The purpose of the Board is to review health services research and development applications involving: The measurement and evaluation of health care services; the testing of new methods of health care delivery and management; and mentored research. Applications are reviewed for scientific and technical merit, mission relevance, and the protection of human and animal subjects. Recommendations regarding funding are submitted to the Chief Research and Development Officer.

Each subcommittee meeting of the Board will be open to the public the first day for approximately one half-hour from 8:00 a.m. to 8:30 a.m. at the start of the meeting on March 5 (MRA0, HSR1, HSR3, HSR6, HSRN1), March 6 (MRA0, HSR1, HSR7, HSRN2), March 7 (HSR2, HSR4, HSR5, HS8A, HQ6/HQ7/HQ8), and March 8 (HSR2, HSR4, HSR9, HS8A, HQ6/HQ7/HQ8), to cover administrative matters and to discuss the general status of the program. Members of the public who wish to attend the open portion of the subcommittee meetings may dial 1–800–767–1750, participant code 10443.

The remaining portion of each subcommittee meeting will be closed for the discussion, examination, reference to, and oral review of the intramural research proposals and critiques. During the closed portion of each subcommittee

meeting, discussion and recommendations will include qualifications of the personnel conducting the studies (the disclosure of which would constitute a clearly unwarranted invasion of personal privacy), as well as research information (the premature disclosure of which would likely compromise significantly the implementation of proposed agency action regarding such research projects). As provided by subsection 10(d) of Public Law 92–463, as amended by Public Law 94–409, closing the meeting is in accordance with 5 U.S.C. 552b(c)(6) and (9)(B).

No oral or written comments will be accepted from the public for either portion of the meetings. Those who plan to participate during the open portion of a subcommittee meeting should contact Ms. Shannon Jordan, SMRB Program Manager, Department of Veterans Affairs, Health Services Research and Development Service (10P9H), 810 Vermont Avenue NW, Washington, DC 20420, or by email at [Shannon.Jordan2@va.gov](mailto:Shannon.Jordan2@va.gov). For further information, please call Ms. Jordan at (202) 443–5744.

## DEPARTMENT OF VETERANS AFFAIRS

### Reimbursement for Caskets and Urns for Burial of Unclaimed Remains in a National Cemetery or a VA-Funded State or Tribal Veterans' Cemetery

**AGENCY:** Department of Veterans Affairs.  
**ACTION:** Notice.

**SUMMARY:** The Department of Veterans Affairs (VA) is updating the monetary reimbursement rates for caskets and urns purchased for the interment in a VA national cemetery or a VA-funded state or tribal veterans' cemetery of Veterans who die with no known next of kin and where there are insufficient resources for furnishing a burial container. The purpose of this notice is to notify interested parties of the rates that will apply to reimbursement claims that occur during calendar year (CY) 2019.

**FOR FURTHER INFORMATION CONTACT:** Jane Kang, Program Analyst, National

Cemetery Administration, Department of Veterans Affairs, 810 Vermont Avenue NW, Washington, DC 20420. Telephone: (202) 461–6216 (this is not a toll-free number).

**SUPPLEMENTARY INFORMATION:** Section 2306(f) of title 38, U.S.C., authorizes VA National Cemetery Administration (NCA) to furnish a casket or urn for interment in a VA national cemetery or a VA-funded state or tribal veterans' cemetery of the unclaimed remains of Veterans for whom VA cannot identify a next of kin and determines that sufficient financial resources for the furnishing of a casket or urn for burial are not available. VA implemented regulations to administer this authority as a reimbursement benefit in section 38.628 of title 38, Code of Federal Regulations.

Reimbursement for a claim received in any CY will not exceed the average cost of a 20-gauge metal casket or a durable plastic urn during the fiscal year (FY) preceding the CY of the claim. Average costs are determined by market analysis for 20-gauge metal caskets, designed to contain human remains, with a gasketed seal, and external rails or handles. The same analysis is completed for durable plastic urns, designed to contain human remains, which include a secure closure to contain the cremated remains.

Using this method of computation, in FY 2018, the average costs for caskets were determined to be \$2,681 for caskets and \$162 for urns. Accordingly, the maximum reimbursement rates payable for qualifying interments occurring during CY 2019 are \$2,681 for caskets and \$162 for urns.
