

continually relevant, and to be sufficiently general so as to broadly apply at all federal agencies and across all missions. The practices represent aspirational goals that, when fully realized, will enable agencies, practitioners, and policymakers to improve the government's approach to data stewardship and leverage data to create value.

The draft practices are grouped according to five broad objectives that begin to operationalize five corresponding objectives.

- Govern and Manage Data as a Strategic Asset
- Protect and Secure Data
- Promote Efficient Use of Data Assets
- Build a Culture that Values Data as an Asset
- Honor Stakeholder Input and Leverage Partners

In addition to applying across government, the strategy and its practices apply across the data lifecycle, which can be depicted in six stages:

1. Creation, collection, or acquisition;
2. processing;
3. access;
4. use;
5. dissemination; and
6. storage and disposition.

See <https://strategy.data.gov> for more information about how the draft practices pertain to each of those stages.

The draft practices will be revised and further developed in response to public and agency comments. Specifically, comments are requested on the following:

1. What framework(s) for organizing or classifying the practices would be most useful to Federal practitioners and other key stakeholders? For example, should they be classified according to whether they pertain to data creation, collection, or acquisition; processing; access; use; dissemination; and storage and disposition?
2. List and describe any additional practices relevant to data creation, collection, acquisition, processing, access, use, dissemination, storage, and disposition that are not included in the draft practices.
3. Identify any draft practices that should be omitted and explain why.
4. Provide any necessary edits to the practices to ensure that they effectively identify objectives, outcomes, or goals and are helpful to a practitioners and data policymakers.
5. Please provide examples of how Federal, state, local, or tribal government agencies have successfully implemented a particular practice.
6. Please provide specific action steps that should be associated with a particular practice.

For guidance in proposing action steps, use the following as examples of specific practices and associated action steps. These examples are provided for guidance only.

- Practice: Prioritize Data Security
Example Action Steps
 1. Leverage existing standards for comprehensive and high quality data management.
 2. Define, implement, and maintain formal expectations throughout government for data oversight and transparency.
- Practice: Connect Federal Spending to Outcomes
Example Action Steps

1. Publish interactive reports with spending, performance, and mission-support data that enable the public to interact with the data and create customizable tables and report. These interactive charts and graphics should be embedded in Federal websites such as *USAspending.gov* and *performance.gov*.

2. Standardize reporting data for federal grants to help make the data more accessible and useful.

Foreign-Trade Zones Board

[B-63-2018]

Foreign-Trade Zone 142—Salem/Millville, New Jersey; Application for Reorganization and Expansion Under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board by the South Jersey Port Corporation, grantee of FTZ 142, requesting authority to reorganize and expand the zone under the alternative site framework (ASF) adopted by the FTZ Board (15 CFR Sec. 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of zones and can permit significantly greater flexibility in the designation of new subzones or

“usage-driven” FTZ sites for operators/users located within a grantee’s “service area” in the context of the FTZ Board’s standard 2,000-acre activation limit for a zone. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally docketed on October 11, 2018.

FTZ 142 was approved by the FTZ Board on August 25, 1987 (Board Order 358, 52 FR 33855, September 8, 1987).

The current zone includes the following sites: *Site 1* (95 acres)—Port of Salem complex, Salem; *Site 2* (10 acres)—Walnut Street warehouse complex, Salem; and, *Site 3* (144 acres)—Millville Municipal Airport Industrial Park, Millville.

The grantee’s proposed service area under the ASF would be the Counties of Mercer, Burlington, Camden, Gloucester, Salem, Cumberland and Cape May, New Jersey, as described in the application. If approved, the grantee would be able to serve sites throughout the service area based on companies’ needs for FTZ designation. The application indicates that the proposed service area is within and adjacent to the Philadelphia Customs and Border Protection port of entry.

The applicant is requesting authority to reorganize and expand its existing zone to include all of the existing sites as “magnet” sites. The applicant is also requesting approval of the following magnet site: *Proposed Site 4* (1,630 acres)—Repauno/Greenwich rail and port terminal complex, 200 North Repauno Avenue, Gibbstown. The application would have no impact on FTZ 142’s previously authorized subzones.

In accordance with the FTZ Board’s regulations, Kathleen Boyce of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the FTZ Board.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board’s Executive Secretary at the address below. The closing period for their receipt is December 17, 2018. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to December 31, 2018.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230-0002, and in the

“Reading Room” section of the FTZ Board’s website, which is accessible via www.trade.gov/ftz. For further information, contact Kathleen Boyce at Kathleen.Boyce@trade.gov or (202) 482-1346.
