It requested feedback from users on specific tables and geographic detail for decennial census products such as Summary File 1, Summary File 2, and the Demographic Profile. The last day to provide comment on the notice was September 17, 2018. Subsequently, this notice was reopened for an additional 60-day comment period on October 9, 2018 (Vol. 83, p. 50636, FR Doc No. 2018–21837). The last day to provide comments on this notice was November 8, 2018. The final suite of 2020 Census data products will be determined in the summer of 2019.

#### P. Archiving

The Archiving (ARC) Operation performs the following functions:

- Coordinates storage of the materials and data and provides records deemed permanent as the official data of the 2020 Census, including files containing the individual responses to the 2020 Census, to the National Archives and Records Administration (NARA).
- Provides similar files to the Census Bureau's National Processing Center in Indiana to use as source materials to conduct the Age Search Service.
- Stores data to cover in-house needs.

#### Q. Federally Affiliated Count Overseas

The Federally Affiliated Count Overseas operation obtains counts by home state of United States military and federal civilian employees who are stationed or assigned overseas and their dependents living with them. For the 2020 Census, overseas is defined as anywhere outside the 50 states, the District of Columbia, Puerto Rico, and the Island Areas: American Samoa, Commonwealth of the Northern Mariana Islands, Guam, and the United States Virgin Islands. Counts are submitted from Federal agencies and the Department of Defense (Defense Manpower Data Command) through a Census Bureau secure server and are used to allocate the federally affiliated population living overseas to their home state for the purposes of apportioning seats in the U.S. House of Representatives. If military and federal civilian employees of the U.S. government are deployed overseas while stationed or assigned within the U.S., they are counted at their U.S. residence where they live or sleep most of the time using administrative data provided by Federal agencies and the

Department of Defense. See Section K for more info on how we count stateside military personnel.

#### R. Island Areas Censuses

The purpose of the Island Areas Censuses (IAC) operation is to enumerate all residents of American Samoa, the Commonwealth of the Northern Mariana Islands (CNMI), Guam, and the U.S. Virgin Islands; process and tabulate the collected data; and disseminate data products to the public. All data collection activities for the IAC will rely on the use of paper questionnaires, paper maps, and paper address registers to record the physical addresses of housing units and group quarters. The IAC questionnaire will leverage the American Community Survey questionnaire with minor wording changes in order to take into account the Island Areas local governments' concerns, where possible.

Enumerators will list the addresses using paper address registers. Once the addresses have been listed, enumerators will visit every living quarter to conduct interviews with household members and follow up as necessary. The IAC will perform a clerical review of all completed questionnaires for completeness and data consistency, a reinterview for a sample of questionnaires, and an independent address check. The response data will be processed through the Decennial Response Processing System. Data products will include counts of the population and housing units, data profiles, subject tables, ranking tables, and supplemental tables.

#### S. Evaluations and Experiments

The Census Bureau is not currently planning a separate package for the Evaluations and Experiments program, as has been done in past censuses. For the 2020 Census, these evaluations and experiments will be described either as Substantive Changes to this package, to the Census Bureau's Post-Enumeration Survey Independent Listing and QC OMB package, or within the Generic Clearance for Decennial Census Field Tests and Evaluations, covered under OMB approval #0607–0971.

#### **Crystalline Silicon Photovoltaic Cells, Whether or Not Assembled Into Modules, From the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review and Preliminary Determination of No Shipments; 2016–2017**

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (Commerce) preliminarily determines that producers and/or exporters subject to this administrative review made sales of subject merchandise at less than normal value. Interested parties are invited to comment on these preliminary results of review.

**DATES:** Applicable December 28, 2018.

**FOR FURTHER INFORMATION CONTACT:** Jeff Pedersen and Krisha Hill, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–2769 and (202) 482–4037, respectively.

**SUPPLEMENTARY INFORMATION:****Background**

Commerce is conducting an administrative review of the antidumping duty order on crystalline silicon photovoltaic cells, whether or not assembled into modules (solar cells), from the People's Republic of China (China), and initiated the review on February 23, 2018.<sup>1</sup> The POR is December 1, 2016, through November 30, 2017. On July 27, 2018, we rescinded the review with respect to Changzhou Trina Solar Energy Co., Ltd./Trina Solar (Changzhou) Science and Technology Co., Ltd./Yancheng Trina Solar Energy Technology Co., Ltd./Changzhou Trina Solar Yabang Energy Co., Ltd./Turpan Trina Solar Energy Co., Ltd./Hubei Trina Solar Energy Co., Ltd.<sup>2</sup>

**Scope of the Order**

The merchandise covered by the order is crystalline silicon photovoltaic cells, and modules, laminates, and panels, consisting of crystalline silicon photovoltaic cells, whether or not partially or fully assembled into other products, including, but not limited to, modules, laminates, panels and building integrated materials.<sup>3</sup> Merchandise covered by this order is classifiable under subheadings 8501.61.0000, 8507.20.80, 8541.40.6015, 8541.40.6020, 8541.40.6025, 8541.40.6030, 8541.40.6035, 8541.40.6045, and 8501.31.8000 of the Harmonized Tariff Schedule of the United States (HTSUS).<sup>4</sup> Although the HTSUS subheadings are provided for convenience and customs purposes, our written description of the scope of the order is dispositive.

**Preliminary Determination of No Shipments**

We preliminarily determine that there is no evidence calling into question the

<sup>3</sup> For a complete description of the scope of the order, see DOC Memorandum re: Decision Memorandum for the Preliminary Results of the 2016–2017 Antidumping Duty Administrative Review of Crystalline Silicon Photovoltaic Cells, Whether or Not Assembled into Modules, from the People's Republic of China, issued concurrently with and hereby adopted by this notice (Preliminary Decision Memorandum).

<sup>4</sup> As detailed in the DOC memorandum entitled "Request from Customs and Border Protection to Update the ACE AD/CVD Case Reference File," dated August 2, 2018, the HTS numbers concerning solar cells and solar modules have been updated and we have updated the scope accordingly.

no shipment claims of the following companies: Anji DaSol Solar Energy Science & Technology Co., Ltd.; BYD (Shangluo) Industrial Co., Ltd.; Jiawei Solarchina Co., Ltd.; LERRI Solar Technology Co., Ltd.; Ningbo ETDZ Holdings, Ltd.; Sunpreme Solar Technology (Jiaxing) Co., Ltd.; and, Toenergy Technology Hangzhou Co., Ltd. We found that Wuxi Suntech Power Co., Ltd./Luoyang Suntech Power Co., Ltd. and Zhejiang ERA Solar Technology Co., Ltd., which claimed no exports, sales or entries of subject merchandise during the POR did, in fact, sell subject merchandise to the United States during the POR. Neither of these companies filed a separate rate application or certification and thus they have not established their entitlement to a separate rate in this review. For additional information regarding this preliminary determination, see the Preliminary Decision Memorandum.

**Preliminary Affiliation and Single Entity Determination**

We preliminarily determine that Chint Energy (Haining) Co., Ltd., Chint Solar (Jiuquan) Co., Ltd., and Chint Solar (Hong Kong) Company Limited are affiliated with Chint Solar (Zhejiang) Co., Ltd. (CSZ) (collectively, Chint Solar), pursuant to section 771(33)(E) of the Tariff Act of 1930, as amended (the Act), and that all of these companies should be treated as a single entity pursuant to 19 CFR 351.401(f)(1)–(2). For additional information, see the Preliminary Decision Memorandum.

We also preliminarily determine that Risen (Wuhai) New Energy Co., Ltd., Zhejiang Twinsel Electronic Technology Co., Ltd., Risen (Luoyang) New Energy Co., Ltd., Jiujiang Shengchao Xinye Technology Co., Ltd., Jiujiang Shengzhao Xinye Trade Co., Ltd. Ruichang Branch, and Risen Energy (HongKong) Co., Ltd. are affiliated with Risen Energy Co., Ltd. (Risen Energy) (collectively, Risen) pursuant to sections 771(33)(E) and (F) of the Act and all of these companies should be treated as a single entity pursuant to 19 CFR 351.401(f)(1)–(2). For additional information, see the Preliminary Decision Memorandum and Risen Collapsing Memorandum.<sup>5</sup>

<sup>5</sup> See DOC memorandum entitled "Preliminary Affiliation and Collapsing Memorandum for Risen Energy Co. Ltd., Risen (Wuhai) New Energy Co., Ltd., Zhejiang Twinsel Electronic Technology Co., Ltd., Risen (Luoyang) New Energy Co., Ltd., Jiujiang Shengchao Xinye Technology Co., Ltd., Jiujiang Shengzhao Xinye Trade Co., Ltd. Ruichang Branch, and Risen Energy (HongKong) Co., Ltd.," dated concurrently with this notice (Risen Collapsing Memorandum).

**Use of Partial Facts Available (FA) and Partial Adverse Facts Available (AFA)**

Certain unaffiliated tollers of inputs used to produce subject merchandise, as well as certain unaffiliated suppliers of solar cells and solar modules failed to provide factors of production (FOP) data for use in calculating the weighted-average dumping margins of Risen and Chint Solar. We preliminarily determine that it is appropriate to apply AFA, pursuant to section 776(a) and (b) of the Act, with respect to the unreported FOPs for purchased solar cells and solar modules. These unreported FOPs for solar cells and solar modules represent a material amount of necessary FOP information. However, in accordance with section 776(a)(1) of the Act, Commerce is applying facts available with respect to the unreported FOPs for the inputs used by the unaffiliated tollers. For details regarding these determinations, see the Preliminary Decision Memorandum and the Risen and Chint Solar Unreported FOP Memoranda.<sup>6</sup>

**Separate Rates**

Commerce preliminarily determines that the information placed on the record by Risen and Chint Solar, as well as by the other companies listed in the rate table in the "Preliminary Results of Review" section below, demonstrates that these companies are entitled to separate rate status. Commerce calculated rates for the mandatory respondents, Risen and Chint Solar, that are not zero, *de minimis*, or based entirely on facts available and calculated a rate for the companies to which it granted separate rates status, but which it did not individually examine, as described in the Separate Rate Calculation Memorandum<sup>7</sup> and the Preliminary Decision Memorandum.

Commerce preliminarily determines that the following companies have not demonstrated their entitlement to separate rates status because they did not file a separate rate application or certification with Commerce:

1. De-Tech Trading Limited HK
2. Dongguan Sunworth Solar Energy Co., Ltd.

<sup>6</sup> See DOC Memoranda entitled "Unreported Factors of Production: Chint Solar (Zhejiang) Co., Ltd." and "Unreported Factors of Production: Risen Energy Co. Ltd." issued concurrently with and hereby adopted by this notice.

<sup>7</sup> See DOC Memorandum entitled "2016–2017 Administrative Review of the Antidumping Duty Order on Crystalline Silicon Photovoltaic Cells, Whether or Not Assembled into Modules, from the People's Republic of China: Calculation of the Dumping Margin for Respondents Not Selected for Individual Examination," dated concurrently with this notice.

3. Eoply New Energy Technology Co., Ltd.
  4. ERA Solar Co., Ltd.
  5. Hangzhou Sunny Energy Science and Technology Co., Ltd.
  6. Jinko Solar Co., Ltd.
  7. Jinko Solar International Limited
  8. LightWay Green New Energy Co., Ltd.
  9. Systemes Versilis, Inc.
  10. tenKsolar (Shanghai) Co., Ltd.
  11. Yingli Green Energy Holding Company Limited
  12. Yingli Green Energy International Trading Company Limited
  13. Zhejiang Jinko Solar Co., Ltd.
- Commerce is preliminarily treating these companies as part of the China-wide entity. Because no party requested a review of the China-wide entity, the entity is not under review and the entity's rate (*i.e.*, 238.95 percent) is not subject to change.<sup>8</sup> For additional

information regarding Commerce's separate rates determinations, *see* the Preliminary Decision Memorandum.

**Methodology**

Commerce is conducting this administrative review in accordance with section 751(a)(1)(B) of the Act. Commerce calculated export and constructed export prices in accordance with section 772 of the Act. Because Commerce has determined that China is a non-market economy country,<sup>9</sup> within the meaning of section 771(18) of the Act, Commerce calculated NV in accordance with section 773(c) of the Act.

For a full description of the methodology underlying the preliminary results of this review, *see* the Preliminary Decision Memorandum. The Preliminary Decision Memorandum

is a public document and is made available to the public *via* Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). Unless otherwise extended, Commerce intends to issue the final results of this administrative review, which will include the results of its analysis of issues raised in any briefs, within 120 days of publication of these preliminary results of review, pursuant to section 751(a)(3)(A) of the Act.

#### Assessment Rates

Upon issuance of the final results of this review, Commerce will determine,

and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.<sup>17</sup> Commerce intends to issue assessment instructions to CBP 15 days after the publication date of the final results of this review. For each individually examined respondent in this review whose weighted-average dumping margin in the final results of review is not zero or *de minimis* (*i.e.*, less than 0.5 percent), Commerce intends to calculate importer-specific assessment rates, in accordance with 19 CFR 351.212(b)(1).<sup>18</sup> Where the respondent reported reliable entered values, Commerce intends to calculate importer-specific *ad valorem* assessment rates by aggregating the amount of dumping calculated for all U.S. sales to the importer and dividing this amount by the total entered value of the sales to the importer.<sup>19</sup> Where the respondent did not report entered values, Commerce will calculate importer-specific assessment rates by dividing the amount of dumping for reviewed sales to the importer by the total sales quantity associated with those transactions. Commerce will calculate an estimated *ad valorem* importer-specific assessment rate to determine whether the per-unit rate is *de minimis*, however, Commerce will direct CBP to assess importer-specific assessment rates where the entered value was not reported based on the resulting per-unit rates.<sup>20</sup> Where an importer-specific *ad valorem* assessment rate is not zero or *de minimis*, Commerce will instruct CBP to collect the appropriate duties at the time of liquidation. Where either the respondent's weighted average dumping margin is zero or *de minimis*, or an importer-specific *ad valorem* assessment rate is zero or *de minimis*, Commerce will instruct CBP to liquidate appropriate entries without regard to antidumping duties.<sup>21</sup>

Pursuant to Commerce's refinement to its practice, for sales that were not reported in the U.S. sales database submitted by an exporter individually examined during this review, Commerce will instruct CBP to liquidate such merchandise at the rate for the China-wide entity.<sup>22</sup> Additionally, where

Commerce determines that an exporter under review had no shipments of the subject merchandise, any suspended entries that entered under that exporter's CBP case number will be liquidated at the rate for the China-wide entity.

In accordance with section 751(a)(2)(C) of the Act, the final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated antidumping duties, where applicable.

#### Cash Deposit Requirements

Commerce will instruct CBP to require a cash deposit for antidumping duties equal to the weighted-average amount by which the NV exceeds U.S. price. The following cash deposit requirements will be effective for shipments of the subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication date of this notice, as provided by section 751(a)(2)(C) of the Act: (1) For the exporters listed above, the cash deposit rate will be equal to the weighted-average dumping margin established in the final results of this review (except, if the rate is *de minimis* (*i.e.*, less than 0.5 percent), then the cash deposit rate will be zero for that exporter); (2) for previously investigated or reviewed Chinese and non-Chinese exporters not listed above that have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recently completed segment of this proceeding; (3) for all Chinese exporters of subject merchandise which have not been found to be entitled to a separate rate, the cash deposit rate will be the rate for the China-wide entity (*i.e.*, 238.95 percent<sup>23</sup>) and (4) for all non-Chinese exporters of subject merchandise that have not received their own rate, the cash deposit rate will be the rate applicable to China exporter that supplied that non-Chinese exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

#### Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties and/or countervailing duties prior to

liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties and/or countervailing duties has occurred, and the subsequent assessment of double antidumping duties and/or an increase in the amount of antidumping duties by the amount of the countervailing duties.

#### Drawn Stainless Steel Sinks From the People's Republic of China: Preliminary Results of the Antidumping Duty Administrative Review and Preliminary Determination of No Shipments; 2017–2018

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (Commerce) preliminarily finds that certain companies made sales of subject merchandise at less than normal value during the period of review (POR), April

1, 2017, through March 31, 2018. We invite interested parties to comment on these preliminary results.

**DATES:** Applicable December 28, 2018.

**FOR FURTHER INFORMATION CONTACT:** Rebecca Janz or Joshua Tucker, AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482–2972 or (202) 482–2044, respectively.

#### SUPPLEMENTARY INFORMATION:

##### Scope of the Order

The products covered by the order include drawn stainless steel sinks. Imports of subject merchandise are currently classified under the Harmonized Tariff Schedule of the United States (HTSUS) subheadings 7324.10.0000 and 7324.10.0010. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of the order is dispositive.<sup>1</sup>

##### Preliminary Determination of No Shipments

Based on our analysis of U.S. Customs and Border Production (CBP) information and information provided by the companies, we preliminarily determine that Zhuhai KOHLER Kitchen & Bathroom Products Co., Ltd. (Zhuhai KOHLER) and Yuyao Afa Kitchenware Co., Ltd. (Yuyao Afa) did not have any reviewable transactions during the POR. In addition, Commerce finds that, consistent with its assessment practice in non-market economy (NME) cases, it is appropriate not to rescind the review in part in these circumstances, but to complete the review with respect to these three companies and issue appropriate instructions to CBP based on the final results.<sup>2</sup> For additional information regarding this determination, see the Preliminary Decision Memorandum.

With respect to Zhongshan Superte Kitchenware Co., Ltd. (Superte), we obtained information from CBP indicating that Superte had shipments during the POR, contradicting its no shipments certification. Thus, we

preliminarily determine that Superte is part of the China-wide entity, and we will complete the review with respect to this company. For a full discussion of this determination, see the Preliminary Decision Memorandum.

#### Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act). Because Feidong Import and Export Co., Ltd. (Feidong); Xinhe Stainless Steel Products Co., Ltd. (Xinhe); Jiangmen New Star Hi-Tech Enterprise Ltd. (New Star); and Ningbo Afa Kitchen and Bath Co., Ltd. (Ningbo Afa) did not participate in this segment of the proceeding, we preliminarily determine that they are ineligible for a separate rate and are part of the People's Republic of China (China)-wide entity, subject to the China-wide entity rate of 76.45 percent.

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>, and to all parties in the Central Records Unit, room B8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/>. The signed and the electronic versions of the Preliminary Decision Memorandum are identical in content. A list of topics included in the Preliminary Decision Memorandum is provided as an appendix to this notice.

(Jiangmen Pioneer) did not submit separate rate applications or certifications by the deadline established in the *Initiation Notice* or make a claim that they had no shipments of subject merchandise during the POR, we find that these companies failed to establish their entitlement to a separate rate and, therefore, remain part of the China-wide
