

351.218(d)(1)(i).⁴ Eramet claimed interested party status under section 771(9)(C) of the Act as a producer in the United States of the domestic like product. On October 1, 2018, the Department received a complete substantive response to the notice of initiation from Eramet within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i). The Department received no substantive responses from respondent interested parties. As a result, the Department conducted an expedited, *i.e.*, 120-day, sunset review of these *AD Orders* pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2).

Scope of the Orders

For purposes of these orders, the products covered are all forms, sizes and compositions of silicomanganese, except low-carbon silicomanganese, including silicomanganese briquettes, fines and slag. Silicomanganese is a ferroalloy composed principally of manganese, silicon and iron, and normally contains much smaller proportions of minor elements, such as carbon, phosphorous and sulfur. Silicomanganese is sometimes referred to as ferrosilicon manganese. Parties can find the full description of the scope of these *AD Orders* in the Issues and Decision Memo, which is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov> and is available to all parties in the Central Records Unit in Room B8024 of the main Commerce building. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly on the internet at <http://trade.gov/enforcement/>. The signed and electronic versions of the Decision Memorandum are identical in content.

Analysis of Comments Received

All issues raised in these reviews are addressed in the Issues and Decision Memorandum, including the likelihood of continuation or recurrence of dumping in the event of revocation and the magnitude of dumping margins likely to prevail if the orders were revoked. Parties can find a complete discussion of all issues raised in these reviews and the corresponding recommendations in the Issues and Decision Memorandum.

⁴ See Eramet’s submission “Five-Year (“Sunset”) Reviews of Antidumping Duty Orders on Silicomanganese from India, Kazakhstan, and Venezuela: Notice of Intent to Participate” (September 13, 2018).

Final Results of Sunset Review

Pursuant to sections 752(c)(1) and (3) of the Act, we determine that revocation of the antidumping duty orders on silicomanganese from India, Kazakhstan, and Venezuela would be likely to lead to continuation or recurrence of dumping. We determine that the weighted-average dumping margins likely to prevail are up to the following percentages:

| Country | Weighted average margin (percent) |
|------------------|-----------------------------------|
| India | 20.53 |
| Kazakhstan | 247.88 |
| Venezuela | 24.62 |

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) is rescinding the administrative review of the countervailing duty (CVD) order on stainless steel sheet and strip (SSSS) from the People’s Republic of China

(China) for the period July 18, 2016, through December 31, 2017.

DATES: Applicable December 17, 2018.

Background

On April 2, 2018, Commerce published a notice of opportunity to request an administrative review of the CVD order on SSSS from China for the period July 18, 2016, through December 31, 2017.¹ On April 30, 2018, Hans-Mill Corporation and C.Y. Housewares (Dongguan) Co., Ltd. (collectively, C.Y. Housewares), requested an administrative review of its exports of subject merchandise to the United States.² On June 6, 2018, in accordance with section 751(a) the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.221(c)(1)(i), we initiated an administrative review of the order on SSSS from China.³ On June 22, 2018, C.Y. Housewares timely withdrew its request for an administrative review.⁴

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, “in whole or in part, if a party that requested the review withdraws the request within 90 days of the date of publication of the notice of initiation of the requested review.” C.Y. Housewares withdrew its request within the 90-day time limit. Because we received no other requests for review of the order on SSSS from China, we are rescinding the administrative review of the order in full, in accordance with 19 CFR 351.213(d)(1).

Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess countervailing duties on all appropriate entries of SSSS from China during the period of review at rates equal to the

cash deposit rate of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate instructions to CBP 15 days after publication of this notice in the **Federal Register**.

Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of countervailing duties occurred and the subsequent assessment of doubled countervailing duties.

This notice also serves as a reminder to parties subject to the administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under an APO in accordance with 19 CFR 351.305(a)(3).
