

approval order.⁴ The Exchange will make public on its website any data and analysis it submits to the Commission under the pilot program.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁵ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁶ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest. The Exchange believes the proposed rule change will protect investors and the public interest by preserving the opportunity to list NDXPM options until May 6, 2019, providing the Exchange, the Commission and investors the benefit of a pilot program of sufficient duration to yield meaningful information concerning the impact of NDXPM options on the market.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. NDXPM options would be available for trading to all market participants. The proposed rule change will facilitate the listing and trading of a novel option product that will enhance competition among market participants, to the benefit of investors and the marketplace. The listing of NDXPM will enhance competition by providing investors with an additional investment vehicle, in a fully-electronic trading environment, through which investors can gain and hedge exposure to NASDAQ-100 stocks. Further, this product could offer a competitive alternative to other existing investment products that seek to allow investors to gain broad market exposure. Also, the Exchange notes that it is possible for other exchanges to develop or license the use of a new or different index to compete with the NASDAQ-100 and seek Commission approval to list and trade options on such an index.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act⁷ and subparagraph (f)(6) of Rule 19b-4 thereunder.⁸

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's internet comment form (<http://www.sec.gov/rules/sro.shtml>); or

0004. Section 2029(e) and 202(f) of the Social Security Act (Act) set forth the requirements for entitlement to widow(er)'s benefits, including the requirements to file an application. For SSA to make a formal determination for entitlement to widow(er)'s benefits, we use Form SSA-10-BK to determine whether an applicant meets the statutory and regulatory conditions for entitlement to widow(er)'s Title II benefits. SSA employees interview individuals applying for benefits either face-to-face or via telephone, and enter the information on the paper form or into the Modernized Claims System (MCS). The respondents are applicants for widow(er)'s benefits.

disability cessation, SSA seeks a qualified substitute party to pursue the appeal. If SSA locates a qualified substitute party, the agency uses Form SSA-770 to collect information about whether to pursue or withdraw the reconsideration request. We use this information as the basis for the decision

to continue or discontinue with the appeals process. Respondents are substitute applicants who are pursuing a reconsideration request for a deceased claimant.

3. *Centenarian and Medicare Non-Utilization Project Development Worksheets: Face-to-Face Interview and Telephone Interview—20 CFR 416.204(b) and 422.135-0960-0780.* SSA conducts interviews with centenary Title II beneficiaries and Title XVI recipients, and Medicare Non-Utilization Project (MNUP) beneficiaries age 90 and older to: (1) Assess if the beneficiaries are still living; (2) prevent fraud through identity misrepresentation; and (3) evaluate the well-being of the recipients to determine if they need a representative payee, or a change in representative payee. SSA

field office personnel obtain the information through one-time, in-person interviews with the centenarians and MNUP beneficiaries. If the centenarians and MNUP beneficiaries have representatives or caregivers, SSA personnel invite them to the interviews. During these interviews, SSA employees make overall observations of the centenarians, MNUP beneficiaries, and their representative payees (if applicable). The interviewer uses the appropriate Development Worksheet as a guide for the interview, in addition to documenting findings during the interview.

Non-completion of the Worksheets, or refusal of the interviews, may result in the suspension of the centenarians' or MNUP beneficiaries' payments. SSA conducts the interviews either over the telephone or through a face-to-face discussion with the respondents.
