BILLING CODE 5001-03-P

DEPARTMENT OF DEFENSE

Office of the Secretary

Charter Renewal of Department of Defense Federal Advisory Committees

AGENCY: Department of Defense.

ACTION: Renewal of Federal Advisory Committee.

SUMMARY: The Department of Defense (DoD) is publishing this notice to announce that it is renewing the charter for the United States Military Academy Board of Visitors (“the Board”).

FOR FURTHER INFORMATION CONTACT: Jim Freeman, Advisory Committee Management Officer for the Department of Defense, 703-692-5952.

SUPPLEMENTARY INFORMATION: The Board’s charter is being renewed, pursuant to 10 U.S.C. 4355 and in accordance with the Federal Advisory Committee Act (FACA) of 1972 (5 U.S.C., Appendix, as amended) and 41 CFR 102-3.50(a). The Board’s charter and contact information for the Board’s Designated Federal Officer (DFO) can be found at <https://gsageo.force.com/FACA/apex/FACAPublicAgencyNavigation>.

The Board provides the President of the United States independent advice and recommendations on morale and discipline, the curriculum, instruction, physical equipment, fiscal affairs, academic methods, and any other matters relating to the Academy (the Academy) that the Board decides to consider. Pursuant to 10 U.S.C. 4355(d) and (f), the Board shall visit the Academy annually. With the approval of the Secretary of the Army, the Board or its members may make other visits to the Academy in connection with the duties of the Board or to consult with the Superintendent of the Academy. The Board shall submit a written report to the President within 60 days after its annual visit to the Academy, to include the Board’s views and recommendations pertaining to the Academy. Any report of a visit, other than the annual visit, shall, if approved by a majority of the members of the Board, be submitted to the President within 60 days after the approval.

The Board is composed of no more than 15 members: (a) The Chair of the Committee on Armed Services of the Senate, or designee; (b) three other members of the Senate designated by the Vice President or the President pro tempore of the Senate, two of whom are members of the Committee on Appropriations of the Senate; (c) the Chair of the Committee on Armed Services of the House of Representatives, or designee; (d) four other members of the House of Representatives designated by the Speaker of the House of Representatives, two of whom are members of the Committee on Appropriations of the House of Representatives; and e. six persons designated by the President. Except for reimbursement of official Board-related travel and per diem,

Board members serve without compensation.

The public or interested organizations may submit written statements to the Board membership about the Board’s mission and functions. Written statements may be submitted at any time or in response to the stated agenda of planned meeting of the Board. All written statements shall be submitted to the DFO for the Board, and this individual will ensure that the written statements are provided to the membership for their consideration.

Dated: October 26, 2018.

Aaron T. Siegel,

Alternate OSD Federal Register Liaison Officer, Department of Defense.

BILLING CODE 5001-06-P

DEPARTMENT OF DEFENSE

Department of the Army, Corps of Engineers

Intent To Prepare an Environmental Impact Statement for Nebraska Department of Transportation U.S. Highway 275 West Point to Scribner Project

AGENCY: Department of the Army, U.S. Army Corps of Engineers, DoD.

ACTION: Notice of intent.

SUMMARY: The U.S. Army Corps of Engineers (Corps) is preparing an Environmental Impact Statement (EIS) in accordance with the National Environmental Policy Act (NEPA) for U.S. Highway 275 (US-275) West Point to Scribner Project (Project) sponsored by the Nebraska Department of Transportation (NDOT). NDOT proposes to expand US-275 from a two-lane highway to a four-lane expressway along an approximately 20-mile segment from northwest of West Point to southeast of Scribner, including a bypass around Scribner (referred to as “Scribner Bypass”), in Cuming and Dodge Counties, Nebraska.

Construction of the Project is expected to impact jurisdictional waters of the United States, thereby requiring a Clean Water Act Section 404 permit. Additionally, NDOT is proposing to build segments of the Scribner Bypass on an existing federally authorized levee, which would require a Section 408 authorization. The Project may also affect Natural Resources Conservation Service (NRCS) Wetland Reserve Program (WRP) easements. Due to these requirements, the Corps has determined an EIS is necessary for the Project. The Corps has determined that the

provisions of Executive Order 13807 (“One Federal Decision”) apply to this Project. One Federal Decision is intended to streamline federal permitting processes, including environmental reviews and authorization decisions, for major infrastructure projects.

DATES: A public scoping meeting will be held on Thursday, November 8, 2018 from 5:30 p.m.–7:30 p.m.

ADDRESSES: The public scoping meeting will be held at Mohr Auditorium located at 650 County Road 13 Boulevard, Scribner, NE 68057.

FOR FURTHER INFORMATION CONTACT:

Questions regarding the Project and the EIS should be addressed to Phil Rezac, Project Manager, U.S. Army Corps of Engineers, Nebraska Regulatory Office, Wehrspann Field Office, 8901 S 154th Street, Omaha, NE 68138-3621 or at (402) 896-0896; Phil.M.Rezac@usace.army.mil.

SUPPLEMENTARY INFORMATION: NDOT’s stated Project purpose is to advance the Scribner to West Point segment of the Norfolk to Fremont Expressway, maximize utilization of existing transportation infrastructure and right-of-way, including connecting highways (N-9, N-32, and N-91), improve the safety and reliability of the roadway, provide a more efficient roadway that improves regional connectivity for the traveling public, including commercial traffic, in northeast Nebraska, and to fulfill the Nebraska Legislature mandates contained in Legislative Bill [LB] 632 and LB 84. The necessity for the expansion of this portion of US-275 arises from legislation, lack of connectivity between urban centers, and high average daily traffic use.

A public scoping meeting will be held Thursday, November 8, 2018 to describe why the Project is needed, preliminary alternatives, the NEPA compliance process, and to solicit input on the issues and alternatives to be evaluated and other related matters. Written comments will also be requested. The Corps has prepared handout materials and developed an EIS website to familiarize other agencies, the public, and interested organizations with the preliminary Project alternatives and potential environmental issues that may be involved. Copies of these handout materials will be available at the public scoping meeting or can be requested by mail. The EIS website can be found at <http://www.nwo.usace.army.mil/Missions/Regulatory-Program/Nebraska/>.

The Corps has invited Natural Resources Conservation Service, U.S. Environmental Protection Agency,
