Notice of Intent To Audit

AGENCY: U.S. Copyright Office, Library of Congress.

ACTION: Public notice.

SUMMARY: The U.S. Copyright Office is announcing receipt of five notices of intent to audit certain statements of account filed by cable operators and a satellite carrier pursuant to the section 111 and 119 statutory licenses.

SUPPLEMENTARY INFORMATION:

I. Background

Sections 111 and 119 of the Copyright Act (“Act”), title 17 of the United States Code, establish compulsory licenses under which cable operators and satellite carriers may, by complying with the license terms, retransmit copyrighted over-the-air broadcast programming. The Satellite Television Extension and Localism Act of 2010,¹ amended the Act by directing the Register of Copyrights (“Register”) to issue regulations to allow copyright owners to audit the statements of account and royalty fees that cable operators and satellite carriers file with the Office.² Following a lengthy rulemaking proceeding, the Office issued such regulations, adopting the audit process now set forth in 37 CFR 201.16.³ Section 201.16(c)(1) requires any copyright owner who intends to audit a statement of account to provide written notice to the Register no later than three years after the last day of the year in which the statement of account was filed with
