

Need and Proposed Use of the Information: Data from the feedback surveys will provide mechanisms to capture consistent performance data from F2F HIC grant recipients. The data will also allow F2F HICs to evaluate the effectiveness of their interventions and improve services provided to families and the providers who serve CYSHCN families.

Likely Respondents: Likely respondents are users of F2F HIC

services, which include family members of CYSHCN and health professionals who serve such families.

Burden Statement: Burden in this context means the time expended by persons to generate, maintain, retain, disclose, or provide the information requested. This includes the time needed to review instructions; to develop, acquire, install, and utilize technology and systems for the purpose of collecting, validating, and verifying

information; to process and maintain information; to disclose and provide information; to train personnel to be able to respond to a collection of information; to search data sources; to complete and review the collection of information; and to transmit or otherwise disclose the information.

The total annual burden hours estimated for this ICR are summarized in the table below.

TOTAL ESTIMATED ANNUALIZED BURDEN HOURS

Form name	Number of respondents	Number of responses per respondent	Total responses	Average burden per response (in hours)	Total burden hours
F2F HIC Feedback Survey	1,147	1	1,147	0.15	172
F2F HIC Grant Recipient Activity	59	1	59	89	5,251
Total	1,206	1,206	5,423

HRSA specifically requests comments on (1) the necessity and utility of the proposed information collection for the proper performance of the agency's functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

National Institutes of Health

Laboratory Animal Welfare: Draft Report on Recommendations To Reduce Administrative Burden on Researchers

AGENCY: National Institutes of Health, HHS.

ACTION: Notice; request for comments.

SUMMARY: The National Institutes of Health (NIH) is seeking input on the draft report by the 21st Century Cures Act Working Group on Reducing Administrative Burden to Researchers for Animal Care and Use in Research. The draft report is a coordinated effort of the Director of the National Institutes of Health, in collaboration with the Secretary of Agriculture and the Commissioner of Food and Drugs. It describes the proposed actions that the working group has identified to reduce administrative burden on investigators while maintaining the integrity and credibility of research findings and protection of research animals.

DATES: The Request for Information regarding the proposed actions that the working group has identified is open for public comment for a period of 60 days. Comments must be submitted electronically at <https://grants.nih.gov/grants/rfi/rfi.cfm?ID=83> and must be received by February 5, 2019 to ensure consideration.

FOR FURTHER INFORMATION CONTACT: Patricia Brown, Office of Laboratory Animal Welfare (OLAW), Office of Extramural Research, National Institutes of Health, Suite 2500, 6700B Rockledge Drive, Bethesda, MD 20892-6910, phone: 301-496-7163, email: olaw@od.nih.gov.

SUPPLEMENTARY INFORMATION:

I. Background

This request for information is a coordinated effort of the Director of the National Institutes of Health, in

collaboration with the Secretary of Agriculture and the Commissioner of Food and Drugs, to seek input on the draft report by the 21st Century Cures Act, Section 2034(d) Working Group on Reducing Administrative Burden to Researchers for Animal Care and Use in Research.

Section 2034(d) of the 21st Century Cures Act (Pub. L. 114-255) was enacted December 13, 2016 and requires that the NIH, in collaboration with the United States Department of Agriculture (USDA) and the Food and Drug Administration (FDA), complete a review of applicable regulations and policies for the care and use of laboratory animals and make revisions to reduce administrative burden on investigators. NIH OLAW, USDA, and FDA formed a Working Group to: (1) Identify overlapping regulations and policies; (2) take steps to reduce such identified regulations and policies; and (3) take actions to improve coordination, as directed by the U.S. Congress. Input is sought on the draft report of the Working Group and others within the federal government and the proposed recommendations to reduce the administrative burden associated with research activities with laboratory animals while maintaining appropriate protections and scientific integrity. The draft report is available at https://olaw.nih.gov/sites/default/files/21CCA_draft_report.pdf.

Dated: November 16, 2018.

Francis S. Collins,

Director, National Institutes of Health.
