OMB Control Number: 0560-0097.

Expiration Date of Approval: April 30, 2019.

Type of Request: Extension of a currently approved information collection.

Abstract: AFIDA requires foreign persons who hold, acquire, or dispose of any interest in U.S. agricultural land to report the transactions and holdings to FSA on an AFIDA report (FSA-153). The information collected is made available to States. Also, although not required by law, the information collected from the AFIDA reports is used to prepare an annual report to Congress and the President concerning the effect of foreign investment upon family farms and rural communities so that Congress may review the annual report and decide if further regulatory action is required. There is no change to the numbers in the collection.

For the following estimated total annual burden on respondents, the formula used to calculate the total burden hour is the estimated average time per responses hours multiplied by the estimated total annual responses.

Estimate of Respondent Burden: Public reporting burden for the information collection is estimated to average 0.476 hours per response.

Respondents: Individuals or households, businesses or other for profit farms.

Estimated Annual Number of Respondents: 5,525.

Estimated Number of Responses per Respondent: 1.

Estimated Total Annual Responses: 5,525.

Estimated Average Time per Response: 0.476 hours.

Estimated Total Annual Burden on Respondents: 2,631.25 hours.

We are requesting comments on all aspects of this information collection to help us to:

(1) Evaluate whether the collection of information is necessary for the proper performance of the functions of the FSA, including whether the information will have practical utility;

(2) Evaluate the accuracy of the FSA's estimate of burden including the validity of the methodology and assumptions used;
