**SUPPLEMENTARY INFORMATION:**

**Background**

On August 31, 2018, the Commission received a letter from the United States Trade Representative (USTR) stating that the President that day had notified Congress of his intent to enter into a trade agreement “with Mexico—and with Canada if it is willing.” On October 1, 2018, the Office of the USTR published the text of the United States-Mexico-Canada Agreement (USMCA) on its website at <https://www.ustr.gov>. In his August 31, 2018, letter, the USTR requested that the Commission prepare the report specified in section 105(c)(2)(3) of the Bipartisan Congressional Trade Priorities and Accountability Act of 2015 (19 U.S.C. 4204(c)(2)–(3)) (TPA Act). The TPA Act requires that the Commission submit to the President and Congress a report assessing the likely impact of the agreement on the United States

economy as a whole and on specific industry sectors, including the impact the agreement will have on the gross domestic product, exports and imports, aggregate employment and employment opportunities, the production, employment, and competitive position of industries likely to be significantly affected by the agreement, and the interests of U.S. consumers. In addition, the TPA Act requires the Commission to review available economic assessments regarding the agreement, including literature regarding any substantially equivalent proposed agreement, and provide in its assessment a description of the analyses used and conclusions drawn in such literature, and a discussion of areas of consensus and divergence between the various analyses and conclusions, including those of the Commission regarding the agreement.

The statute requires that the Commission submit its assessment to the President and Congress no later than 105 days after the President enters into the Agreement.

**Public Hearing**

A public hearing in connection with this investigation will be held at the U.S. International Trade Commission Building, 500 E Street SW, Washington, DC, beginning at 9:30 a.m. on November 15, 2018, and continuing on November 16, 2018, if necessary. Requests to appear at the public hearing should be filed with the Secretary, no later than 5:15 p.m., October 29, 2018; all pre-hearing briefs and statements should be filed no later than 5:15 p.m., October 30, 2018; and all post-hearing briefs responding to matters raised at the hearing should be filed no later than 5:15 p.m., November 23, 2018. All requests to appear, pre-hearing briefs and statements, and post-hearing briefs must be filed in accordance with the procedural requirements in the “Submissions” section below. In the event that, as of the close of business on November 8, 2018, no witnesses are scheduled to appear at the hearing, the hearing will be canceled.

**Written Submissions**

In lieu of or in addition to participating in the hearing, the Commission invites interested parties to submit written statements concerning this investigation. All written submissions should be addressed to the Secretary, and should be received no later than 5:15 p.m., December 20, 2018. All written submissions must conform with the provisions of section 201.8 of the Commission’s *Rules of Practice and Procedure* (19 CFR 201.8). Section 201.8 and the Commission’s *Handbook on*

*Filing Procedures* require that interested parties file documents electronically on or before the filing deadline and submit eight (8) true paper copies by 12:00 p.m. Eastern Time on the next business day. In the event that confidential treatment of a document is requested, interested parties must file, at the same time as the eight paper copies, at least four (4) additional true paper copies in which the confidential information must be deleted (see the following paragraph for further information regarding confidential business information or "CBI"). Persons with questions regarding electronic filing should contact the Office of the Secretary, Docket Services Division (202-205-1802).

### Confidential Business Information (CBI)

Any submissions that contain CBI must also conform to the requirements of section 201.6 of the *Commission's Rules of Practice and Procedure* (19 CFR 201.6). Section 201.6 of the rules requires that the cover of the document and the individual pages be clearly marked as to whether they are the "confidential" or "non-confidential" version, and that the CBI is clearly identified using brackets. All written submissions, except for those containing CBI, will be made available for inspection by interested parties.

All information, including CBI, submitted in this investigation may be disclosed to and used (i) by the Commission, its employees and Offices, and contract personnel (a) for developing or maintaining the records of this or a related proceeding, or (b) in internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission, including under 5 U.S.C. Appendix 3; or (ii) by U.S. government employees and contract personnel for cybersecurity purposes. The Commission will not otherwise disclose any CBI in a manner that would reveal the operations of the firm supplying the information. The report that the Commission sends to the President and Congress will not include any CBI.

The Commission will identify the name of the organization furnishing the summary and will include a link to the Commission's Electronic Document Information System (EDIS) where the full written submission can be found.
