

Rule 1000

The Exchange's proposal to define the terms "in-the-money" or "out-of-the-money" for purposes of Phlx Electronic Market Maker quoting obligations in Rules 1014 and 1017 does not unduly burden competition, rather it adds greater transparency to the Rulebook and makes clear the applicability of the definitions to avoid confusion with respect to the remainder of the options rules.

Rule 1014

The Exchange's proposal to codify its current practice of rounding down when referring to decimal equivalent within Rule 1014(c)(i)(A)(1)(a) does not impose an unduly burden competition because the Exchange continues to uniformly apply its rounding methodology with respect to its market making participants.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act¹⁵ and subparagraph (f)(6) of Rule 19b-4 thereunder.¹⁶

A proposed rule change filed under Rule 19b-4(f)(6)¹⁷ normally does not become operative prior to 30 days after the date of the filing. However, Rule 19b-4(f)(6)(iii)¹⁸ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon

filing. The Exchange states that immediately codifying its current practice within its rules to accurately reflect the operation of the Exchange's System will avoid confusion. The Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest. Accordingly, the Commission hereby waives the operative delay and designates the proposed rule change as operative upon filing.¹⁹

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) Necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

The Exchange has satisfied this requirement.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend The Nasdaq Options Market LLC ("NOM") Rules at Chapter I, Section 1, specifically the defined terms "in-the-money" and "out-of-the-money" at NOM Rules at Chapter I, Section 1(a)(67) and (68), respectively.

The text of the proposed rule change is available on the Exchange's website at <http://nasdaq.cchwallstreet.com>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

NOM rules define an "in-the-money" option series at Chapter I, Section 1(a)(67). Currently the term "in-the-money" means, for call options, all strike prices below the offer in the underlying security on the primary listing market; for put options, all strike prices above the bid in the underlying security on the primary listing market. NOM rules define an "out-of-the-money" option series at Chapter I, Section 1(a)(68). Currently, the term "out-of-the-money" shall mean the following: For call options, all strike prices above the offer in the underlying security on the primary listing market; for put options, all strike prices below the bid in the underlying security on the primary listing market. The Exchange proposes to amend these defined terms as specified below.

In-the-Money

At this time, the Exchange proposes to amend the defined term "in-the-money" to include an "at-the-money" option. The term "in-the-money" would be defined with this amendment to mean, for call options, all strike prices at or

below the offer in the underlying security on the primary listing market; for put options, all strike prices at or above the bid in the underlying security on the primary listing market. The Exchange believes that amending the term "in-the-money" to include options that are "at-the-money" will bring greater transparency to the manner in which the Exchange handles "at-the-money" options.³

In-the-Money and Out-of-the-Money

The Exchange proposes to limit the defined terms "in-the-money" and "out-of-the-money" option series for purposes of Market Maker quoting obligations in Chapter VII, Section 6. The Exchange notes that it specifically proposes to reference the rules related to Market Maker quoting obligations to avoid any confusion with the manner in which "in-the-money" and "out-of-the-money" options series are defined for purposes of other options rules. This limitation represents current practice. The Exchange also notes that it is conforming this term across its Nasdaq affiliated markets.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁴ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁵ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest. The Exchange's proposal to amend the defined term "in-the-money" to include options that are "at-the-money" will bring greater transparency to the current manner in which the Exchange handles "at-the-money" options.

The Exchange's proposal to note that the defined terms "in-the-money" and "out-of-the-money" would apply for purposes of Market Maker quoting obligations in Chapter VII, Section 6 would avoid any confusion with the manner in which "in-the-money" and "out-of-the-money" options series are defined for purposes of other options rules. The limitation of the defined terms for purposes of Market Maker quoting obligations in Chapter VII, Section 6 will bring transparency to the current use of the defined terms.

³ The Exchange notes that the inclusion of the term "at-the-money" within the defined term "in-the-money" represents the Exchange's current practice.

⁴ 15 U.S.C. 78f(b).

⁵ 15 U.S.C. 78f(b)(5).

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The Exchange's proposal to amend the defined term "in-the-money" to include options that are "at-the-money" and add limitations to the use of the defined terms "in-the-money" and "out-of-the-money" for purposes of Market Maker quoting obligations in Chapter VII, Section 6 do not unduly burden competition, rather these amendments add greater transparency to the Rulebook and makes clear the applicability of the definitions to avoid confusion with respect to the remainder of the options rules.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act⁶ and subparagraph (f)(6) of Rule 19b-4 thereunder.⁷

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

⁶ 15 U.S.C. 78s(b)(3)(A)(iii).

⁷ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-84733; File No. SR-CHX-2018-06]

Self-Regulatory Organizations; Chicago Stock Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend CHX Article 22, Rule 6(a)

December 6, 2018.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 ("Act")² and Rule 19b-4 thereunder,³ notice is hereby given that, on November 27, 2018, the Chicago Stock Exchange, Inc. ("CHX" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend CHX Article 22, Rule 6(a) to remove the requirement that the Exchange file with the Securities and Exchange Commission (the "Commission") a Form 19b-4(e) for each "new derivative securities product" that will commence trading on the Exchange pursuant to unlisted trading privileges. The proposed rule change is available on the Exchange's website at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received

on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to amend CHX Article 22, Rule 6(a) to remove the requirement that the Exchange file with the Commission a Form 19b-4(e) for each "new derivative securities product" that will commence trading on the Exchange pursuant to unlisted trading privileges. The Exchange notes that a substantially identical proposed rule change by NYSE National, Inc. ("NYSE National") was recently approved by the Commission.⁴

CHX Article 22, Rule 6(a) sets forth the requirement for the Exchange to file with the Commission a Form 19b-4(e) with respect to each "new derivative securities product" that is traded pursuant to unlisted trading privileges. However, the Exchange believes that it should not be necessary to file a Form 19b-4(e) with the Commission if it begins trading a "new derivative securities product" pursuant to unlisted trading privileges, because Rule 19b-4(e)(1) under the Act refers to the "listing and trading" of a "new derivative securities product." The Exchange believes that the requirements of that rule refer to when an exchange lists and trades a "new derivative securities product", and not when an exchange seeks only to trade such product pursuant to unlisted trading privileges pursuant to Rule 12f-2 under the Act.⁵ Therefore, the Exchange proposes to delete the requirement in Article 22, Rule 6(a) for the Exchange to file a Form 19b-4(e) with the Commission with respect to each "new derivative securities product" it begins trading pursuant to unlisted trading privileges.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6(b)⁶ of the Act in general, and furthers the
