This constitutes notice, in accordance with 18 CFR 385.2201(b), of the receipt of prohibited and exempt off-the-record communications.

Order No. 607 (64 FR 51222, September 22, 1999) requires Commission decisional employees, who make or receive a prohibited or exempt off-the-record communication relevant to the merits of a contested proceeding, to deliver to the Secretary of the Commission, a copy of the communication, if written, or a summary of the substance of any oral communication.

Prohibited communications are included in a public, non-decisional file associated with, but not a part of, the decisional record of the proceeding. Parties to a proceeding may seek the opportunity to respond to any facts or contentions made in a prohibited off-the-record communication, and may request that the Commission place the prohibited communication and responses thereto in the decisional record. The Commission will grant such a request only when it determines that fairness so requires. Any person identified below as

having made a prohibited off-the-record communication shall serve the document on all parties listed on the official service list for the applicable proceeding in accordance with Rule 2010, 18 CFR 385.2010.

Agency Information Collection Activities: Comment Request

AGENCY: Export-Import Bank of the United States.
ACTION: Submission for OMB review and comments request.

SUMMARY: The Export-Import Bank of the United States (EXIM), as a part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal Agencies to comment on the proposed information collection, as required by the Paperwork Reduction Act of 1995.

competitiveness relative to the world's other major export credit agencies. As part of this report, the statutory mandate requires EXIM to conduct an annual survey of exporters and lenders who used Export-Import Bank's support during the prior calendar year. EXIM will use the responses to develop an analysis of the Bank's competitiveness.

The survey can be reviewed at: http://www.exim.gov/sites/default/files/pub/pending/EXIM_Competitiveness_Report_Survey.pdf.

DATES: Comments should be received on or before March 4, 2019 to be considered.

Type of Review: Renewal.

Need and Use: This information will be used to fulfill the statutory mandate (Export-Import Bank Act of 1945, as amended, 12 U.S.C. 635) which directs EXIM to report annually to the U.S. Congress any action taken toward providing export credit programs that are competitive with those offered by official foreign export credit agencies. The Act further stipulates that the annual report on competitiveness should include the results of a survey of U.S. exporters and U.S. commercial lending institutions which provide export credit to determine their experience in meeting financial competition from other countries whose exporters compete with U.S. exporters.
