(C) The Authority may be exempted from certain provisions of the Housing Act of 1937 and its implementing regulations in accordance with the requirements and procedures set forth in the Operations Notice. However, the Authority remains subject to all other federal laws and HUD requirements, as they be amended from time to time even in the event of a conflict between such a requirement and a waiver or activity authorized by the Operations Notice.

At least one year prior to expiration of this MTW CACC Amendment, the Authority shall submit a transition plan to HUD. The transition plan shall describe plans for phasing out such activities.

#### Section 7. Termination and Default

(A) If the Authority violates or fails to comply with any requirement or provision of the CACC, including this amendment, HUD is authorized to take any corrective or remedial action described in this Section 7 for Authority default or any other right or remedy existing under applicable law, or available at equity. HUD will give the Authority written notice of any default, which shall identify with specificity the measures, which the Authority must take to cure the default and provide a specific time frame for the Authority to cure the default, taking into consideration the nature of the default. The Authority will have the opportunity to cure such default within the specified period after the date of said notice, or to demonstrate within 10 days after the date of said notice, by submitting substantial evidence satisfactory to

HUD, that it is not in default. However, in cases involving clear and apparent fraud, serious criminal behavior, or emergency conditions that pose an imminent threat to life, health, or safety, if HUD, in its sole discretion, determines that immediate action is necessary it may institute the remedies under Section 7(B) of this MTW ACC Amendment without giving the Authority the opportunity to cure.

(B) If the Authority is in default and the default has not been cured, HUD may, undertake any one or all remedies available by law, including but not limited to the following:

(C) The Authority may choose to terminate this MTW CACC Amendment at any time. Upon HUD's receipt of written notification from the Authority and a copy of a resolution approving termination from its governing board, termination will be effective. The Authority will then begin to transition out of MTW, and will work with HUD to establish an orderly phase-out of MTW activities, consistent with Section 6 of this MTW CACC Amendment.

(D) Nothing contained in this CACC amendment shall prohibit or limit HUD from the exercise of any other right or remedy existing under any ACC, CACC, or available under applicable law. HUD's exercise or non-exercise of any

right or remedy under this amendment shall not be construed as a waiver of HUD's right to exercise that or any other right or remedy at any time.

Section 8. Notwithstanding any provision set forth in this MTW CACC Amendment, any future laws that conflict with any provision of this CACC Amendment, as determined by HUD, HUD's implementation of any future laws that conflict with any provision of this MTW CACC Amendment, or any HUD determination that a future law conflicts with any provision of this CACC Amendment, shall not be deemed to be a breach of this CACC Amendment. HUD's execution of the conflicting law, or the execution of a law that HUD deems conflicting, shall not serve as any basis for a breach of contract claim, or breach of contract cause of action, in any court. Any future laws affecting the Authority's funding, even if that effect is a decrease in funding, and HUD's implementation thereof that affects funding shall not be deemed a breach of this CACC Amendment and shall not serve as any basis for a breach of contract claim, or breach of contract cause of action, in any court.

It also helps the public understand our information collection requirements and provide the requested data in the desired format.

We are soliciting comments on the proposed ICR that is described below. We are especially interested in public comment addressing the following issues: (1) Is the collection necessary to the proper functions of the Service; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Service enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Service minimize the burden of this collection on the respondents, including through the use of information technology.

**Abstract:** The Captive Wildlife Safety Act (CWSA; Pub. L. 108-191; 16 U.S.C. 3371 note and 16 U.S.C. 3372 note) amends the Lacey Act (16 U.S.C. 3371 *et seq.*; 18 U.S.C. 42-43) by making it illegal to import, export, buy, sell, transport, receive, or acquire, in interstate or foreign commerce, live lions, tigers, leopards, snow leopards, clouded leopards, cheetahs, jaguars, or cougars, or any hybrid combination of any of these species, unless certain exceptions are met. There are several exemptions to the prohibitions of the CWSA, including accredited wildlife sanctuaries. There is no requirement for wildlife sanctuaries to submit applications to qualify for the accredited wildlife sanctuary exemption. Wildlife sanctuaries themselves will determine if they qualify. To qualify, they must meet all of the following criteria:

- Obtain approval by the United States Internal Revenue Service (IRS) as a corporation that is exempt from taxation under section 501(a) of the Internal Revenue Code of 1986 (Pub. L. 99-514), which is described in sections 501(c)(3) and 170(b)(1)(A)(vi) of that code.
- Do not engage in commercial trade in the prohibited wildlife species, including offspring, parts, and products.
- Do not propagate the prohibited wildlife species.
- Have no direct contact between the public and the prohibited wildlife species.

The basis for this information collection is the recordkeeping requirement that we place on accredited wildlife sanctuaries. We require accredited wildlife sanctuaries to maintain complete and accurate records of any possession, transportation, acquisition, disposition, importation, or exportation of the prohibited wildlife species as defined in the CWSA (see title 50 of the Code of Federal Regulations (CFR) at part 14, subpart K). Records must be up to date and include: (1) Names and addresses of persons to or from whom any prohibited wildlife species has been acquired, imported, exported, purchased, sold, or otherwise transferred; and (2) dates of these transactions. Accredited wildlife sanctuaries must:

- Maintain these records for 5 years.
- Make these records accessible to Service officials for inspection at reasonable hours.
- Copy these records for Service officials, if requested.

**Title of Collection:** Captive Wildlife Safety Act, 50 CFR 14.250-14.255.

**OMB Control Number:** 1018-0129.

**Form Number:** None.

**Type of Review:** Extension of a currently approved collection.

**Respondents/Affected Public:** Accredited wildlife sanctuaries.

**Total Estimated Number of Annual Respondents:** 750.

**Total Estimated Number of Annual Responses:** 750.

**Estimated Completion Time per Response:** 1 hour.

**Total Estimated Number of Annual Burden Hours:** 750.

**Respondent's Obligation:** Required to obtain or retain a benefit.

**Frequency of Collection:** Ongoing.

**Total Estimated Annual Nonhour Burden Cost:** \$300.

An agency may not conduct or sponsor and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

The authority for this action is the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*).

Dated: December 20, 2018.

**Madonna Baucum,**

*Information Collection Clearance Officer, U.S. Fish and Wildlife Service.*
