

the issue, (2) a brief summary of the argument, and (3) a table of authorities.⁴

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically *via* ACCESS. An electronically filed document must be received successfully in its entirety by Commerce's electronic records system, ACCESS, by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice.⁵ Requests should contain: (1) The party's name, address and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case briefs. Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act.

Assessment Rates

If a respondent's weighted-average dumping margin is above *de minimis* in the final results of this review, we will calculate an importer-specific assessment rate based on the ratio of the total amount of dumping calculated for each importer's examined sales and the total entered value of the sales in accordance with 19 CFR 351.212(b)(1).⁶ If a respondent's weighted-average dumping margin or an importer-specific assessment rate is zero or *de minimis* in the final results of review, we will instruct U.S. Customs and Border Protection (CBP) to liquidate the appropriate entries without regard to antidumping duties in accordance with the *Final Modification for Reviews*.⁷ The final results of this administrative review shall be the basis for the assessment of antidumping duties on entries of merchandise under review and for future deposits of estimated duties, where applicable.

For entries of subject merchandise during the period of review produced by Dongkuk Steel Mill Co., Ltd. or Hyundai Steel Company for which they did not know their merchandise was destined

for the United States, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.

We intend to issue liquidation instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

The following cash deposit requirements for estimated antidumping duties will be effective upon publication of the notice of final results of this review for all shipments of CTL plate from Korea entered, or withdrawn from warehouse, for consumption on or after the date of publication as provided by section 751(a)(2) of the Act: (1) The cash deposit rate for companies subject to this review will be equal to the weighted-average dumping margins established in the final results of the review; (2) for merchandise exported by companies not covered in this review but covered in a prior segment of this proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation but the producer is, the cash deposit rate will be the rate established for the most recently completed segment for the producer of the merchandise; (4) the cash deposit rate for all other producers or exporters will continue to be 0.98 percent,⁸ the all-others rate established in the less-than-fair-value investigation, adjusted for the export-subsidy rate in the companion countervailing duty investigation.

These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this period of review. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

Commerce is issuing and publishing these results in accordance with sections 751(a)(1) and 777(i) of the Act and 19 CFR 351.221(b)(4).

Dated: December 14, 2018.

Gary Taverman,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.

Limitation of Duty-Free Imports of Apparel Articles Assembled in Haiti Under the Caribbean Basin Economic Recovery Act (CBERA), as Amended by the Haitian Hemispheric Opportunity Through Partnership Encouragement Act (HOPE)

AGENCY: International Trade Administration, Department of Commerce.

ACTION: Notification of Annual Quantitative Limit on Imports of Certain Apparel from Haiti.

SUMMARY: CBERA, as amended, provides duty-free treatment for certain apparel articles imported directly from Haiti. One of the preferences is known as the "value-added" provision, which requires that apparel meet a minimum

⁴ See 19 CFR 351.309(c)(2) and (d)(2).

⁵ See 19 CFR 351.310(c).

⁶ In these preliminary results, Commerce applied the assessment rate calculation method adopted in *Antidumping Proceedings: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Duty Proceedings; Final Modification*, 77 FR 8101 (February 14, 2012) (*Final Modification for Reviews*).

⁷ See *Final Modification for Reviews*, 77 FR at 8103. See also 19 CFR 351.106(c)(2).

threshold percentage of value added in Haiti, the United States, and/or certain beneficiary countries. The provision is subject to a quantitative limitation, which is calculated as a percentage of total apparel imports into the United States for each 12-month annual period. For the annual period from December 20, 2018 through December 19, 2019, the quantity of imports eligible for preferential treatment under the value-added provision is 372,889,066 square meters equivalent.

DATES: *Applicable Date:* December 20, 2018.

Laurie Mease, International Trade Specialist, Office of Textiles and Apparel, U.S. Department of Commerce, (202) 482-2043.

SUPPLEMENTARY INFORMATION:

Authority: Section 213A of the Caribbean Basin Economic Recovery Act (19 U.S.C. 2703a) (“CBERA”), as amended; and as implemented by Presidential Proc. No. 8114, 72 FR 13655 (March 22, 2007), and No. 8596, 75 FR 68153 (November 4, 2010).

Background: Section 213A(b)(1)(B) of CBERA, as amended (19 U.S.C. 2703a(b)(1)(B)), outlines the requirements for certain apparel articles imported directly from Haiti to qualify for duty-free treatment under a “value-added” provision. In order to qualify for duty-free treatment, apparel articles must be wholly assembled, or knit-to-shape, in Haiti from any combination of fabrics, fabric components, components knit-to-shape, and yarns, as long as the sum of the cost or value of materials produced in Haiti or one or more beneficiary countries, as described in CBERA, as amended, or any combination thereof, plus the direct costs of processing operations performed in Haiti or one or more beneficiary countries, as described in CBERA, as amended, or any combination thereof, is not less than an applicable percentage of the declared customs value of such apparel articles. Pursuant to CBERA, as amended, the applicable percentage for the period December 20, 2018 through December 19, 2019, is 60 percent.

For every twelve-month period following the effective date of CBERA, as amended, duty-free treatment under the value-added provision is subject to a quantitative limitation. CBERA, as amended, provides that the quantitative limitation will be recalculated for each subsequent 12-month period. Section 213A (b)(1)(C) of CBERA, as amended (19 U.S.C. 2703a(b)(1)(C)), requires that, for the twelve-month period beginning on December 20, 2018, the quantitative

limitation for qualifying apparel imported from Haiti under the value-added provision will be an amount equivalent to 1.25 percent of the aggregate square meter equivalent of all apparel articles imported into the United States in the most recent 12-month period for which data are available. The aggregate square meters equivalent of all apparel articles imported into the United States is derived from the set of Harmonized System lines listed in the Annex to the World Trade Organization Agreement on Textiles and Clothing (“ATC”), and the conversion factors for units of measure into square meter equivalents used by the United States in implementing the ATC. For purposes of this notice, the most recent 12-month period for which data are available as of December 20, 2018 is the 12-month period ending on October 31, 2018.

Therefore, for the one-year period beginning on December 20, 2018 and extending through December 19, 2019, the quantity of imports eligible for preferential treatment under the value-added provision is 372,889,066 square meters equivalent. Apparel articles entered in excess of these quantities will be subject to otherwise applicable tariffs.

Senior Advisor, performing the Non-Exclusive Duties of the Deputy Assistant Secretary for Textiles, Consumer Goods and Materials.
