j. *Description of Proceeding*: Midwest Hydro, LLC, licensee for the Beloit and Rockton projects, and STS Hydropower, Ltd., licensee for the Dixon Project request that the Commission extend the term of the licenses to synchronize license expiration with the nearby Central Project No. 2347, also located on the Rock River, in Rock County Wisconsin and licensed to Midwest Hydro, LLC. The license for the Central Project expires on August 31, 2024 and the licensees request eight-month extensions for the Dixon and Rockton projects, currently set to expire on December 31, 2023, and a three-month extension of the license term for the Beloit Project, which expires on May 31, 2024. The licensees request the license term extensions to coordinate and streamline relicensing efforts for the four projects and perform a more comprehensive analysis of the resources involved.

m. *Comments, Protests, or Motions to Intervene*: Anyone may submit comments, a protest, or a motion to intervene in accordance with the requirements of Rules of Practice and Procedure, 18 CFR 385.210, .211, and .214. In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any comments, protests, or motions to intervene must

be received on or before the specified comment date for the particular application.

n. *Filing and Service of Responsive Documents*: Any filing must (1) bear in all capital letters the title COMMENTS, PROTEST, or MOTION TO INTERVENE as applicable; (2) set forth in the heading the name of the applicant and the project number of the application to which the filing responds; (3) furnish the name, address, and telephone number of the person protesting or intervening; and (4) otherwise comply with the requirements of 18 CFR 385.2001 through 385.2005. All comments, motions to intervene, or protests must set forth their evidentiary basis and otherwise comply with the requirements of 18 CFR 4.34(b). All comments, motions to intervene, or protests should relate to the license term extension requests. Agencies may obtain copies of the application directly from the applicant. A copy of any protest or motion to intervene must be served upon each representative of the applicant specified in the particular application. If an intervener files comments or documents with the Commission relating to the merits of an issue that may affect the responsibilities of a particular resource agency, they must also serve a copy of the document on that resource agency. A copy of all other filings in reference to this application must be accompanied by proof of service on all persons listed in the service list prepared by the Commission in this proceeding, in accordance with 18 CFR 4.34(b) and 385.2010.

Gulf LNG Liquefaction Company, LLC, Gulf LNG Energy, LLC, Gulf LNG Pipeline, LLC; Notice of Anticipated Schedule of Final Order for the Gulf LNG Liquefaction Project

On June 19, 2015, Gulf LNG Liquefaction Company, LLC (Gulf Liquefaction), Gulf LNG Energy, LLC (Gulf Energy), and Gulf LNG Pipeline LLC (Gulf Pipeline) filed an application pursuant to section 3(a) of the Natural Gas Act (NGA) and Part 153 of the

Commission's regulations, requesting authorization to construct and operate the Gulf LNG Liquefaction Project (Project) at Gulf Energy's liquefied natural gas terminal located near Pascagoula, Jackson County, Mississippi. The Project consists of new natural gas liquefaction and export facilities. Additionally, within the same application, Gulf Pipeline requested, pursuant to section 7(c) of the NGA and Part 157 of the Commission's regulations, to make modifications to the terminal's sendout pipeline to allow for bi-directional flow. These facilities will enable Gulf Liquefaction to liquefy and export about 11 million metric tons of LNG per year.

In accordance with Title 41 of the Fixing America's Surface Transportation Act, enacted on December 4, 2015, agencies are to publish completion dates for all federal environmental reviews and authorizations. This notice identifies the Commission's anticipated schedule for issuance of the final order for the Project, which is based on the anticipated date of issuance of the final Environmental Impact Statement. Accordingly, we currently anticipate issuing a final order for the Project no later than:

Issuance of Final Order—July 16, 2019

If a schedule change becomes necessary for the final order, an additional notice will be provided so that interested parties and government agencies are kept informed of the Project's progress.

Dated: August 31, 2018.
