SUPPLEMENTARY INFORMATION:

Title: Equal Opportunity Compliance Review Record.

OMB Number: 0596–0215 renewal.

Expiration Date of Approval: 11/30/2018

Type of Request: Extension with Revision.

Abstract: All Federal agencies must comply with equal opportunity laws:

- Title VI of the Civil Rights Act of 1964, as amended.
- Title IX of the Education Amendments Act of 1972.
- The Age Discrimination Act of 1975, as amended.
- Section 504 of the Rehabilitation Act of 1973, as amended.
- Executive orders prohibiting discrimination in the delivery of all programs and services to the public.

Federal agencies and entities receiving Federal financial assistance are prohibited from discriminating. Federal financial assistance is defined as, “Federal monies given by grants, cooperative agreements, commercial special use permits, training, loan/temporary assignment of Federal personnel, or loan/use of Federal property at below market value.”

The equal opportunity laws require agencies to conduct compliance reviews to ensure that entities receiving Federal Financial Assistance from the government are adhering to the nondiscrimination statutes. The statutes require that prior to awarding support or issuing permits, the Federal government shall conduct pre-award reviews to ensure that potential recipients understand their responsibilities to provide services equitable pursuant to the law. Thereafter, during the partnership with the agency, ongoing monitoring will take place to ensure the public is being served without any barriers or discrimination.

Forest Service employees will use form FS–1700–6, Equal Opportunity Compliance Review Record, to document demographics (race, ethnicity, and gender) and collect information regarding actions taken by recipients of Federal financial assistance to ensure the public receives services without discrimination or barriers to access, and that recipients’ employees understand their customer service role. Collection will occur during face-to-face

meetings or telephone interviews conducted by Forest Service employees as part of the pre-award and post award process. The pre-award interview will take place prior to the award of a grant, signing of a cooperative agreement, letting of commercial special use permit, or similar activity. The post award interview will take place once every 5 years, or upon report/discovery of discrimination.

The information collected will only be shared with other Federal agencies who share in the financial assistance activities with the Forest Service. Monitoring reviews have been a responsibility of the Federal government since 1964. Without the ability to monitor recipients of Federal financial assistance, the Forest Service would not be able to ensure compliance with laws and statutes. The Agency would not be aware of potential violations, thereby resulting in potential discriminatory practices.

Estimate of Annual Burden: 1 hour.

Type of Respondents: Recipients of Federal financial assistance.

Estimated Annual Number of Respondents: 11,000.

Estimated Annual Number of Responses per Respondent: One.

Estimated Total Annual Burden on Respondents: 11,000.

Comment is invited on: (1) Whether this collection of information is necessary for the stated purposes and the proper performance of the functions of the Agency, including whether the information will have practical or scientific utility; (2) the accuracy of the Agency’s estimate of the burden of the collection of information, including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on respondents, including the use of automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

All comments received in response to this notice, including names and addresses when provided, will be a matter of public record. Comments will be summarized and included in the request for Office of Management and Budget approval.

Dated: October 24, 2018.

Lenise Largo.

Acting Associate Chief, Forest Service.

BILLING CODE 3411–15–P

DEPARTMENT OF COMMERCE**Submission for OMB Review; Comment Request**

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act.

Agency: U.S. Census Bureau.

Title: Data Collection Form for Reporting on Audits of States, Local Governments, Indian Tribes, Institutions of Higher Education, and Non-Profit Organizations.

OMB Control Number: 0607–0518.

Form Number(s): SF–SAC.

Type of Request: Reinstatement with changes.

Number of Respondents: 80,000 (40,000 auditees and 40,000 auditors).

Average Hours per Response: 100 hours for large auditees (approx. 400 respondents) and 21 hours for all other auditees (approx. 79,600 respondents). These amounts reflect estimates of reporting burden on both auditees and auditors individually, meaning 100 or 21 hours for auditees and 100 or 21 hours for auditors. Auditees and auditors submit a combined response, making the total number of annual submissions 40,000.

Burden Hours: 1,711,600 total hours annually. (A slight refinement of the estimate increased the annual burden hours by less than 1% from the estimate of 1,699,600 hours, which was published in the presubmission notice on April 3, 2018.)

Needs and Uses: Non-Federal entities (states, local governments, Indian tribes, institutions of higher education, and nonprofit organizations) are required by the Single Audit Act Amendments of 1996 (31 U.S.C. 7501, *et seq.*) (Act) and 2 CFR part 200, “Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards,” (Uniform Guidance) to have audits conducted of their Federal awards and file the resulting reporting packages (Single Audit reports) and data collection forms (Form SF–SAC) with the Federal Audit Clearinghouse (FAC). The Form SF–SAC is Appendix X to 2 CFR part 200. The Office of Management and Budget (OMB) has designated the Census Bureau as the FAC to serve as the government-wide repository of record for Single Audit reports.

The Single Audit process is a primary method Federal agencies and pass-through entities use to provide oversight for Federal awards and reduce risk of non-compliance and improper
