SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA authority for the Application for a Farm Labor Contractor or Farm Labor Contractor Employee

Certificate of Registration information collection. Migrant and Seasonal Agricultural Worker Protection Act (MSPA) section 101 provides that no individual may perform farm labor contracting activities without a certificate of registration. *See* 29 U.S.C. 1811. Form WH-530 is the application form that provides the DOL with the information necessary to issue certificates specifying the farm labor contracting activities authorized. In addition, certain vehicle and safety standards are required of a farm-labor contractor applicant and such data is collected via forms WH-514, WH-514a, and WH-515. MSPA sections 102, 105, and 511 authorize this information collection. *See* 29 U.S.C. 1811(b), 1812, 1815, 1861.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. *See* 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1235-0016.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on November 30, 2018. The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection

requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on April 24, 2018 (83 FR 17855).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the **ADDRESSES** section within thirty (30) days of publication of this notice in the **Federal Register**. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1235-0016. The OMB is particularly interested in comments that:

SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA authority for the H-2A Sheepherder Recordkeeping Requirement information collection. Under the foreign labor certification programs administered by ETA, the H-2A temporary labor certification program enables employers to bring nonimmigrant foreign workers to the U.S. to perform agricultural work of a temporary or seasonal nature as defined in 8 U.S.C. 1101(a)(15)(H)(ii)(a). The H-2A program also permits employers to employ foreign sheepherders and goatherders and those working in open-range production of livestock.

In order to meet its statutory responsibilities under the Immigration and Nationality Act, the Department must request information from employers seeking to hire and import foreign labor. The Department uses the information collected to determine whether employers engaging in sheep herding, goat herding, or open-range production of livestock have met their obligations under Federal law. This ICR pertains to program obligations for employers seeking to hire foreign temporary agricultural workers for job opportunities in herding or production of livestock on the open range. Among the issues addressed through this ICR are timekeeping requirements of employers. In order to determine eligibility for the program based on the amount of work performed on the range, this ICR requires employers to note whether employees spend days on the ranch or on the range. This ICR also requires employers to record the reason for the worker's absence where the employer chooses to prorate the required wage.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. DOL obtains OMB approval for this information collection under Control Number 1205-0519. The current approval is scheduled to expire on November 30, 2018; however, DOL notes that existing information collection requirements submitted to OMB receive a month-to-month extension while they undergo review. New requirements would only take effect upon OMB approval. For
