SUPPLEMENTARY INFORMATION: We, the USGS, in accordance with the Paperwork Reduction Act of 1995, provide the general public and other Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps us assess the impact of our information collection requirements and minimize the public's reporting burden. It also helps the public understand our information collection requirements and provide the requested data in the desired format.

A **Federal Register** notice with a 60-day public comment period soliciting comments on this collection of information was published on June 21, 2018 (FR 83, Number 120, Pages 28860-28861). We did receive one comment but the comment did not address the collection of information on breeding birds.

We are again soliciting comments on the proposed ICR that is described below. We are especially interested in public comment addressing the following issues: (1) Is the collection necessary to the proper functions of the USGS; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the USGS enhance the quality, utility, and clarity of the information to be collected; and (5) how might the USGS minimize the burden of this collection on the respondents, including through the use of information technology.

Comments that you submit in response to this notice are a matter of public record. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you may ask us in your comment to

withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Abstract: Respondents supply the U.S. Geological Survey with avian population data for more than 600 North American bird species. The survey data, resulting population trend estimates, and relative abundance estimates will be made available via the internet and through special publications, for use by Government agencies, industry, education programs, and the general public. We will protect information from respondents considered proprietary under the Freedom of Information Act (5 U.S.C. 552) and its implementing regulations (43 CFR part 2), and under regulations at 30 CFR 250.197, "Data and information to be made available to the public or for limited inspection." Responses are voluntary. No questions of a "sensitive" nature are asked.

Title of Collection: North American Breeding Bird Survey.

OMB Control Number: 1028-0079.

Form Number: None.

Type of Review: Extension of a currently approved collection.

Respondents/Affected Public: General public skilled in bird identification.

Total Estimated Number of Annual Respondents: 1,600.

Total Estimated Number of Annual Responses: 2,600.

Estimated Completion Time per Response: 11 hours.

Total Estimated Number of Annual Burden Hours: 28,600.

Respondent's Obligation: Voluntary.

Frequency of Collection: Annually.

Total Estimated Annual Non-hour Burden Cost: \$141,700. Mileage costs are on average \$54.50 per response, based on approximate 100-mile round trip for data collection per response and 2018 federal mileage rate of \$0.545 per mile.

An agency may not conduct or sponsor and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

The authority for this action is the Paperwork Reduction Act of 1995 (44 U.S.C. 3501, *et seq.*).

BILLING CODE 4338-11-P

INTERNATIONAL TRADE COMMISSION

[Investigation No. 337-TA-1044]

Certain Graphics Systems, Components Thereof, and Consumer Products Containing the Same; Commission Determination To Institute a Modification and Rescission Proceeding; Modification and Rescission of Certain Remedial Orders; and Termination of the Proceeding

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined to institute a modification and rescission proceeding. The Commission has further determined to grant a joint petition to modify in part a limited exclusion order ("LEO") as to Respondent VIZIO, Inc. ("VIZIO") and to rescind the cease and desist order ("CDO") against VIZIO, based on a settlement agreement. The Commission has issued a modified LEO. The modification and rescission proceeding is terminated.

FOR FURTHER INFORMATION CONTACT: Houda Morad, Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 708-4716. Copies of non-confidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 205-2000. General information concerning the Commission may also be obtained by accessing its internet server at <https://www.usitc.gov>. The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: The Commission instituted Investigation No. 337-TA-1044 on March 22, 2017, based on a complaint filed by Complainants Advanced Micro Devices, Inc. of Sunnyvale, California and ATI Technologies ULC of Canada (collectively, "AMD" or "Complainants"). See 82 FR 14748

(Mar. 22, 2017). The complaint, as amended, alleges violations of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain graphics systems, components thereof, and consumer products containing the same, by reason of infringement of certain claims of U.S. Patent No. 7,633,506 (“the ‘506 patent”); U.S. Patent No. 7,796,133; U.S. Patent No. 8,760,454; and U.S. Patent No. 9,582,846. *Id.* The notice of investigation identified LG Electronics, Inc. of Seoul, Republic of Korea, LG Electronics U.S.A., Inc. of Englewood Cliffs, New Jersey, and LG Electronics MobileComm U.S.A. Inc. of San Diego, California (collectively, “LG”), VIZIO of Irvine, California, MediaTek Inc. of Hsinchu City, Taiwan and Media Tek USA Inc. of San Jose, California (collectively, “MediaTek”), and SDI of Fremont, California, as respondents in this investigation. *See id.* The Office of Unfair Import Investigations (“OUII”) is also a party to the investigation.

On October 20, 2017, the Administrative Law Judge (“ALJ”) issued an initial determination terminating the investigation as to LG based on settlement. *See* Order No. 48 (Oct. 20, 2017), *unreviewed*, Comm’n Notice (Nov. 13, 2017). The remaining respondents in this investigation are VIZIO, MediaTek, and SDI (hereinafter, “Respondents”).

On April 13, 2018, the ALJ issued her final initial determination (“FID”) finding a violation of section 337 with respect to the ‘506 patent. On August 22, 2018, the Commission affirmed with modification the FID’s findings. *See* 83 FR 43899–900 (Aug. 28, 2018). The Commission also determined that the appropriate remedy is a LEO against Respondents’ infringing products and CDOs against VIZIO and SDI. *See id.*

On September 11, 2018, Complainants and VIZIO filed a joint petition (*Petition*) to modify in part the LEO as to VIZIO and to rescind the CDO against VIZIO, based on a settlement agreement. The *Petition* states that “[p]ursuant to this settlement, all VIZIO articles currently covered by the Commission’s Limited Exclusion Order are now licensed.” *See Petition* at 1. On September 21, 2018, the Investigative Attorney filed a response in support of the *Petition*. No other party filed a response or opposition to the *Petition*.

In view of the settlement agreement between Complainants and VIZIO, the Commission finds that the conditions justifying the remedial orders against Respondent VIZIO no longer exist, and

therefore, granting the petition is warranted under 19 U.S.C. 1337(k) and 19 CFR 210.76(a). Accordingly, the Commission has determined to institute a modification and rescission proceeding. The Commission has further determined to grant the joint petition to modify in part the LEO as to VIZIO and to rescind the CDO against VIZIO. The Commission has issued a modified LEO. The modification and rescission proceeding is terminated.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission’s Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.
Issued: October 5, 2018.

Lisa Barton,

Secretary to the Commission.

INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 731–TA–1392–1393 (Final)]

Polytetrafluoroethylene (PTFE) Resin From China and India; Scheduling of the Final Phase of Antidumping Duty Investigations

AGENCY: United States International Trade Commission.

ACTION: Notice.

DATES: September 26, 2018.

FOR FURTHER INFORMATION CONTACT: Robert Casanova (202) 708–2719, Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission’s TDD terminal on 202–205–1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202–205–2000. General information concerning the Commission may also be obtained by accessing its internet server (<https://www.usitc.gov>). The public record for these investigations may be viewed on the Commission’s electronic docket (EDIS) at <https://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION: Effective March 8, 2018, the Commission established a general schedule for the conduct of the final phase of its investigations on polytetrafluoroethylene resin from

China and India,¹ following a preliminary determination by the U.S. Department of Commerce (“Commerce”) that imports of subject PTFE resin were being subsidized by the government of India.² Notice of the scheduling of the final phase of the Commission’s investigations and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of March 8, 2018 (83 FR 12815). The hearing was held in Washington, DC, on May 17, 2018, and all persons who requested the opportunity were permitted to appear in person or by counsel. The Commission subsequently issued its final negative determination regarding subsidized imports from India on July 6, 2018 (83 FR 32150, July 11, 2018). Commerce has issued final affirmative antidumping duty determinations with respect to the subject PTFE resin from China³ and India.⁴ Accordingly, the Commission currently is issuing a supplemental schedule for its antidumping duty investigations on imports of PTFE resin from China and India.

This supplemental schedule is as follows: The deadline for filing supplemental party comments on Commerce’s final antidumping duty determinations is October 11, 2018. Supplemental party comments may address only Commerce’s final antidumping duty determinations regarding imports of PTFE resin from China and India. These supplemental final comments may not contain new factual information and may not exceed five (5) pages in length.
