

(2) *Title of the Form/Collection:* National Survey of Victim Service Providers (NSVSP).

(3) *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:* The form number for the collection is NSVSP-1. The applicable component within the Department of Justice is the Bureau of Justice Statistics, in the Office of Justice Programs.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* A sample of agencies serving crime victims as their primary function or through dedicated staff or programs will be asked to respond. The National Survey of Victim Service Providers will gather data on the number of victims served by type of crime, victim characteristics, types of services provided, service gaps, and VSP staff size, turnover, and characteristics. BJS plans to publish information from the NSVSP in reports and reference it when responding to queries from the U.S. Congress, Executive Office of the President, the U.S. Supreme Court, partner federal agencies (e.g., Office for Victims of Crime), state officials, international organizations, researchers, students, the media, and others interested in criminal justice statistics.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* A total of 7,237 victim service providers will be asked to respond to the survey. An estimated 15% of entities will no longer be in business or no longer serving victims. For ineligible respondents the survey will take less than 5 minutes to complete. Among active victim service providers, the expected response rate is 70%. For these 4,306 active victim service providers that decide to participate, it will take an average of 45 minutes to complete the survey.

(6) *An estimate of the total public burden (in hours) associated with the collection:* There are an estimated 3,321 total burden hours associated with this collection.

NATIONAL SCIENCE FOUNDATION

Notice of Permit Applications Received Under the Antarctic Conservation Act of 1978

AGENCY: National Science Foundation.
ACTION: Notice of permit applications received.

SUMMARY: The National Science Foundation (NSF) is required to publish a notice of permit applications received to conduct activities regulated under the Antarctic Conservation Act of 1978. NSF has published regulations under the Antarctic Conservation Act in the Code of Federal Regulations. This is the required notice of permit applications received.

DATES: Interested parties are invited to submit written data, comments, or views with respect to this permit application by December 27, 2018. This application may be inspected by interested parties at the Permit Office, address below.

ADDRESSES: Comments should be addressed to Permit Office, Office of Polar Programs, National Science Foundation, 2415 Eisenhower Avenue, Alexandria, Virginia 22314.

FOR FURTHER INFORMATION CONTACT: Nature McGinn, ACA Permit Officer, at the above address, 703-292-8030, or ACAPermits@nsf.gov.

SUPPLEMENTARY INFORMATION: The National Science Foundation, as directed by the Antarctic Conservation Act of 1978 (Pub. L. 95-541, 45 CFR 671), as amended by the Antarctic Science, Tourism and Conservation Act of 1996, has developed regulations for the establishment of a permit system for various activities in Antarctica and designation of certain animals and certain geographic areas a requiring special protection. The regulations establish such a permit system to designate Antarctic Specially Protected Areas.

Application Details

1. Applicant

Permit Application: 2019-015

Robin West, Director of Expedition Operations, Onboard Revenue, Seabourn Quest, Seabourn Cruise Line Ltd., 450 Third Ave. W, Seattle, WA 98119.

Activity for Which Permit Is Requested: Waste Management. The applicant proposes to operate a small, battery-operated remotely piloted aircraft system (RPAS) consisting, in part, of a quadcopter equipped with a camera to collect commercial and

educational footage of the Antarctic, as well as for ice reconnaissance. The quadcopter would not be flown over concentrations of birds or mammals, or over Antarctic Specially Protected Areas. The RPAS would only be operated by pilots with extensive experience (≤ 20 hours), who are pre-approved by the Expedition Leader. Several Measures would be taken to prevent against loss of the quadcopter including a highly visible paint color; only operating when the wind is less than 25 knots; operating for only 15 minutes at a time to preserve battery life; having prop guards on propeller tips; using a flotation device if operated over water; a "fail-safe and auto go home" feature in the case of a loss of control link or low battery; having an observer on the lookout for wildlife, people, and other hazards; and ensuring that the separation between the operator and quadcopter does not exceed an operational range of 500 meters. The applicant is seeking a Waste Permit to cover any accidental releases that may result from operating the RPAS.

Location: Antarctic Peninsula Region.

Dates of Permitted Activities: November 29, 2018–March 31, 2019.

Suzanne H. Plimpton,

Reports Clearance Officer, National Science Foundation.
