- *Estimated Number of Respondents:* 500.
- *Estimated Number of Responses:* 500.
- *Average Time per Response:* 1 hour.
- *Total Estimated Burden Time:* 500 hours.
- *Frequency:* On occasion.
- *Obligation to Respond:* Voluntary.

We are soliciting public comments to permit the Department to:

- Evaluate whether the proposed information collection is necessary for the proper functions of the Department.
- Evaluate the accuracy of our estimate of the time and cost burden for this proposed collection, including the validity of the methodology and assumptions used.
- Enhance the quality, utility, and clarity of the information to be collected.
- Minimize the reporting burden on those who are to respond, including the use of automated collection techniques or other forms of information technology.

Please note that comments submitted in response to this Notice are public record. Before including any detailed personal information, you should be aware that your comments as submitted, including your personal information, will be available for public review.

Abstract of Proposed Collection

The Request to Change End-User, End-Use and/or Destination of Hardware information collection is used to request DDTC approval prior to any sale, transfer, transshipment, or disposal, whether permanent or temporary, of classified or unclassified defense articles to any end-user, end-use or destination other than as stated on a license or other approval.

Methodology

Currently, there is no option of electronic submission of this information. Submissions are made via hardcopy documentation. Applicants are referred to ITAR § 123.9 for guidance on information to submit regarding the request to change end-user, end-use and/or destination of hardware. Upon implementation of DDTC's new case management system, The Defense Export Control and Compliance System (DECCS), a DS-6004 may be submitted electronically.

Anthony M. Dearth,

Chief of Staff, Directorate of Defense Trade Controls, U.S. Department of State.
