

impact on the adequacy of transportation services to the public, as Wise would continue to provide the services it currently provides using the same name. (Appl. 9.) Applicants state that Wise “will continue to operate, but going forward, will be operating within the National Express corporate family, an organization that is very experienced in passenger transportation operations.” (*Id.*)

According to Applicants, “[t]he addition of Wise to the carriers held by National Express is consistent with the practices within the passenger motor carrier industry of strong, well-managed transportation organizations adapting their corporate structure to operate several different passenger carriers within the same services markets, but in different geographic areas.” (*Id.*) Applicants assert that Wise is experienced in some of the same market segments already served by some of the National Express Affiliated Carriers. (*Id.* at 9–10.) Applicants expect the transaction to result in improved operating efficiencies, increased equipment utilization rates, and cost savings derived from economies of scale, all of which, Applicants state, would help to ensure the provision of adequate service to the public. (*Id.* at 10.) Applicants further assert that bringing Wise within the National Express corporate family would serve to enhance the viability of the overall organization and the operations of the National Express Affiliated Carriers, which would ensure the continued availability of adequate passenger transportation service for the public. (*Id.*)

Applicants also claim that neither competition nor the public interest would be adversely affected by the contemplated transaction. Applicants state that the population and demand for charter and shuttle services in Nashville, Tenn., and the surrounding area (the Service Area) have consistently grown and are expected to increase in the foreseeable future. (*Id.* at 11.) According to Applicants, Wise competes directly with other passenger charter and shuttle service providers in the Service Area, including Anchor Tours, First Class Charter, Grand Avenue, and Gray Line Nashville. (*Id.* at 11–12.) Applicants state that the Service Area is geographically dispersed from the service areas of the National Express Affiliated Carriers, and there is very limited overlap in the service areas and customer bases among the National Express Affiliated Carriers and Wise. (*Id.* at 12.) Thus, Applicants state that the impact of the contemplated transaction on the regulated motor

carrier industry would be minimal at most and that neither competition nor the public interest would be adversely affected. (*Id.*)

Applicants assert that there are no significant fixed charges associated with the contemplated transaction. (*Id.* at 10.) Applicants also state that National Express does not anticipate a measurable reduction in force or changes in compensation levels or benefits to employees. (*Id.*) Applicants submit, however, that staffing redundancies could result in limited downsizing of back-office or managerial-level personnel. (*Id.*)

If any opposing comments are timely filed, these findings will be deemed vacated, and, unless a final decision can be made on the record as developed, a procedural schedule will be adopted to reconsider the application. ## SURFACE TRANSPORTATION BOARD

[Docket No. FD 36217]

### San Pedro Valley Railroad, LLC— Operation Exemption—San Pedro Valley Holdings, LLC in Cochise County, Ariz.

San Pedro Valley Railroad, LLC (SPVR), a noncarrier, has filed a verified notice of exemption under 49 CFR 1150.31 to operate two rail lines being acquired by San Pedro Valley Holdings, LLC: (1) From point of connection to Union Pacific Railroad (UP) at milepost 1033.25 at or near Benson, to milepost 1040.15 at or near St. David, a distance of 6.9 miles in Cochise County, Ariz.; and (2) from point of connection to UP at milepost 1074 at or near Wilcox, to all tracks at Wilcox Yard, a total of 8,281 feet or 1.57 miles, in Cochise County (collectively, the Lines). The Lines total approximately 8.47 miles.

This transaction is related to a concurrently filed verified notice of exemption in *Gregory B. Cundiff—Continuance in Control Exemption—San Pedro Valley Railroad, LLC in Cochise County, Ariz.*, Docket No. FD 36219, in which Ironhorse Resources, Inc., seeks Board approval to continue in control of SPVR upon SPVR's becoming a Class III rail carrier.

SPVR certifies that, as a result of the proposed transaction, its projected annual revenues will not result in its becoming a Class I or Class II rail carrier and will not exceed \$5 million. SPVR also certifies that the proposed transaction does not involve any interchange commitments as defined in 49 CFR 1150.43(h).

The earliest this transaction may be consummated is October 17, 2018, the effective date of the exemption (30 days after the verified notice was filed).<sup>1</sup> SPVR states that it intends to consummate the transaction no sooner than 30 days after the filing of this notice of exemption.

If the verified notice contains false or misleading information, the exemption is void ab initio. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Petitions to stay must be filed by October 10, 2018 (at least seven days before the exemption becomes effective).

<sup>1</sup> SPVR filed its verified notice of exemption on August 30, 2018. On September 17, 2018, however, SPVR supplemented its verified notice to clarify references to Docket No. FD 36219. Therefore, September 17, 2018, is deemed the verified notice's filing date.

An original and 10 copies of all pleadings, referring to Docket No. FD 36217, must be filed with the Surface Transportation Board, 395 E Street SW, Washington, DC 20423-0001. In addition, a copy of each pleading must be served on SPVR's counsel, Thomas F. McFarland, Thomas F. McFarland, P.C., 208 South LaSalle Street, Suite 1666, Chicago, IL 60604-1228.

According to SPVR, no environmental or historic documentation or report is required pursuant to 49 CFR 1105.6(c) and 1105.8(b).

Board decisions and notices are available on our website at [www.stb.gov](http://www.stb.gov).

Decided: September 25, 2018.

By the Board, Scott M. Zimmerman, Acting Director, Office of Proceedings.
