Steel Wire Garment Hangers From the People’s Republic of China: Final Results of Antidumping Duty Administrative Review; 2016–2017

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) determines that Shanghai Wells Hanger Co., Ltd., Hong Kong Wells Ltd., and Hong Kong Wells Ltd. (USA) (collectively, Shanghai Wells) sold subject merchandise in the United States at prices below normal value during the period of review (POR), October 1, 2016, through September 30, 2017.

DATES: Applicable October 23, 2018.

FOR FURTHER INFORMATION CONTACT: Ian Hamilton, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–4798.

SUPPLEMENTARY INFORMATION:

Background

Commerce published the *Preliminary Results* of this administrative review on steel wire garment hangers from the People’s Republic of China (China) on July 13, 2018.¹ For a discussion of the events subsequent to the *Preliminary Results*, see the Issues and Decision Memorandum.²

Scope of the Order

The merchandise subject to the *Order* is steel wire garment hangers.³ The products are currently classifiable under the Harmonized Tariff Schedule of the United States (HTSUS) subheadings: 7326.20.0020, 7323.99.9060, and 7323.99.9080. Although the HTSUS subheadings are provided for convenience and customs purposes, the written product description of the scope of the order remains dispositive. For a full description of the scope of the *Order*, see Issues and Decision Memorandum.⁴

Analysis of Comments Received

All issues raised in the case briefs filed by parties in this review are addressed in the Issues and Decision Memorandum, which is incorporated herein by reference. A list of the issues which each party raised, follows in the Appendix to this notice. The Issues and Decision Memorandum is a public document and is made available to the public via Enforcement and

Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>, and it is available to all parties in the Central Records Unit, Room B8024 of the main Department of Commerce building. In addition, a complete version of the Issues and Decision Memorandum is available at <http://enforcement.trade.gov/frn/>. The signed and electronic versions of the Issues and Decision Memorandum are identical in content.

Changes Since the Preliminary Results

Based on a review of the record and comments received from interested parties regarding our *Preliminary Results*, and for the reasons explained in the Issues and Decision Memorandum, we made revisions to our preliminary calculations of the weighted-average dumping margin for Shanghai Wells.⁵

Separate Rates

In the *Preliminary Results*, we found that information placed on the record by Shanghai Wells demonstrates that this entity is entitled to separate rate status, which we preliminarily granted.⁶ We received no information since the issuance of the *Preliminary Results* that provides a basis for reconsidering the determination with respect to the separate rate status of this entity. Therefore, for the final results, we continue to find that Shanghai Wells is eligible for a separate rate.

Final Results of the Review

Commerce determines that the following weighted-average dumping margin exists for the POR from October 1, 2016, through September 30, 2017:

| Exporter | Weighted-average dumping margin (percent) |
|---|---|
| Shanghai Wells Hanger Co., Ltd./Hong Kong Wells Ltd. ⁷ | 2.68 |

⁷ In the first administrative review of the *Order*, Commerce found that Shanghai Wells Hanger Co., Ltd. and Hong Kong Wells Ltd. (collectively Shanghai Wells) are a single entity and, because there were no changes to the facts that supported that decision since that determination was made, we continue to find that these companies are part

of a single entity for this administrative review.
