.
