BILLING CODE P

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Comprehensive Environmental Response, Compensation, and Liability Act

On January 3, 2019, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the Eastern District of Wisconsin in the lawsuit entitled *United States and the State of Wisconsin v. NCR Corp., et al.*, Civil Action No. 10-cv-910.

In 2010, the United States and the State of Wisconsin filed this action under the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. 9601-9675. The United States and the State brought claims against P.H. Glatfelter Company ("Glatfelter"), Georgia-Pacific Consumer Products LP ("Georgia-Pacific"), and other defendants for recovery of response costs and natural resource damages, as well as enforcement of an administrative cleanup order issued by the U.S. Environmental Protection Agency ("EPA"), concerning polychlorinated biphenyl contamination in sediment at the Lower Fox River and Green Bay Superfund Site in northeastern Wisconsin (the "Site"). Most of the original defendants entered into earlier, court-approved settlements with the United States and the State.

The proposed Consent Decree with Glatfelter and Georgia-Pacific would end this litigation on agreed terms and conditions. Glatfelter would pay a total of \$20.5 million—with \$20 million applied toward EPA's unreimbursed past response costs and \$500,000 applied toward natural resource damages—and Glatfelter would pay all future EPA and State costs of overseeing the remaining work at the Site. Glatfelter would dismiss its pending appeal of a separate consent decree that requires a prior settler, NCR Corporation, to finish all dredging and sediment cap installation work at the Site. Glatfelter and Georgia-Pacific also would agree to perform all required

long-term monitoring and cap maintenance work under the new settlement.

The publication of this notice opens a period for public comment on the Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States and the State of Wisconsin v. NCR Corp., et al.*, D.J. Ref. No. 90-11-2-1045/3. Interested parties also may request a public meeting in the affected area pursuant to 42 U.S.C. 6973(d). All comments and meeting requests must be submitted no later than thirty (30) days after the publication date of this notice. Comments and meeting requests may be submitted either by email or by mail:

DEPARTMENT OF LABOR

Employment and Training Administration

Notice To Ensure State Workforce Agencies Are Aware of the Revised Schedule of Remuneration for the Unemployment Compensation for Ex-Servicemembers (UCX) Program That Reflects the Military Pay Increase Effective January 1, 2019

AGENCY: Employment and Training Administration, Labor.

ACTION: Notice.

SUMMARY: Each year, the Department of Defense issues a Schedule of Remuneration used by states for UCX purposes. States must use the schedule to determine Federal military wages for UCX “first claims” only when the Federal Claims Control Center (FCCC) responds to a request for information indicating that there is no Copy 5 of the Certificate of Release or Discharge from Active Duty (DD Form 214) for an individual under the social security number provided. A response from the FCCC that indicates “no DD214 on file” will prompt the state to start the affidavit process and to use the attached schedule to calculate the Federal military wages for an unemployment insurance or UCX monetary determination.

The schedule applies to UCX “first claims” filed beginning with the first day of the first week that begins on or after January 1, 2019, pursuant to the UCX program regulations (see 20 CFR 614.12(c)). States must continue to use the 2018 schedule (or other appropriate schedule) for UCX “first claims” filed before the effective date of the revised schedule.

Signed:

Molly E. Conway,

Acting Assistant Secretary for Employment and Training, Labor.
