SUPPLEMENTARY INFORMATION: Section 337 of the Tariff Act of 1930 provides that if the Commission finds a violation it shall exclude the articles concerned from the United States:

In particular, the Commission is interested in comments that:

(i) Explain how the articles potentially subject to the recommended orders are used in the United States;

(ii) identify any public health, safety, or welfare concerns in the United States relating to the recommended orders;

(iii) identify like or directly competitive articles that complainant, its licensees, or third parties make in the United States which could replace the subject articles if they were to be excluded;

(iv) indicate whether complainant, complainant's licensees, and/or third party suppliers have the capacity to replace the volume of articles potentially subject to the recommended exclusion order and/or a cease and desist order within a commercially reasonable time; and

(v) explain how the limited exclusion order and cease and desist orders would impact consumers in the United States.

Written submissions from the public must be filed no later than by close of business on September 13, 2018.

Persons filing written submissions must file the original document electronically on or before the deadlines stated above and submit 8 true paper copies to the Office of the Secretary by noon the next day pursuant to section 210.4(f) of the Commission's Rules of Practice and Procedure (19 CFR 210.4(f)). SUPPLEMENTARY INFORMATION:

I. Background: The Wage and Hour Division (WHD) of the Department of Labor administers the Fair Labor Standards Act (FLSA). Section 3(l) of the Act establishes a minimum age of 16 years for most nonagricultural employment, but allows the employment of 14- and 15-year olds in occupations other than manufacturing and mining if the Secretary of Labor determines such employment is confined to: (1) Periods that will not interfere with the minor's schooling; and (2) conditions that will not interfere with the minor's health and well-being. FLSA section 11(c) requires all covered employers to make, keep, and preserve records of their employees' wages, hours, and other conditions and practices of employment. Section 11(c) authorizes the Secretary of Labor to prescribe the recordkeeping and reporting requirements for these records. The regulations set forth reporting requirements that include a Work Study Program application and written participation agreement. In order to utilize the child labor work study provisions, § 570.35(b) requires a local public or private school system to file with the Wage and Hour Division Administrator an application for approval of a Work Study Program as one that does not interfere with the schooling or health and well-being of the minors involved. The regulations also require preparation of a written participation agreement for each student
